HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from Kalamazoo, Michigan on January 29, 2009.

ISSUE

Whether the Department properly computed the Claimant's Food Assistance benefits (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant is a FAP recipient.
2. On November 24, 2008, the Department completed a new FAP budget which resulted in a reduction in Claimant's monthly FAP benefits from [REDACTED] to [REDACTED].
3. The June 9, 2008 FAP budget ([REDACTED] in benefits) was based on unearned income of [REDACTED] ([REDACTED] FIP, [REDACTED] SSI and [REDACTED] SSI), [REDACTED] rent and a [REDACTED] heat/utility allowance. The

November 24, 2008, FAP budget [REDACTED] in benefits) was based on unearned income of [REDACTED] ([REDACTED] FIP, [REDACTED] SSI and [REDACTED] SSI), [REDACTED] Rent and a heat/utility allowance of [REDACTED]. (Exhibits 1, 5, 6, 9)

4. Claimant's shelter verification form states that her monthly shelter obligation is [REDACTED], but she is only responsible to pay [REDACTED] (Exhibits 2,3)

5. Claimant testified that she pays [REDACTED] and offered money orders for the months of [REDACTED] and [REDACTED] and an unknown date in this amount. (Exhibits 1A, 1B and C)

6. On November 26, 2008, Claimant filed a hearing request regarding her FAP benefits.

CONCLUSIONS OF LAW

The Food Assistance Program, formerly known as the Food Stamp ("FS") program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations ("CFR"). The Department of Human Services ("DHS"), formally known as the Family Independence Agency, administers the FAP program pursuant to MCL 400.10, *et seq* and MAC R 400.3001-3015. Departmental policies are found in the Program Administrative Manual ("PAM"), the Program Eligibility Manual ("PEM"), and the Program Reference Manual ("PRM").

For FAP purposes, all earned and unearned income available to the Claimant is countable. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. Unearned income means ALL income that is not earned and includes RSDI and SSI. PEM 500

For income increases that result in a benefit decrease, action must be taken and notice issued to the client within the Standard of Promptness (FAP – 10 calendar days). PEM 505

Income decreases that result in a benefit increase must be effective no later than the first allotment issued 10 days after the date the change was reported, provided necessary verification was returned by the due date. The change should not be processed for a month earlier than the month the change occurred. A supplement may be necessary in some cases. If verification is required or deemed necessary, the household must be allowed 10 days from the date the change is reported or the date verification is requested. The change must still affect the correct issuance month i.e., the month after the month in which the 10th day after the change is reported. PEM 505

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Prospective income is income not yet received but expected. Prospective budgeting is the best estimate of the client's future income for future benefits. In some cases, the department's estimate of the client's future monthly income will not equal the actual income received however, as long as the Department uses the best available information to determine future income, and there is no concealed information or mathematical error, the Department's estimate will not be determined inaccurate. All income is converted to a monthly amount. PEM 505

All countable earned and unearned income available to the client must be considered in determining the Claimant's eligibility for program benefits. The Department must consider the gross benefit amount before any deduction, unless Department policy states otherwise. PEM 500

In the instant case, I find that the Department followed policy in computing Claimant's FAP benefits. There was no dispute regarding the income used by the Department and the more reliable evidence as to Claimant's shelter expense is the shelter verification form. Claimant is

certainly free to re-submit a corrected shelter verification form if she feels that it was completed in error.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy in computing Claimants FAP benefits.

Accordingly, the Department's FAP eligibility determination is AFFIRMED.
