ADMINISTRATIVE LAW JUDGE: Steven M. Brown

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from Lansing, Michigan on July 7, 2010.

ISSUE

Whether the Department properly terminated Claimant's Family Independence Program (FIP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant was a FIP recipient and a mandatory Work First/Jobs, Employment and Training (WF/JET) participant.
2. The Department was informed by WF/JET that Claimant was in noncompliance with WF/JET requirements.

3. On April 7, 2010, the Department sent Claimant a Notice of Noncompliance which stated in pertinent part - "Records show that you have refused or failed to participate as required in employment and/or self sufficiency related activities for FIP, RAP and FAP as noted below:.....A meeting has been scheduled to give you an opportunity to report and verify your reasons for non-compliance." (Exhibit 1)

4. On April 14, 2010, the Department held a triage with Claimant and made a no good cause determination concerning her alleged WF/JET noncompliance.

5. On April 15, 2010, the Department sent Claimant a Notice of Case Action which informing her that her FIP case would close effective May 1, 2010. (Exhibit 2)

6. On May 27, 2010, the Department received Claimant's hearing request protesting the termination of her FIP benefits.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways

to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by DHS when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments will be covered by the JET case manager when a mandatory JET participant is referred at application. BEM 229, p. 1.

Federal and State laws require each work eligible individual (WEI) in the FIP and RAP group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Labor and Economic Growth (DLEG) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. BEM 230A, p. 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
 - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.

- .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
- .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP).
- .. Provide legitimate documentation of work participation.
- .. Appear for a scheduled appointment or meeting related to assigned activities.
- .. Participate in employment and/or self-sufficiency-related activities.
- .. Accept a job referral.
- .. Complete a job application.
- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pp. 1-2.

The Department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. BEM 233A, p. 7-8

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. BEM 233A, p. 3-4

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A, p. 7

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for not less than 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for not less than 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for not less than 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties. BEM, p. 6.

In the instant case, the Hearing Summary states as follows regarding Claimant's alleged noncompliance and the Department's no good cause determination— "[REDACTED] was sanctioned because she failed to participate as required in employment and/or self-sufficiency related activities. [REDACTED] did not submit participation documentation to our WF provider, which resulted in a triage. The triage appointment was scheduled on April 14, 2010 and [REDACTED] did attend the triage. She did not provide our office with good cause for not participating in employment and/or self-sufficiency related activities, which resulted in her case being closed effective May 1, 2010."

The Department witness had no personal knowledge of the alleged noncompliance, the triage or the good cause determination. There were no witnesses from WF/JET and no case notes were offered from WF/JET. Claimant testified that she missed a few hours due to her depression, but could not otherwise articulate with any degree of specificity the basis for her noncompliance. She testified that she was given an opportunity to provide the Department with a letter from her psychiatrist. The Department confirmed that Claimant was given until April 19th and then April 24th to do so, but the Department did not receive the letter until May 25th. It should be noted that the Notice of Case Action closing her FIP case was sent out by the Department on April 15th.

With the above said, based on the testimony and documentation offered at hearing, the undersigned has essentially no basis on which to form the conclusion that Claimant was non-compliant with WF/JET and did not have good cause for her noncompliance. As such, I do not find that the Department established that it acted in accordance with policy in making a no good cause determination and terminating Claimant's FIP benefits.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, does not find that the Department acted in accordance with policy in terminating Claimant's FIP benefits. Accordingly, the Department's FIP eligibility determination is REVERSED, it is SO ORDERED. The Department shall:

- 1) Reinstatement Claimant's FIP benefits retroactive to the closure date.
- 2) Issue Claimant supplemental benefits she is otherwise eligible for and entitled to, if any.
- 3) Notify Claimant in writing of the Department's revised determination.
- 4) Claimant retains the right to request a hearing if she would like to contest the Department's revised determination.
