ISSUE

Whether the Department of Human Services (Department) properly determined the Claimant's Medical Assistance (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) The Claimant received Adult Medical Program (AMP) benefits until February 1, 2010.

(2) The Claimant receives monthly alimony in the gross monthly amount of [REDACTED].
Department Exhibit 2.

(3) On January 9, 2010, the Department notified the Claimant that it was terminating her MA-AMP benefits effective February 1, 2010. Department Exhibit 4.

(4) The Department received the Claimant's request for a hearing on February 22, 2010, protesting the termination of her AMP benefits.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or Department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

The Adult Medical Program (AMP) is established by Title XXI of the Social Security Act; (1115)(a)(1) of the Social Security Act, and is administered by the Department of Human Services (DHS or department) pursuant to MCL 400.10, *et seq.* Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

All earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties for duties that were performed for compensation or profit. Unearned income means all income that is not earned, including but not limited to funds received from the Family Independence Program (FIP), State Disability Assistance (SDA), Child Development and Care (CDC), Medicaid (MA), Social Security Benefits (RSDI/SSI), Veterans Administration (VA), Unemployment Compensation Benefits (UCB), Adult Medical Program (AMA), alimony, and

child support payments. The amount counted may be before than the client actually receives because the gross amount is used prior to any deductions. BEM 500.

The Claimant was receiving AMP benefits when the Department conducted a routine review of her eligibility on January 20, 2010. The Claimant receives monthly alimony in the gross monthly amount of [REDACTED]. This amount was determined by taking an average alimony payments received in the previous three months of [REDACTED] as directed by Bridges Eligibility Manual item 505. Income eligibility exists when the program group's net income does not exceed the program group's AMP income limit. BEM 640. An independently living individual has an AMP income limit of [REDACTED]. RFT 236.

Based on the evidence and testimony available at the hearing, the Department established that the Claimant is not eligible for MA benefits under the AMP program because her monthly income exceeds the AMP income limit.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy in determining the Claimant's MA eligibility.

The Department's MA eligibility determination is AFFIRMED. It is SO ORDERED.
