ADMINISTRATIVE HEARINGS FOR THE DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Claimant

Reg. No:2010-228Issue No:1038Case No:1038Load No:1038Hearing Date:1000October 28, 20091000Lenawee County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on October 28, 2009. The claimant personally appeared and provided testimony, along

with , his mother.

ISSUE

Did the department properly determine the claimant's Family Independence Program (FIP) case should be closed for Work First/Jobs, Education and Training (WF/JET) program noncompliance in September, 2009?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

 The claimant signed the Work and/or Self-Sufficiency Rules for Cash Recipients (DHS-1538) on June 12, 2009. (Department Exhibit 11).

2010-228/SLK

2. The claimant was mailed a JET Appointment Notice (DHS-4785) on July 2, 2009, scheduling his JET appointment for July 6, 2009. (Department Exhibit 10).

3. The claimant did attend the WF/JET orientation on July 6, 2009. The claimant reported that he was enrolled at JCC as a full-time student. WF/JET informed the claimant to bring in a copy of his registration and letter with his anticipated graduation date. (Department Exhibit 8 - 9).

4. The claimant turned in attendance sheets for the weeks of July 6 and July 13, 2009, but did not submit hours from the weeks of July 24 or July 31, 2009. WF/JET called and left a message for the claimant on August 7, 2009, indicating he needed to turn in the attendance sheets by Monday (August 10, 2009).

5. On August 26, 2009, WF/JET had not received any more attendance sheets and requested a triage for the claimant. (Department Exhibit 8).

6. The claimant was mailed a Notice of Noncompliance (DHS-2444) on September 3, 2009, scheduling a triage appointment for September 9, 2009.

(Department Exhibit 6 – 7).

7. The claimant did not attend the triage appointment and no good cause was found for the claimant's noncompliance. (Department Exhibit 5).

8. The claimant was mailed a Notice of Case Action (DHS-1605) on September 9, 2009, informing the claimant that his FIP case was closing and he would be sanctioned as this was his second noncompliance. The claimant submitted a hearing request on September 14, 2009.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193,

2

8 USC 601, et seq. The Department of Human Services (DHS or department) administers the

FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program

replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department

policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual

(BEM) and the Bridges Reference Manual (BRM).

Department policy states:

DEPARTMENT PHILOSOPHY

FIP

DHS requires clients to participate in employment and selfsufficiency-related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency-related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

DEPARTMENT POLICY

FIP

A Work Eligible Individual (WEI), see <u>BEM 228</u>, who fails, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

See <u>BEM 233B</u> for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see <u>BEM 233C</u>. BEM 233A, p. 1.

NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELF-SUFFICIENCY-RELATED ACTIVITIES

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- Failing or refusing to:
 - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
 - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
 - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.
 - . Appear for a scheduled appointment or meeting related to assigned activities.
 - .. Provide legitimate documentation of work participation.
 - .. Participate in employment and/or self-sufficiencyrelated activities.
 - .. Accept a job referral.
 - .. Complete a job application.
 - .. Appear for a job interview (see the exception below).
 - Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pp. 1-2.

GOOD CAUSE FOR NONCOMPLIANCE

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. Document the good cause determination in Bridges and the FSSP under the "Participation and Compliance" tab.

See "School Attendance" BEM 201 for good cause when minor parents do not attend school.

Employed 40 Hours

Client Unfit

Good cause includes the following:

- The person is working at least 40 hours per week on average and earning at least state minimum wage.
- The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiencyrelated activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

Illness or Injury

The client has a debilitating illness or injury, or an immediate family member's illness or injury requires in-home care by the client.

Reasonable Accommodation

The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability. BEM 233A, pp. 3-4.

No Child Care

The client requested Child Day Care Services (CDC) from DHS, the MWA, or other employment services provider prior to case closure for noncompliance and CDC is needed for a CDC-eligible child, but none is appropriate, suitable, affordable and within reasonable distance of the client's home or work site.

- **Appropriate.** The care is appropriate to the child's age, disabilities and other conditions.
- **Reasonable distance.** The total commuting time to and from work and child care facilities does not exceed three hours per day.
- **Suitable provider.** The provider meets applicable state and local standards. Also, providers (e.g., relatives) who are NOT registered/licensed by the DHS Office of Child and Adult Services must meet DHS enrollment requirements for day care aides or relative care providers. See PEM 704.
- **Affordable.** The child care is provided at the rate of payment or reimbursement offered by DHS.

