ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF: [REDACTED],  
Claimant

Reg. No: 2010-16322  
Issue No: 1038  
Case No: [REDACTED]  
Load No: [REDACTED]  
Hearing Date:  
May 11, 2010  
Saginaw County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on May 11, 2010. The claimant personally appeared and provided testimony. It is noted that the claimant had indicated on her hearing request that she was going to have a representative assist her. However, the representative did not appear for the hearing and the claimant requested to proceed without her.

ISSUES

1. Did the department properly determine the claimant's Family Independence Program (FIP) case should be closed for Work First/Jobs, Education and Training (WF/JET) program noncompliance in December, 2009?

2. Did the department properly determine the claimant should be sanctioned from the Food Assistance Program (FAP) group for the FIP noncompliance?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant was a mandatory WF/JET participant. The claimant was a no call/no show for WF/JET from November 6, 2009 through December 3, 2009. (Department Exhibit 5)

2. On November 2, 2009, the claimant was mailed a Medical Determination Verification Checklist (DHS-3503-MRT), which requested her to provide completed medical reports (which were included) and return them to the department by November 12, 2009. (Department Exhibit 4)

3. The claimant was mailed a Notice of Noncompliance (DHS-2444) on December 11, 2009, scheduling a triage appointment for December 22, 2009. (Department Exhibit 1 – 2)

4. The claimant participated in the triage by telephone and stated that her psychiatrist told her that she didn't have to attend WF/JET. The department explained to the claimant that she did not return the medical forms to justify a deferral. No good cause was granted. (Department Exhibit 3)

5. The claimant was mailed a Notice of Case Action (DHS-1605) on December 28, 2009, that informed the claimant her FIP benefits were terminating and that she would be disqualified from the FAP group due to the noncompliance. (Department Exhibit 7 -11)

6. The claimant submitted a hearing request on January 8, 2010.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Department policy states:

**DEPARTMENT PHILOSOPHY**

**FIP**

DHS requires clients to participate in employment and self-sufficiency-related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency-related assignments

and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

## **DEPARTMENT POLICY**

### **FIP**

A Work Eligible Individual (WEI), see BEM 228, who fails, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

See BEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see BEM 233C. BEM 233A, p. 1.

### **NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELF-SUFFICIENCY-RELATED ACTIVITIES**

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
  - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
  - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
  - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
  - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.
  - .. Appear for a scheduled appointment or meeting related to assigned activities.

- .. Provide legitimate documentation of work participation.
- .. Participate in employment and/or self-sufficiency-related activities.
- .. Accept a job referral.
- .. Complete a job application.
- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pp. 1-2.

### **GOOD CAUSE FOR NONCOMPLIANCE**

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. Document the good cause determination in Bridges and the FSSP under the “Participation and Compliance” tab.

See “School Attendance” BEM 201 for good cause when minor parents do not attend school.

### **Employed 40 Hours**

#### **Client Unfit**

#### **Good cause includes the following:**

- . The person is working at least 40 hours per week on average and earning at least state minimum wage.
- . The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable

information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

### **Illness or Injury**

The client has a debilitating illness or injury, or an immediate family member's illness or injury requires in-home care by the client.

### **Reasonable Accommodation**

The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability. BEM 233A, pp. 3-4.

### **No Child Care**

The client requested Child Day Care Services (CDC) from DHS, the MWA, or other employment services provider prior to case closure for noncompliance and CDC is needed for a CDC-eligible child, but none is appropriate, suitable, affordable and within reasonable distance of the client's home or work site.

- . **Appropriate.** The care is appropriate to the child's age, disabilities and other conditions.
- . **Reasonable distance.** The total commuting time to and from work and child care facilities does not exceed three hours per day.
- . **Suitable provider.** The provider meets applicable state and local standards. Also, providers (e.g., relatives) who are NOT registered/licensed by the DHS Office of Child and Adult Services must meet DHS enrollment requirements for day care aides or relative care providers. See PEM 704.
- . **Affordable.** The child care is provided at the rate of payment or reimbursement offered by DHS.

### **No Transportation**

The client requested transportation services from DHS, the MWA, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.

**Illegal Activities**

The employment involves illegal activities.

**Discrimination**

The client experiences discrimination on the basis of age, race, disability, gender, color, national origin, religious beliefs, etc. BEM 233A, p. 4.

