HEARING DECISION

This matter is before the undersigned Administrative Law Judge by authority of MCL 400.9 and MCL 400.37. Claimant's request for a hearing was received on December 15, 2009. After due notice, a telephone hearing was held on Thursday, June 24, 2010.

ISSUE

Whether the Department of Human Services (Department) properly determined the Claimant's Family Independence Program (FIP) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) The Claimant received FIP benefits until January 1, 2010.
- (2) The Department notified the Claimant of her JET assignment on October 21, 2009. Department Exhibit 4.

(3) The Claimant did not turn in documentation of her employment and educational credits to satisfy her JET requirement on October 23, 2010, or October 28, 2010. Department Exhibit 4.

(4) On November 24, 2009, the Department scheduled a triage meeting for December 4, 2009. Department Exhibit 1.

(5) On December 9, 2009, the Department notified the Claimant that her FIP benefits would be terminated as of January 1, 2010. Department Exhibit 6.

(6) The Department received the Claimant's request for a hearing on December 15, 2009, protesting the termination of her FIP benefits.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, et seq. The Department of Human Services (DHS or Department) administers the FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by DHS when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments will

be covered by the JET case manager when a mandatory JET participant is referred at application. PEM 229, p. 1.

Federal and State laws require each work eligible individual (WEI) in the FIP and RAP group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Labor and Economic Growth (DLEG) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. PEM 230A, p. 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
 - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
 - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).

- .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP).
- .. Provide legitimate documentation of work participation.
- .. Appear for a scheduled appointment or meeting related to assigned activities.
- .. Participate in employment and/or self-sufficiency-related activities.
- .. Accept a job referral.
- .. Complete a job application.
- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. PEM 233A, pp. 1-2.

The Department is required to send a DHS-2444, Notice of Employment and/or Self Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. PEM 233A, p. 9

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds

and recipients. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. PEM 233A, p. 4, 5

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. PEM 233A, p. 9

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for not less than 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for not less than 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for not less than 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties. PEM, Item 233A.

Noncompliance, without good cause, with employment requirements for FIP/RAP(SEE PEM 233A) may affect FAP if both programs were active on the date of the FIP noncompliance. PEM 233b, p. 1 The FAP group member should be disqualified for noncompliance when all the following exist:

- . The client was active both FIP and FAP on the date of the FIP noncompliance, and

- . The client did not comply with FIP/RAP employment requirements, and
- . The client is subject to a penalty on the FIP/RAP program, and
- . The client is not deferred from FAP work requirements (see DEFERRALS in PEM 230B), and
- . The client did not have good cause for the noncompliance. PEM 233B.

The Department should budget the Last FIP grant amount on the FAP budget for the number of months that corresponds with the FIP penalty (either three months for the first two noncompliances or 12 months for the third and subsequent noncompliances) after the FIP case closes for employment and/or self sufficiency-related noncompliance. The Last FIP grant amount is the grant amount the client received immediately before the FIP case closed.

On October 21, 2009, the Claimant notified the Department that her employment had changed. The Department requested that the Claimant provide verification that she was satisfying her JET assignment, which consisted of employment and education. The Claimant did not attend two scheduled appointments on October 23, 2009, and October 28, 2009, with her caseworker to evaluate her educational and employment credits towards her JET assignment. The Department scheduled a triage meeting for December 4, 2009, to give the Claimant the opportunity to establish good cause for her non-compliance with the JET program. At the conclusion of the triage meeting, the Department did not find that the Claimant had good cause for her non-compliance with the JET program, and terminated her FIP benefits as of January 1, 2010.

The Claimant argued that she did verify her employment and educational credits. The Claimant does not dispute that the Department did not receive verification of her employment

and education until October 30, 2009. Furthermore, the Department testified that the documentation the Claimant provided does not adequately verify the number of hours for her employment.

The Claimant did not offer any testimony or evidence of barriers that prevented her from complying with her JET assignment. The Claimant failed to establish good cause for her noncompliance with the JET program.

The Department determination that the Claimant did not have good cause for her non-compliance with the JET program is reasonable. The Department established that it acted in accordance with policy when it terminated the Claimant's FIP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy in determining the Claimant's FIP eligibility.

The Department's FIP eligibility determination is AFFIRMED. It is SO ORDERED.