No Transportation

.

The client requested transportation services from DHS, the MWA, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.

Illegal Activities

The employment involves illegal activities.

Discrimination

The client experiences discrimination on the basis of age, race, disability, gender, color, national origin, religious beliefs, etc. BEM 233A, p. 4.

Unplanned Event or Factor

Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to the following:

- Domestic violence.
- . Health or safety risk.
- . Religion.
- . Homelessness.

. Jail.

Hospitalization.

Comparable Work

The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.

Long Commute

Total commuting time exceeds:

- Two hours per day, NOT including time to and from child care facilities, **or**
- Three hours per day, including time to and from child care facilities. BEM 233A, pp.4-5.

EFIP

EFIP unless noncompliance is job quit, firing or voluntarily reducing hours of employment.

NONCOMPLIANCE PENALTIES FOR ACTIVIE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in "First Case Noncompliance Without Loss of Benefits" below.
- For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

TRIAGE

JET participants will not be terminated from a JET program without first scheduling a "triage" meeting with the client to jointly

discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirement within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box "Client Agreed by Phone". Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

If the FIS, JET case manager, or MRS counselor do not agree as to whether "good cause" exists for a noncompliance, the case must be forwarded to the immediate supervisors of each party involved to reach an agreement.

DHS must be involved with all triage appointment/phone calls due to program requirements, documentation and tracking.

Note: Clients not participating with JET must be scheduled for a "triage" meeting between the FIS and the client. This does not include applicants. BEM 233A, p. 7.

Good Cause Established

If the client establishes good cause within the negative action period, do **NOT** impose a penalty. See "<u>Good Cause for</u> <u>Noncompliance</u>" earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the "Participation and Compliance" tab.

Good Cause NOT Established

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best

information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. BEM 233A, pp. 10-11.

Noncompliance is defined by department policy as failing or refusing to do a number of activities, such as attending and participating with WF/JET, completing the FAST survey, completing job applications, participating in employment or self-sufficiency-related activities, providing legitimate documentation of work/school participation, etc. BEM 233A. In this case, the claimant disputes that he was noncompliant with WF/JET program requirements. The claimant indicates that he turned in his participation hours by fax, as he was told he could do so.

The claimant also testified that he didn't receive the triage letter until the Thursday after the triage was held (September 10, 2009). It seems odd that local mail would take five business days to get to the claimant. However, even if this is true, the claimant should have called the department to attempt to reschedule the triage or provide documentation showing he was compliant or to show good cause for any noncompliance. The Notice of Noncompliance specifically states "[i]f you verify good cause, your FIP, RAP and/or FAP case will not close or be reduced. You have until 9/14/09 to demonstrate good cause for non-compliance." So, even if the claimant did not receive the Notice of Noncompliance until September 10, 2009, he still had four days to contact his worker and provide documentation of participation or good cause.

The record was left open to allow the department caseworker to go through her telephone log to determine if/when the claimant called about his case. The department caseworker went through her messages and phone contacts and there was no contact from the claimant until October 14, 2009, when he inquired about his cash assistance being closed (see Department Exhibit 12). There were no messages or telephone contacts prior to this.

The record was also left open for the claimant to submit any documentation showing the attendance sheets were faxed to the department. The claimant submitted two sheets titled

9

"attendance verification". The first indicates it covers the period of July 20 – July 25, 2009 and the second indicates it covers the period of July 27 – August 1, 2009. However, there is no documentation that the department was faxed these attendance verifications. If the claimant had faxed the documents as he states, he should have been provided with a verification sheet showing the fax went through, where it went to and the date/time it went through. There are no fax verification sheets for either week.

Considering the above, it appears that the claimant was noncompliant with his WF/JET requirements. No evidence has been provided showing the department ever received the material. Further, it does not appear that the claimant ever contacted WF/JET or DHS to attempt to correct any issues, whenever he became aware of them. The claimant disputes that he was noncompliant and did not submit any testimony or evidence of any good cause reasons.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly determined the claimant was noncompliant with WF/JET program requirements without good cause and properly determined his FIP case should be terminated.

Accordingly, the department's actions are UPHELD. SO ORDERED.
