ADMINISTRATIVE HEARINGS FOR THE DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Claimant

Reg. No: 2010-24294

Issue No: 3052

Case No:

Load No: Hearing Date:

March 31, 2010 Iosco County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on March 31, 2010. The claimant personally appeared and provided testimony, along with his wife,

ISSUE

Did the claimant receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant was receiving FAP benefits when his step-daughter moved out of the home on January 19, 2010 and needed to be removed from the program group.

- 2. The BRIDGES computer system requires a department staff member to remove the departing program group member from two places, in the individual section and also for the living arrangement section. The department removed the claimant's step-daughter from the individual section, but not the living arrangement section.
- 3. The step-daughter applied for her own benefits in January, 2010. When the step-daughter's rent expense was budgeted, the BRIDGES system automatically included it in the claimant's budget because the living arrangement section had not been changed to reflect the step-daughter leaving the program group. Thus, the claimant's FAP was budgeted with \$875 in housing costs, which cause a supplement of \$135 to be issued to the claimant. (Department Exhibit 1-4).
- 4. Once the department worker realized the mistake, the error was corrected and the claimant's step-daughter's rent expense was removed from the claimant's FAP budget. This showed the proper rent expense for the claimant of \$425. (Department Exhibit 6 8).
- 5. The claimant was mailed a Notice of Overissuance or Recoupment Action (DHS-4358) on February 18, 2010, informing the claimant that the \$135 FAP supplement had been issued in error.
 - 6. The claimant submitted a hearing request on March 3, 2010.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Program

Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Department policy states:

BENEFIT OVERISSUANCES

DEPARTMENT POLICY

All Programs

When a client group receives more benefits than they are entitled to receive, DHS must attempt to recoup the overissuance (OI). This item explains OI types and standard of promptness. PAM, Item 700, p. 1.

Definitions

The **Automated Recoupment System (ARS)** is part of CIMS that tracks all FIP, SDA and FAP OIs and payments, issues automated collection notices and triggers automated benefit reductions for action programs.

Overissuance Type identifies the cause of an overissuance.

Recoupment is a DHS action to identify and recover a benefit overissuance. PAM 700, p. 1.

PREVENTION OF OVERISSUANCES

All Programs

DHS must inform clients of their reporting responsibilities and act on the information reported within the standard of promptness. PAM 700, p. 2.

During eligibility determination and while the case is active, clients are repeatedly reminded of reporting responsibilities, including:

- . Acknowledgments on the application forms, and
- Explanation at application/redetermination interviews, and
- Client notices and program pamphlets.

DHS must prevent OIs by following PAM 105 requirements and by informing the client or authorized representative of the following:

- Applicants and recipients are required by law to give complete and accurate information about their circumstances.
- Applicants and recipients are required by law to promptly notify DHS of any changes in circumstances within 10 days.
- Incorrect, late reported or omitted information causing an OI can result in cash repayment or benefit reduction.
- A timely hearing request can delete a proposed benefit reduction. The client must repay the OI if:
 - .. the hearing request is later withdrawn, or
 - .. the State Office of Administrative Hearings and Rules (SOAHR) denies the hearing request, **or**
 - .. the client or administrative hearing representative fails to appear for the hearing and SOAHR gives DHS written instructions to proceed, **or**
 - .. the hearing decision upholds the department's actions.

See PAM 600

Record on the application the client's comments and/or questions about the above responsibilities. PAM 700, p. 2.

OVERISSUANCE TYPES

Department Error

All Programs

A department error OI is caused by incorrect action (including delayed or no action) by DHS staff or department processes. Some examples are:

- . Available information was not used or was used incorrectly
- Policy was misapplied
- . Action by local or central office staff was delayed
- . Computer or machine errors occurred
- . Information was not shared between department divisions (services staff, Work First agencies, etc.)
- Data exchange reports were not acted upon timely (Wage Match, New Hires, BENDEX, etc.)

If unable to identify the type of OI, record it as a department error.

FIP, SDA, CDC, and FAP

Department error OIs are not pursued if the estimated OI amount is less than \$125 per program.

Exception: There is no threshold limit on CDC **system** errors. RRS in central office will recoup these types of overissuances.

FIP, SDA and FAP Only

Note: The department error threshold was lowered to \$125 effective March 1, 2010 and retroactive back to August 1, 2008.

FIP and SDA Only

Treat an OI due to excess assets as a department error **unless** IPV caused it.

CDC Only

CDC department errors and CDC provider department errors must be pursued beginning October 1, 2006. If the CDC department error OI period included the month of October 2006, include the months previous to October 2006 when determining the OI amount.

Note: Department errors will be assigned to the provider or the client depending on the type of department error that occurred. See PAM 705 for examples.

MA, SER and ESS Only

Recoupment of department error OIs are not pursued. PAM 700, pp. 3-4.

Client Error

All Programs

A **client error** OI occurs when the client received more benefits than they were entitled to because the client gave incorrect or incomplete information to the department.

A client error also exists when the client's timely request for a hearing results in deletion of a DHS action, **and**

- . The hearing request is later withdrawn, or
- . SOAHR denies the hearing request, or
- . The client or administrative hearing representative fails to appear for the hearing and SOAHR gives DHS written instructions to proceed, **or**
- The hearing decision upholds the department's actions. See PAM 600. PAM Item 700, p. 5.

OVERISSUANCE THRESHOLD

FIP, SDS, CDC and FAP Only

Department error OIs are not pursued if the estimated OI amount is less than \$125 per program.

Client error OIs are not established if the OI amount is less than \$125, unless:

- . the client or provider is active for the OI program, or
- the OI is a result of a Quality Control (QC) audit finding. PAM 700, p. 7.

The OI period is January, 2010. During this time, the department made an error and did not remove the claimant's step-daughter from the claimant's program group. When the claimant's step-daughter submitted her rent expense, the error added it to the claimant's rent

2010-24294/SLK

expense. This caused a \$135 supplement to be issued to the claimant due to the error. The \$135

should not have been issued to the claimant.

Department policy provides that a client error OI will be pursued if the amount of the OI

is \$125 or more. PAM 700. A department error OI will be pursued if the amount of the OI is

\$125 or more. PAM 700. In this case, the amount of the OI is \$135, so it will be recouped

whether it is client error or department error.

In this case, the department indicates there is no client error. The error was clearly a

department error when the step-daughter was not removed from all areas of the claimant's FAP

case. The \$125 threshold for department error is met. Thus, the \$135 that was overissued to the

claimant must be recouped.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions

of law, decides that the department properly determined there was an OI of \$135 in January,

2010 and that the department is entitled to recoup this amount from the claimant.

Accordingly, the department's decision is UPHELD. SO ORDERED.
