HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a three-way telephone hearing was held on April 21, 2010. Claimant personally appeared and testified from her home telephone.

ISSUE

Did the department correctly determine that the claimant had a Medicaid (MA) deductible of \$599 per month?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant applied for MA and was approved in August, 2009 with a deductible of \$599 per month, due to her receipt of RSDI in the monthly amount of \$1027.

2. Department mailed the claimant a Notice of Case Action on August 24, 2009, advising her of MA approval and deductible amount.

3. Claimant requested a hearing on September 29, 2009 stating she does not have the money for medical treatment even with Medicare.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA). BEM 105.

The State of Michigan has set guidelines for income, which determine if an MA group is eligible. Income eligibility exists for the calendar month tested when:

- . There is no excess income, **or**
- . Allowable medical expenses equal or exceed the excess income (under the Deductible Guidelines). BEM 545.

Net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. BEM 105. Income eligibility exists when net income does **not** exceed the Group 2 needs in BEM 544. BEM 166. The protected income level is a set allowance for non-medical need items such as shelter, food and incidental expenses. PRT 240 lists the Group 2 MA protected income levels based on shelter area and fiscal group size. BEM 544. An eligible Medical Assistance group (Group 2 MA) has income the same as

or less than the “protected income level” as set forth in the policy contained in the Program Reference Table (PRT). An individual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA. However, a MA group may become eligible for assistance under the deductible program. The deductible program is a process, which allows a client with excess income to be eligible for MA, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group’s monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. BEM 545; 42 CFR 435.831.

In claimant’s case her protected income level is \$408 per month, and any income above this amount must be counted as her deductible. Claimant does not dispute that she receives \$1027 per month in RSDI. MA guidelines allow for a \$20 per month unearned income exclusion, which leaves claimant’s budgetable income at \$1007 per month, and therefore with an MA deductible of \$599 per month, as the department determined.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department correctly determined that the claimant has an MA deductible of \$599 per month.

Accordingly, department's action is AFFIRMED, and it is SO ORDERED.
