Issue No: 1038

Case No: [REDACTED]

Load No: [REDACTED]

Hearing Date:

St. Clair County DHS

ADMINISTRATIVE LAW JUDGE: Gary F. Heisler

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on May 18, 2010. Claimant appeared and testified.

ISSUE

Did the Department of Human Services properly sanction Claimant's Family Independence Program (FIP) case for failure to participate in employment and/or self-sufficiency related activities?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) Claimant was an ongoing recipient of Family Independence Program (FIP) benefits. Claimant was a mandatory 20 hour per week participant in the Michigan Works Agency/Jobs Education and Training Program (JET).

(2) On September 11, 2009, Claimant was scheduled to begin community service work for 20 hours per week beginning September 14, 2009. Claimant received and signed for instructions and requirements of the community service participation.

(3) For the week beginning September 14, 2009, Claimant received credit for fourteen and one half hours of community service.

(4) On September 14, 2009, Claimant received credit for four hours of community service participation.

(5) On September 15, 2009, Claimant's second day of community service, Claimant accused another person at the community service site of stealing her cigarettes. Claimant spoke with two of the site's managers, was signed out and left the community service site. Claimant received credit for two hours of participation.

(6) On September 16, 2009, Claimant received credit for three and one half hours of participation. Also on this date the community service site contacted the Jobs Education and Training Program (JET) and reported Claimant must be removed from the site due to inappropriate behavior.

(7) On September 17, 2009, Claimant did not go to the community service site.

(8) On September 18, 2009, Claimant received credit for five hours of participation at the community service site. Claimant was also sent a Notice of Non-Compliance (DHS-2444). The notice scheduled a triage meeting for September 24, 2009.

(9) On September 24, 2009, Claimant participated in the scheduled triage meeting. The Department determined there was no good cause for Claimant's failure to participate in employment and/or self-sufficiency related activities.

(10) On October 14, 2009, Claimant was sent a Notice of Case Action (DHS-1605)

stating her Family Independence Program (FIP) case would close.

(11) On October 22, 2009, Claimant submitted a timely hearing request.

### CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (formerly known as the Family Independence Agency) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy provides the following guidance for case workers. The Department's policies are available on the internet through the Department's website.

### **FAILURE TO MEET EMPLOYMENT AND/OR SELSUFFICIENCY-RELATED REQUIREMENTS: FIP**

#### **DEPARTMENT PHILOSOPHY**

#### **FIP**

DHS requires clients to participate in employment and self-sufficiency related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

## **DEPARTMENT POLICY**

### **FIP**

All Work Eligible Individual (WEI) and adult non-WEIs (except ineligible grantees, clients deferred for lack of child care (DC) and disqualified aliens), see [BEM 228](#), who fail, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized. Depending on the case situation, penalties include the following:

- Delay in eligibility at application.
- Ineligibility (denial or termination of FIP with no minimum penalty period).
- Case closure for a minimum of three or 12 months.

See [BEM 233B](#) for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see [BEM 233C](#).

### **NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELFSUFFICIENCYRELATED ACTIVITIES**

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities.

**Noncompliance** of applicants, recipients, or member adds means doing **any** of the following **without** good cause:

**Exception:** Do not apply the three or 12 month penalty to ineligible caretakers, clients deferred for lack of child care (DC) and disqualified aliens. Failure to complete a FAST or FSSP results in closure due to failure to provide requested verification.

Clients can reapply at any time.

- Failing or refusing to:
  - Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.

- Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.

**Note:** FIS should clear the FAST Fall Out Report and any FAST confirmation information the client has obtained before considering a client noncompliant for FAST non-completion.

- Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).

**Note:** FIS must have scheduled a FSSP completion appointment with the client and the client failed to attend before considering a client noncompliant for FSSP non-completion.

