#### CONCLUSIONS OF LAW

The Family Independence program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human services (DHS or Department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependant Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference manual (PRM).

The Family Independence Program (FIP) provides temporary cash assistance to support a family's movement to self-sufficiency. The recipients of FIP engage in employment and self-sufficiency-related activities so they can become self-supporting. Federal and State laws require each work eligible individual (WEI) in the FIP group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency related activities to increase their employability and obtain stable employment. BEM 230A.

Clients must cooperate with the local office in determining initial and ongoing eligibility to provide verification. BAM 130, p. 1. The questionable information might be from the client or a third party. Id. The Department can use documents, collateral contacts or home calls to

verify information. Id. The client should be allowed 10 calendar days to provide the verification. If the client cannot provide the verification despite a reasonable effort, the time limit to provide should be extended at least once. BAM 130, p.4; BEM 702. If the client refuses to provide the information or has not made a reasonable effort within the specified time period, then policy directs that a negative action be issued. BAM 130, p. 4. Before making an eligibility determination, however, the department must give the client a reasonable opportunity to resolve any discrepancy between his statements and information from another source. BAM 130, p. 6.

JET is a program administered by the Michigan Department of Labor and Economic Growth (DLEG) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. BEM 230 A. A mandatory participant in the JET program who fails without good cause to participate in employment activity must be penalized. BEM 233(a). The penalty for the first occurrence of noncompliance in the JET program is a closure for a minimum of three calendar months under the FIP program. BEM 233(a). Good cause is a valid reason for noncompliance with employment related activities. A claim of good cause must be verified and documented for applicants, members, and recipients. BEM Manual Item 230(a), BEM Manual Item 230(b); 7 CFR Parts 272 and 273.

In the present case, Claimant was sent a verification of employment on December 10, 2009 with a December 21, 2009 due date. Claimant failed to make a reasonable effort to provide requested information by the deadline. Claimant testified that the verification of employment was submitted on December 23, 2009, two days after the deadline. Therefore the closure of Claimant's FIP benefits was proper and correct.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law decides that the Department was correct in the closure of FIP benefits and it is ORDERED that the Department's decision in this regard be and is hereby AFFIRMED. The Department agreed that Claimant did not receive an overissuance of FIP benefits.
