#### CONCLUSIONS OF LAW

The Medical Assistance (MA-P) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department administers the MA-P program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In order to receive MA benefits based upon disability or blindness, a claimant must be disabled or blind as defined in Title XVI of the Social Security Act (20 CFR 416.901). The Department, being authorized to make such disability determinations, utilizes the SSI definition of disability when making medical decisions on MA applications. MA-P (disability) also known as Medicaid, is a program designated to help public assistance claimants pay their medical expenses.

The law defines disability as the inability to do substantial gainful activity (SGA) by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months. 20 CFR 416.905.

Because disability must be determined on the basis of medical evidence, Federal regulations have delineated a set order entailing a sequential step process for evaluating physical or mental impairments. When a claimant is found either disabled or not disabled at any point in the process, the claimant is not considered further.

Addressing the following steps:

The first sequential step to be considered is whether the claimant can perform Substantial Gainful Activity (SGA) defined in 20 CFR 416.920(b). In this case, Claimant is working up to 30 hours a week earning \$8 an hour. Claimant is also attending college full-time, 3 days a week up to 5 hours each day. Claimant stated he was not disabled during the hearing and he would be capable of working a sedentary position for additional hours beyond the 30 hours he is currently working.

It is the finding of the undersigned, based upon the evidence presented, that Claimant is not “disabled” at the first step. Claimant is capable of SGA.

DECISION AND ORDER

The Administrative Law Judge, based on the findings of fact and conclusions of law, decides that Claimant is not “disabled” for purposes of the Medical Assistance program.

It is ORDERED; the Department’s determination in this matter is AFFIRMED