**Unplanned Event or Factor**

Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to the following:

- . Domestic violence.
- . Health or safety risk.
- . Religion.
- . Homelessness.
- . Jail.
- . Hospitalization.

**Comparable Work**

The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.

**Long Commute**

Total commuting time exceeds:

- . Two hours per day, NOT including time to and from child care facilities, **or**
- . Three hours per day, including time to and from child care facilities. BEM 233A, pp.4-5.

**EFIP**

EFIP unless noncompliance is job quit, firing or voluntarily reducing hours of employment.

### **NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS**

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

### **TRIAGE**

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirement within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box “Client Agreed by Phone”. Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

If the FIS, JET case manager, or MRS counselor do not agree as to whether “good cause” exists for a noncompliance, the case must be forwarded to the immediate supervisors of each party involved to reach an agreement.

DHS must be involved with all triage appointment/phone calls due to program requirements, documentation and tracking.

**Note:** Clients not participating with JET must be scheduled for a “triage” meeting between the FIS and the client. This does not include applicants. BEM 233A, p. 7.

### **Good Cause Established**

If the client establishes good cause within the negative action period, do **NOT** impose a penalty. See “Good Cause for Noncompliance” earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the “Participation and Compliance” tab.

### **Good Cause NOT Established**

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. BEM 233A, pp. 10-11.

### **When to Disqualify**

- . Disqualify a FAP group member for noncompliance when:
- . The client was active both FIP and FAP on the date of the FIP noncompliance, and
- . The client did not comply with FIP employment requirements, and

- The client is not deferred from FAP work requirements (see DEFERRALS in PEM 230B), and the client did not have good cause for the noncompliance. PEM 233B, p. 1.

Noncompliance is defined by department policy as failing or refusing to do a number of activities, such as attending and participating with WF/JET, completing the FAST survey, completing job applications, participating in employment or self-sufficiency-related activities, providing legitimate documentation of work participation, etc. BEM 233A. In this case, the claimant does not dispute that she was noncompliant with WF/JET program requirements. The claimant admits that she did not attend WF/JET after November 6, 2009.

The claimant indicates that she believes she had good cause for her noncompliance. Good cause is defined as a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. BEM 233A. The claimant indicates that she has disabilities that prevent her from working with WF/JET.

The department was aware the claimant was indicating that she had medical issues. This is the reason the department mailed the claimant a Medical Determination Verification Checklist, along with the Medical Examination Report (DHS-49), Psychiatric/Psychological Examination Report (DHS-49D), a Medical Needs form (DHS-54) and the Authorization to Release Protected Health Information (DHS-1555). The claimant was to have her physician complete the forms and return to DHS by November 12, 2009. The form directs the claimant to call the department if she is unable to obtain the forms by the due date or if she has any problems in getting the forms completed.

The claimant did not call the department and request an extension or ask for assistance in getting the forms completed. The claimant testified in the hearing that her doctor's office kept

telling her that they wouldn't complete the forms, because she had incorrect forms. It is unclear why the physician's office would dispute the forms when they are official DHS forms, required for any medical determinations. However, the claimant did not provide any other type of medical verification either. The original request for medical documentation was mailed to the claimant on November 2, 2009. The department did not triage the claimant until December 22, 2009, and the negative action wasn't pended until December 28, 2009. This gave the claimant almost two months to provide the required medical documentation. The claimant failed to provide any evidence of a disability prohibiting her participation with WF/JET.

Thus, this Administrative Law Judge does not find that the claimant ever provided any evidence of a good cause reason for FIP noncompliance.

The claimant's FAP benefits were also reduced due to the FIP noncompliance. Department policy directs the department to disqualify a group member when they are active FIP and FAP and do not meet any of the deferral reasons. BEM 233B. The claimant was noncompliant with WF/JET requirements without good cause and has no basis for a FAP deferral. Thus, the department properly sanctioned her from the FAP program group.

#### DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly determined:

1. The claimant was noncompliant with WF/JET program requirements without good cause and properly determined her FIP case should be terminated.
2. The claimant should be sanctioned from the Food Assistance Program (FAP) group for the FIP noncompliance.

Accordingly, the department's actions are UPHELD. SO ORDERED.
