ADMINISTRATIVE LAW JUDGE: Suzanne L. Morris

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on November 3, 2010. The claimant personally appeared and provided testimony.

ISSUE

Did the department properly budget the claimant's Food Assistance Program (FAP) benefits in January and February of 2010?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant is currently serving a Family Independence Program (FIP) sanction for one year due to a third instance of Work First/Jobs, Education and Training noncompliance. The sanction is from September 1, 2009 through August 31, 2010. (Department Exhibit 15)

2. The claimant was mailed a Notice of Case Action (DHS-1605) on January 8, 2010 that indicated her FAP benefits as of January 1, 2010 would be \$363 per month. (Department Exhibit 5 – 8)

3. The claimant submitted a hearing request on February 18, 2010.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy states:

INCOME

DEPARTMENT POLICY

All Programs

The group composition and program budgeting items specify whose income to count. The program budgeting items might also contain program-specific income deductions or disregards.

Income means benefits or payments measured in money. It includes money a person owns even if NOT paid directly such as stock dividends automatically reinvested and income paid to a representative.

Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income means all income that is NOT earned income. The item specifies whether the income is earned or unearned.

The amount of income counted may be more than the amount a person actually receives, because it is the amount before any deductions including deductions for taxes and garnishments. The amount before any deductions is called the **gross** amount. BEM, Item 500, p. 1.

FIP/SDA BENEFITS

FIP, SDA, CDC, MA, AMP and TMAP

Exclude as income.

FAP Only

FIP/SDA benefits are considered the unearned income of the FIP/SDA grantee. Count as unearned income the amount of FIP/SDA benefits minus any excludable portion.

SUPPLEMENTAL SECURITY INCOME (SSI)

All Programs

Michigan SSI benefits include a basic federal benefit and an additional amount paid with state funds. The amount paid by the state and the payment process varies by living arrangement. See BEM 660. For SSI recipients in independent living or household of another, refer to "Current SSA-Issued SSI", "Retroactive SSA-Issued SSI" and "State SSI Payments" below. For SSI recipients in other living arrangements, refer to just "Current SSA-Issued SSI" and "Retroactive SSA-Issued SSI". BEM, Item 500, p. 31.

Current SSA-Issued SSI

SDA, CDC, AMP and FAP Only

Count the gross amount of current SSA-issued SSI as unearned income. Include SSI withheld to recoup overpayments due to an IPV as defined below.

INCOME DEDUCTIONS

FIP and SDA Only

Income deductions are available at both the member and the group level. Apply deductions in the order they are presented in this item. BEM, Item 518, p. 4.

Earned Income Disregard

Deduct \$200 from each person's countable earnings. Then deduct an additional 20% of each person's remaining earnings. The total disregard cannot exceed countable earnings. Apply this disregard separately to each program group member's earned income. BEM, Item 518, p. 4.

A non-categorically eligible, non-SDV FS group must have income below the gross and net income limits. BEM, Item 550, p. 1.

Use **only** available, countable income to determine eligibility. BEM 500 defines countable income. BEM 505 defines available income and income change processing. This item describes income budgeting policy. BEM, Item 550, p. 1.

Always calculate income on a calendar month basis to determine eligibility and benefit amounts. Use income from a month specified in this item for the benefit month being considered.

Budget the entire amount of earned and unearned countable income. Gross countable earned income is reduced by a 20% earned income deduction. Every case is allowed the standard deduction shown in RFT 255. BEM, Item 550, p. 1.

Housing Expenses

Housing expenses include rent, mortgage, a second mortgage, home equity loan, required condo or maintenance fees, lot rental or other payments including interest leading to ownership of the shelter occupied by the FAP group.

The expense must be a continuing one. Payments that exceed the normal monthly obligation are **not** deductible as a shelter expense unless the payment is necessary to prevent eviction or foreclosure, **and** it has **not** been allowed in a previous FAP budget. Additional expenses for optional charges, i.e., carport, pets, etc. are **not** allowed. BEM, Item 554, p. 9.

MANDATORY HEAT AND UTILITY STANDARD

Heat Separate from Housing Costs

A FAP group which has a heat expense or contributes to the heat separate from rent, mortgage or condominium /maintenance payments, must use the Heat and Utility Standard. This standard covers all heat and utility costs except **actual utility expenses, i.e. installation fees**, etc. (See Actual Utilities in this item.) Do **not** prorate the Heat and Utility Standard even if the heat expense is shared.

FAP groups that qualify for the Heat and Utility Standard **do not** receive any other individual utility standards. BEM, Item 554, p. 11.

NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

When to Disqualify

- . Disqualify a FAP group member for noncompliance when:
- . The client was active both FIP and FAP on the date of the FIP noncompliance, and
- . The client did not comply with FIP employment requirements, and
- . The client is not deferred from FAP work requirements (see DEFERRALS in PEM 230B), and the client did not have good cause for the noncompliance. PEM 233B, p. 1.

When determining eligibility for FAP benefits, the household's total income must be evaluated. All earned and unearned income of each household member must be included unless specifically excluded. BEM 500. A standard deduction from income of \$144 is allowed. Another deduction from income is provided if monthly shelter costs are in excess of 50% of the household's income after all of the other deductions have been allowed, up to a maximum of \$300 for non-senior/disabled/veteran households. BEM 500 and 554; Program Reference Manual, Table 255; 7 CFR 273.2. In this case, the claimant has no shelter expenses or heat/utility expenses because she indicates she and her children are homeless.

In this case, the Administrative Law Judge has reviewed the FAP budget and finds that the department properly budgeted the FAP benefits. The department is including the SSI received by the claimant's child and includes the FIP amount the claimant would be receiving, if she weren't under sanction. Department policy requires the department to budget the amount of FIP benefits the group was receiving in the FAP budget for the number of months being served for the FIP penalty. BEM 233A. Therefore, the department must budget the claimant's FIP grant into the FAP budget until her sanction is completed (August 31, 2010). Thus, the department properly budgeted the claimant's FAP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly budgeted the claimant's FAP benefits in January and February, 2010.

Accordingly, the department's actions are UPHeld. SO ORDERED.
