Reg. No: 2010-36908
Issue No: 2026; 3002
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:

Kalamazoo County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on June 22, 2010. The claimant personally appeared and provided testimony, along with her Adult Services Worker, [REDACTED].

ISSUES

1. Did the department properly budget the claimant's Food Assistance Program (FAP) benefits beginning in April, 2010?
2. Did the department properly determine the claimant should be on a Medical Assistance (MA) deductible program in April, 2010?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant is an RSDI recipient in the amount of \$957 monthly. (Department Exhibit 10 – 12)
2. When this income is budgeted the claimant receives the maximum monthly FAP benefit amount of \$200. (Department Exhibit 14 - 16)
3. When this income is budgeted into the claimant's SSI-related Medicaid program, the claimant is responsible for a deductible of \$546. (Department Exhibit 17)
4. The claimant submitted a hearing request on April 28, 2010.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Department policy states:

**RETIREMENT, SURVIVORS, AND DISABILITY
INSURANCE (RSDI) (AKA SOCIAL SECURITY
BENEFITS)**

All Programs

RSDI is available to retired and disabled persons, their dependents, and survivors of deceased workers.

Count the gross benefit amount as unearned income. PEM, Item 500, p. 29.

FAP ALLOWABLE EXPENSES AND EXPENSE BUDGETING

DEPARTMENT POLICY

This item applies **only** to FAP.

Budget the following expenses to determine net income for FAP eligibility and benefit levels. PEM, Item 554, p. 1.

- . Groups **with** one or more SDV member:
 - .. dependent care expense up to the maximum in RFT 255; and
 - .. excess shelter, and
 - .. court-ordered child support and arrearages paid to non-household members, and
 - .. medical expenses for the SDV member(s) that exceed \$35 PEM, Item 554, p. 1.

Complete either manually-calculated or LOA2 budget to document expenses every time an expense change is reported. PEM, Item 554, p. 1.

MA GROUP 2 INCOME ELIGIBILITY

Deductible

Deductible is a process which allows a client with excess income to become eligible for Group 2 MA if sufficient allowable medical expenses are incurred.

Active Deductible

Open an MA case **without ongoing Group 2 MA coverage** on CIMS as long as:

- . The fiscal group has excess income, **and**
- . At least one fiscal group member meets all other Group 2 MA eligibility factors.

Such cases are called active deductible cases. Periods of MA coverage are added on CIMS each time the group meets it deductible.

Deductible Period

Each calendar month is a separate spend-down period.

Deductible Amount

The fiscal group's monthly excess income is called a deductible amount. PEM 545, pp. 8-9.

Meeting a Deductible

Meeting a deductible means reporting and verifying allowable medical expenses (defined in "**EXHIBIT I**") that equal or exceed the deductible amount for the calendar month tested. PEM, Item 545, p. 9.

The group must report expenses by the last day of the third month following the month for which it wants MA coverage. PAM 130 explains verification and timeliness standards. PEM, Item 545, p. 9.

When determining eligibility for FAP benefits, the household's total income must be evaluated. All earned and unearned income of each household member must be included unless specifically excluded. PEM 500. A standard deduction from income of \$132 is allowed. Another deduction from income is provided if monthly shelter costs are in excess of 50% of the household's income after all of the other deductions have been allowed, up to a maximum of \$300 for non-senior/disabled/veteran households. PEM 500 and 554; Program Reference Manual, Table 255; 7 CFR 273.2.

In this case, the Administrative Law Judge has reviewed the FAP budget and finds that the department properly computed the claimant's net income. The department used the correct figures for RSDI income, rent expense and the heat-utility standard. The federal regulations at 7 CFR 273.10 provide standards for the amount of a household's benefits. The department in compliance with the federal regulations has prepared issuance tables which are set forth at Program Reference Manual, Table 260. The issuance table provides that a household with household size and net income of the claimant is eligible for an FAP allotment of \$200. This is the maximum amount the claimant can receive as she has a group size of one.

The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA). PEM 105.

The State of Michigan has set guidelines for income, which determine if an MA group is eligible. Income eligibility exists for the calendar month tested when:

- . There is no excess income, **or**
- . Allowable medical expenses equal or exceed the excess income (under the Deductible Guidelines). PEM 545.

Net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. BEM 105. Income eligibility exists when net income does **not** exceed the Group 2 needs in BEM 544. BEM 166. The protected income level is a set allowance for non-medical need items such as shelter, food and incidental expenses. PRT 240 lists the Group 2 MA protected income levels based on shelter area and fiscal group size. BEM 544. An eligible Medical Assistance group (Group 2 MA) has income the same as or less than the "protected income level" as set forth in the policy contained in the Program

Reference Table (PRT). An individual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA.

However, a MA group may become eligible for assistance under the deductible program. The deductible program is a process, which allows a client with excess income to be eligible for MA, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group's monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. PEM 545; 42 CFR 435.831.

In this case, the claimant's protected income level is \$391. The claimant receives RSDI in the amount of \$957 monthly. With the \$20 disregard, this brings the claimant's countable net income to \$937. Once the protected income level is included, this brings the claimant's monthly deductible to \$546.

Once in the hearing, it was determined that the claimant had actually requested a hearing because her chore services were not always being paid. This was due to the fact that the claimant has to meet her MA deductible to have MA cover the chore services bill. The deductible process was explained to the claimant and the claimant's Adult Services Worker indicated that she would ensure all medical bills are being directed to the department to count toward the deductible.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that

1. The department properly budgeted the claimant's Food Assistance Program (FAP) benefits beginning in April, 2010.

2. The department properly determined the claimant should be on a Medical Assistance (MA) deductible program in April, 2010.

Accordingly, the department's actions are UPHELD. SO ORDERED.
