HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, an in-person hearing was held April 20, 2010. Claimant was represented by [REDACTED] of [REDACTED]

ISSUE

Did the Department of Human Services (DHS) properly deny claimant's Medical Assistance (MA-P)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) On 10/22/09 claimant applied for MA-P with the Michigan DHS.
- (2) Claimant applied for two months of retro MA.
- (3) On 12/15/09 the MRT denied.
- (4) On 12/21/09 the DHS issued notice.

(5) On 3/31/09 claimant filed a hearing request.

(6) Claimant has been denied SSI by the Social Security Administration (SSA).

Claimant has had a final determination by SSA. Claimant testified that he alleged the same medical impairments as those alleged with the current application with the Michigan DHS. None of the exceptions apply. Claimant testified that he received a final determination from SSA in the last year.

(7) On 4/26/10 the State Hearing Review Team (SHRT) denied claimant

(8) As of the date of application, claimant was a 45-year-old male standing 5'9" tall and weighing 220 pounds. Claimant is classified as obese under the Medical BMI Index.

(9) Claimant does not have an alcohol/drug abuse problem or history. Claimant does not smoke.

(10) Claimant does not have a driver's license and has never obtained one.

(11) Claimant is not currently working. Claimant's work history is unskilled.

(12) Claimant alleges disability on the basis of hypertension and coronary artery disease.

(13) The 4/26/10 SHRT decision is adopted and incorporated by reference herein.

#### CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Prior to any substantive review, jurisdiction is paramount. Applicable to the case herein, policy states:

#### **Final SSI Disability Determination**

SSA's determination that disability or blindness does **not** exist for SSI purposes is **final** for MA if:

- . The determination was made after 1/1/90, **and**
- . No further appeals may be made at SSA, **or**
- . The client failed to file an appeal at any step within SSA's 60-day limit, **and**
- . The client is **not** claiming:
  - .. A totally different disabling condition than the condition SSA based its determination on, **or**
  - .. An additional impairment(s) or change or deterioration in his condition that SSA has **not** made a determination on.

Eligibility for MA based on disability or blindness does **not** exist once SSA's determination is **final**. PEM, Item 260, pp. 2-3.

Relevant federal regulations are found at 42 CFR Part 435. These regulations provide: "An SSA disability determination is binding on an agency until the determination is changed by the SSA." 42 CFR 435.541(a)(b)(i). These regulations further provide: "If the SSA determination is changed, the new determination is also binding on the agency." 42 CFR 435.541(a)(b)(ii).

In this case, there is apparently no dispute relative to the facts. Claimant's claim was considered by SSA and benefits denied. The determination was final. Claimant is alleging the same impairments. None of the exceptions apply.

For these reasons, under the above-cited policy and federal law, this Administrative Law Judge has no jurisdiction to proceed with a substantive review. The department's denial must be upheld.

As noted above, should the SSA change its determination, then the new determination would also be binding on the DHS.

In the alternative, should the sequential analysis be applied, the undersigned Administrative Law Judge would concur with the findings and conclusions of the SHRT decisions in finding claimant not disabled under federal law and state policy.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department's actions were correct.

Accordingly, the department's determination in this matter is upheld.
