HEARING DECISION

The law, MCL 24.278(2); MSA 3.560(178)(2) provides that a disposition may be made of a contested case hearing by stipulation or agreed settlement. In this case, a hearing request was filed on Claimant's behalf, protesting the denial of Medical Assistance (MA) based on disability. The Department received Claimant's application for MA on March 6, 2009. Claimant requested coverage retro to December 2008. Claimant's representative stated at the administrative hearing that Claimant is protesting the denial of MA coverage for the month of December 2008, only.

On the day of the administrative hearing, the Department received verification that the Social Security Administration (SSA) approved Claimant for Retirement, Survivors, and Disability Insurance (RSDI). SSA determined that Claimant's disability onset date is October 13, 2007, and his date of initial entitlement for RSDI is April 1, 2008. Based on SSA's disability determination, the Department agreed that Claimant meets the disability standard for MA for the month of December 2008. Further,
