CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department), administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Departmental policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Bridges Reference Manual (BRM).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law

104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

The Child Development and Care program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department of Human Services (DHS or department) provides services to adults and children pursuant to MCL 400.14(1) and MAC R 400.5001-5015. Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

Clients must cooperate with the local office in determining initial and ongoing eligibility. This includes the completion of necessary forms. BAM 105, p. 5 Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. BAM 130, p.1 Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as local office option or information regarding an eligibility factor is unclear, inconsistent, incomplete or contradictory. BAM 130, p.1 The Department uses documents, collateral contacts or home calls to verify information. BAM 130, p.1 A collateral contact is a direct contact with a person, organization or agency to verify information from the client. BAM 130, p. 2 When documentation is not available, or clarification is needed, collateral contact may be necessary. BAM 130, p. 2

Clients are allowed 10 calendar days (or other time limit specified in policy) to provide the verifications requested by the Department. BAM 130, p. 4 If the client cannot provide the verification despite a reasonable effort, the time limit should be extended no more than once. BAM 130, p. 4 A negative action notice should be sent when the client indicates a refusal to provide the verification or the time period provided has lapsed and the client has not made a reasonable effort to provide it. BAM 130, p.4

In the instant case, Claimant failed to appear for one appointment, called and rescheduled another appointment and then did not bring the required income verification to a third appointment over the 30 day period preceding her case (s) closing. She testified that she faxed her income verification to the Department shortly after her case closed, but the Department has no record of it.

With the above said, I do not find that Claimant made a reasonable effort to provide the requested verification. The Department established that it acted in accordance with policy in terminating Claimant's FAP, FIP, MA and CDC benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy in terminating Claimant's FAP, FIP, MA and CDC benefits. Accordingly, the Department's FAP, FIP, MA and CDC eligibility determination(s) are AFFIRMED, it is SO ORDERED.
