Issue No.: 2000

Case No.:

[REDACTED]

Load No.:

Hearing Date:

May 20, 2010

Wayne County DHS

ADMINISTRATIVE LAW JUDGE: Jeanne M. VanderHeide

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon the Claimant's request for hearing submitted on August 13, 2009 and December 30, 2009. After due notice, an in-person hearing was conducted in Wayne County, Michigan on May 20, 2010. The Claimant was represented by [REDACTED], of [REDACTED], [REDACTED]. [REDACTED], FIM appeared on behalf of the Department.

ISSUE

Whether the Department properly registered and processed Claimant's June 17, 2009 Medical Assistance Program ("MA-P") benefit application?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant applied for MA benefits on 6/17/09 with retroactive benefits applied for through March, 2009.

2. Claimant was receiving Adult Medical Program (AMP) benefits but the MA application was never submitted to MRT for processing.
3. At the hearing, the Department agreed to reopen Claimant's MA application and submit to MRT for processing once medical support documents were received from Claimant.
4. As a result of this agreement, Claimant indicated that he no longer wished to proceed with the hearing and the settlement alone was placed on the record.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference (RFT).

Under Bridges Administrative Manual Item 600, clients have the right to contest any agency decision affecting eligibility or benefit levels whenever they believe the decision is illegal. The agency provides an Administrative Hearing to review the decision and determine if it is appropriate. Agency policy includes procedures to meet the minimal requirements for a fair hearing. Efforts to clarify and resolve the client's concerns start when the agency receives a hearing request and continues through the day of the hearing.

In the present case the Department has agreed to reopen Claimant's MA application and to send to MRT for processing once it receives medical documentation from Claimant. As a result of this agreement, Claimant indicated via representative that he no longer wished to proceed with the hearing. Since the Claimant and the Department have come to an agreement it

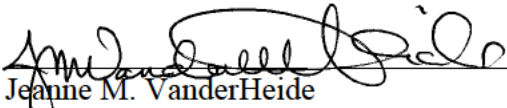

is unnecessary for this Administrative Law Judge to make a decision regarding the facts and issues in this case.

DECISION AND ORDER

The Administrative Law Judge, based upon the findings of fact and conclusions of law, finds that the Department and Claimant have come to a settlement regarding claimant's request for a hearing.

Accordingly it is ORDERED

1. The Department shall reopen Claimant's MA application, accept medical documentation to be submitted by Claimant and forward a medical packet to MRT for processing of Claimant's 7/22/09 MA application.
