ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

[REDACTED]

Claimant,

Reg No: 2010-15076

Issue No: 1038

Case No: [REDACTED]

Load No: [REDACTED]

Hearing Date:

March 23, 2010

Kent County DHS

ADMINISTRATIVE LAW JUDGE: Steven M. Brown

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from [REDACTED] on March 23, 2010.

ISSUE

Whether the Department properly terminated Claimant's Family Independence Program (FIP) and Child Development and Care (CDC) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

(1) Claimant was a recipient of FIP benefits and a mandatory Work First/Jobs, Employment and Training (WF/JET) participant.

(2) On October 12, 2009, the Department was informed by WF/JET that Claimant was absent from JET activities on October 8th and 9th without documentation and was, therefore, in noncompliance with WF/JET requirements. (Exhibit 5)

(3) On October 14, 2009, the Department sent Claimant a Notice of Noncompliance which stated in pertinent part - "Records show that you have refused or failed to participate as required in employment and/or self sufficiency related activities for FIP, RAP and FAP as noted below:.....A meeting has been scheduled to give you an opportunity to report and verify your reasons for non-compliance." (Exhibit 4)

(4) On October 26, 2009, a phone triage meeting was held. Claimant informed the Department that she did not have child care for the two days she was absent. Claimant had applied for CDC benefits in July 2009. Her application was apparently approved for a period of time as payments were made to her provider, [REDACTED], in July and early August 2009 before a Bridges issue held up any further approval and/or payment. As a result, [REDACTED] continued to provide services in August and September 2009 without payment until he told Claimant in early October that he would no longer do so. Claimant, in turn, timely informed the Department of her child care issues. However, because Claimant's child care application was approved on October 14, 2009 and payment was made to [REDACTED] on October 22, 2009 which included services on October 8th and 9th, the Department determined that Claimant had no good cause at the triage. (Exhibits 2, 3, 6)

(5) On October 26, 2009, the Department mailed Claimant a Notice of Case Action which informed her that her FIP and CDC benefits had been terminated. (Exhibit 1)

(6) On November 2, 2009, the Department received Claimant's hearing request protesting the termination of her FIP and CDC benefits.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

The Child Development and Care program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department of Human Services (DHS or department) provides services to adults and children pursuant to MCL 400.14(1) and MAC R 400.5001-5015. Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by DHS when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments will

be covered by the JET case manager when a mandatory JET participant is referred at application. BEM 229, p. 1.

Federal and State laws require each work eligible individual (WEI) in the FIP and RAP group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Labor and Economic Growth (DLEG) through the [REDACTED]). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. BEM 230A, p. 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
 - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
 - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
 - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP).

- .. Provide legitimate documentation of work participation.
- .. Appear for a scheduled appointment or meeting related to assigned activities.
- .. Participate in employment and/or self-sufficiency-related activities.
- .. Accept a job referral.
- .. Complete a job application.
- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pp. 1-2.

The Department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A, p. 7-8

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A, p. 3-4

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or [REDACTED]. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A, p. 7

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for not less than 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for not less than 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for not less than 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties. BEM, p.6

In the instant case, [REDACTED] provided approximately 360 hours of services in August and September without payment before telling Claimant enough is enough. Claimant timely reported her child care issue to the Department. Perhaps, that is the reason that Claimant’s application was approved a week later, maybe it was a coincidence. Either way, while I understand the Department’s position that Claimant’s CDC provider billed his regular amount of hours for October 8th and 9th, I find that Claimant testified credibly that she did not have child care for the days in question which is a proper basis for good cause determination.

With the above said, I do not find that the Department established that it acted in accordance with policy in terminating Claimant’s FIP and CDC benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, does not find that the Department acted in accordance with policy in terminating Claimant's FIP benefits. Accordingly, the Department's FIP and CDC eligibility determination(s) are REVERSED, it is SO ORDERED. The Department shall:

- (1) Reinstate Claimant's FIP and CDC benefits retroactive to the closure date.
- (2) Issue Claimant supplemental benefits she is entitled to, if any.
- (3) Notify Claimant in writing of the Department's revised determination.
- (4) Claimant retains the right to request a hearing if she would like to contest the

Department's revised determination.