- Comply with activities assigned to on the Family Self Sufficiency Plan (FSSP) or PRPFC.
- Provide legitimate documentation of work participation.
- Appear for a scheduled appointment or meeting.
- Participate in employment and/or self-sufficiency-related activities.
- Accept a job referral.
- Complete a job application.
- Appear for a job interview (see the exception below).

- Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/ or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity.

### **Refusing Suitable Employment**

Refusing suitable employment means doing **any** of the following:

- Voluntarily reducing hours or otherwise reducing earnings.
- Quitting a job (see exception below).

**Exception:** This does NOT apply if:

- The MWA verifies that the client changed jobs or reduced hours in order to participate in an MWA approved education and training program.
- A teen parent or dependent child quits a seasonal job to return to a high school or GED program.
- Firing for misconduct or absenteeism (not for incompetence).

**Note:** Misconduct sufficient to warrant firing includes any action by an employee or other adult group member that is harmful to the interest of the employer, and is done intentionally or in disregard of the employer's interest, or is due to gross negligence. It includes but is not limited to drug or alcohol influence at work, physical violence, and theft or willful destruction of property connected with the individual's work.

- Refusing a bona fide offer of employment or additional hours **up to** 40 hours per week. A bona fide offer of employment means a definite offer paying wages of at least the applicable state minimum wage. The employment may be on a shift; full or part time **up to** 40 hours per week; and temporary, seasonal or permanent.

### **GOOD CAUSE FOR NONCOMPLIANCE**

**Good cause** is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients.

### **NONCOMPLIANCE**

### **PENALTIES AT APPLICATION**

Noncompliance by a WEI while the application is pending results in **group** ineligibility. A WEI applicant who refused employment without good cause, within 30 days prior to the date of application or while the application is pending must have benefits delayed.

A good cause determination is not required for applicants who are noncompliant prior to FIP case opening.

## **NONCOMPLIANCE**

### **PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS**

The penalty for noncompliance without good cause is FIP closure.

Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “ [First Case Noncompliance Without Loss of Benefits](#)” below.
- For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.

The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

Begin the sanction period with the first pay period of a month. Penalties are automatically calculated by the entry of noncompliance without good cause on the FSSP. This applies to active FIP cases, including those with a member add who is a WEI JET participant.

## **TRIAGE**

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MW. A case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirements within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box "Client Agreed by Phone". Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

## **HEARINGS**

### **Expedited Hearings**

Staff must identify cases for SOAHR (administrative hearings) when a client files a hearing based on closure due to noncompliance with an employment and/or self-sufficiency related activity. SOAHR has agreed to expedite these hearing requests in an effort to engage clients in a timely manner and improve the state's overall work participation rate.

Write "**Expedited Hearing E&T**" at the top of the hearing request so that it can be easily identified as a priority. Refer to PAM 600, "[Expedited Hearings](#)" for additional instructions.

### **Hearing Decisions**

When a hearing decision is upheld for noncompliance, impose the penalty for the first full month possible for either 3 or 12 months. Do not recoup benefits. (BEM 233A)

In this case Claimant failed to meet her 20 hour participation requirement for the week beginning September 14, 2009. Claimant was also fired from her community service position. Claimant testified that one of the other workers pointed out a different worker and informed her that different worker had stolen her cigarettes. Claimant does not dispute that she accused the

different worker of theft. Claimant asserts that the worker she accused of theft was the brother of her supervisor and Claimant feels that is why she was fired.

The totality of evidence in the record convinces this Administrative Law Judge that Claimant's behavior at the community service was the reason she was dismissed. The policy cited above clearly states that a good cause reason for failure to participate in employment and/or self-sufficiency related activities is one beyond the control of the non-compliant person. Claimant's behavior is within her control so there is no good cause for her non-compliance.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the Department of Human Services properly sanctioned Claimant's Family Independence Program (FIP) case for failure to participate in employment and/or self-sufficiency related activities.

It is ORDERED that the actions of the Department of Human Services, in this matter, are UPHHELD.
