HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on April 22, 2010. Claimant personally appeared and testified. Also appearing and testifying on claimant's behalf was his mother [REDACTED]

ISSUE

Did the department properly deny claimant's June 30, 2009 Medicaid (MA), retroactive MA and State Disability Assistance (SDA) application, finding he lacks a legally disabling condition?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant applied for MA, retroactive MA and SDA on June 30, 2009.

2. On January 15, 2010 department's Medical Review Team determined that the claimant was not disabled for MA and SDA eligibility purposes.

3. On January 21, 2010 department sent the claimant an Application Eligibility Notice denying his MA and SDA application.

4. Claimant requested a hearing on February 16, 2010.

5. On March 31, 2010 department's State Hearing Review Team (SHRT) also determined that the claimant was not disabled.

6. Claimant presented additional medical information following the hearing. This information was forwarded to SHRT for additional review.

7. On June 11, 2010 SHRT advised that the claimant has been approved for Social Security disability benefits on June 10, 2010 per enclosed SSA Administrative Law Judge's decision, with a September 1, 2008 disability onset.

8. SHRT therefore approved claimant's MA/retro MA effective January 1, 2009, and also approved SDA.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (RFT).

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R

400.3151-400.3180. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (RFT).

In Michigan, the SSA's determination of disability onset is established for MA and SDA eligibility purposes. In the present case, evidence of the favorable SSA decision established that the claimant met the federal disability standard necessary to qualify for MA and SDA pursuant to PEM 260 and 261.

The SSA determined claimant has been disabled since September 1, 2008. Consequently, the department must reverse its MA and SDA denial, and process claimant's disputed application in accordance with department policy.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department erred in determining claimant is not disabled.

Accordingly, department's action is REVERSED. Department shall:

1. Process claimant's disputed MA and SDA June 30, 2009 application and issue him any benefits he was entitled to but did not receive, if he is otherwise eligible to receive them (i.e. meets all of the other required eligibility criteria).
2. If eligible, grant the claimant retroactive MA coverage effective January 1, 2009, per SHRT decision.
3. Consider any retroactive SSA benefits claimant may receive for the same period of time of the SDA application, to avoid duplicative issuance of benefits, as the claimant would not be eligible for SDA benefits during the period of time covered by SSA benefits.
4. Notify the claimant of this determination in writing.
5. No medical review is needed due to the claimant's SSA approval.

SO ORDERED.
