ADMINISTRATIVE LAW JUDGE: Steven M. Brown

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from [REDACTED] on January 7, 2010.

ISSUE

Whether the Department properly denied Claimant's application for Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

(1) On October 29, 2009 Claimant completed and filed an application for FAP benefits. (Exhibits 3-17)

(2) On October 29, 2009, the Department completed a FAP budget based on Claimant's group size and income which resulted in a monthly FAP allotment of [REDACTED]

for October 2009 and [REDACTED] for November 2009 forward due an IPV sanction beginning for Claimant on November 1, 2009. (Exhibits 18-41, 49-56)

(3) On October 29, 2009, the Department mailed Claimant a Notice of Case Action which explained that Claimant's FAP allotment for October 2009 was [REDACTED] and [REDACTED] for November 2009 forward due to excess income. (Exhibit 43-47)

(4) On November 16, 2009, the Department received the Claimant's hearing request. (Exhibit 2)

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department), administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Departmental policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Bridges Reference Manual (BRM).

For FAP purposes, all earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income means ALL income that is not earned and includes FIP, RSDI, SSI and UB. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. BEM 500

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was

already received. Prospective income is income not yet received but expected.

Prospective budgeting is the best estimate of the client's future income. BEM 505

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15.

BEM 505

In the instant case, Claimant and her boyfriend had earned and unearned income which exceeded the gross income limit for their group size which was reduced from 4 to 3 in November 2009 due to Claimant's [REDACTED] sanction. With that said, based on the testimony and documentation offered at hearing, I find that the Department established that it acted in accordance with policy in denying Claimant's FAP application.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy in denying Claimant's FAP application.

Accordingly, the Department's FAP eligibility determination is AFFIRMED, it is SO ORDERED.
