HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone and in person hearing was held on August 11, 2010.

ISSUE

Did the Department of Human Services (the department) properly propose to cancel claimant's Family Independence Agency (FIP) benefits based upon its determination that claimant did not attend mandatory Work First Activities?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant was receiving Family Independence Agency benefits for herself and child.
- (2) Claimant had been deferred from the JET program since 12/1/09 based on her doctor's statement.
- (3) A medical packet was sent to the Medical Review Team (MRT) to make a decision regarding disability on February 22, 2010.
- (4) The MRT returned a decision of not disabled on March 25, 2010, stating that claimant could perform work with limitations.
- (5) Claimant was referred to the JET program on 4/23/10 to attend on 5/03/10.

- (6) Claimant did attend but left early stating that she had a panic attack.
- (7) A biage was held on 5/25/10, and the MRT team worker failed to give client good cause as JET is a requirement for those who are not deferred.
- (8) On 5/25/10, the department caseworker sent claimant notice that her FIP benefits would be cancelled on July 1, 2010 for failure to attend JET activities.
- (9) On June 1, 2010 claimant filed a request for a hearing to contest the department's negative action.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The department of Human Services requires clients to participate in employment and self sufficiency related activities and to accept employment when offered. The focus is to assist clients in removing barriers so they can participate in those activities which lead to self sufficiency. However, there are consequences for a client who refuses to participate without good cause. Non-compliance may be an indicator of possible disabilities and the department is considered further exploration of any barriers. BEM, Item 233A. As a compliance of eligibility clients must work or engage in employment and/or self sufficiency related activities. Non-compliance of applicants, recipients and member adds, means doing any of the following without good cause:

- Failure to complete a FAST or FSSP results in closure due to failure to provide requested verification and clients can reply at any time.
- Failing to or refusing to appear or participate with the Jobs Education and Training program, or other employment service providers
- Complete a family automated screening tool (FAST) as assigned in the first step in the FSSP process.
- Develop a family self sufficiency plan
- Comply with activities assigned in the FSSP.

- Provide legitimate documentation of work participation
- Appear for a scheduled appointment or meeting related to assigned activities
- Failure to participate in employment or a self sufficiency related activities
- Accept a job referral
- Complete a job application
- Appear for a job interview
- Stating orally or in writing to a definite intent not to comply with the program requirements
- Threatening, physically abusing, or otherwise behaving destructively to anyone conducting or participating in an employment and/or self sufficiency related activity
- Refusing employment support services as a refusal prevents participation in employment and/or self sufficiency related activities (BEM, Item 233A, p.2)

In the instant case, the facts are not at issue. Claimant testified that she did have a panic attack, but she has new medication and feels better. This administrative law judge finds that the evidence contained in the file does not support claimant's allegation.

Good cause is a valid reason for non-compliance with employment and/or self sufficiency related activities that are based on factors that are beyond the control of the non-compliant person. A claimant with good cause must be verified for member adds and recipients. Good cause includes the following:

- The person is working at least 40 hours a week on average and earning at least state minimum wage.
- if the claimant is physically or mentally unfit for the job or activity, or
- if the claimant has a debilitating illness or injury, or
- an immediate family's illness or injury requiring in-home care by the claimant, or

- the department or employer has failed to make reasonable accommodations for the claimant's disability, while the claimant has no child care.
- If the claimant requested transportation services from DHS, the Michigan Works or other employment services provider prior to case closure and reasonably priced transportation was not available to the claimant.
- The employment involves illegal activities, or
- The claimant experiences discrimination.
- There is some unplanned event or factor such as:
 - domestic violence
 - health or safety risks
 - homelessness
 - jail hospitalization or
 - religion
- or the claimant quits to assume the employment comparable on salary and hours
- there is a total commuting time which exceeds 2 or 3 hours per day, including time to and from child care facilities. (BEM, Item 233A, pp. 4-5)

The penalty for non-compliance without good cause is FIP closure effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close FIP for not less than 3 calendar months, unless the claimant is excused from non-compliance.
- For the second occurrence on the FIP case, close the FIP for not less than 3 calendar months
- For the third and subsequent occurrence on the FIP case, close the FIP for not less than 12 calendar months.

The penalty counter also begins April 1, 2007, regardless of the previous number of non-compliance penalties. Begin a sanction period with the first pay period of the month. Penalties are automatically calculated by the entry of non-compliance without good cause in BRIDGES. This applies to all active FIP cases including those with a

member add who is a WEI JET participant. BEM, Item 233A, p. 6. JET Participants will not be terminated from a JET program without first scheduling a triage meeting with the client to jointly discuss non-compliance and good cause. A triage meeting is to be locally coordinated to notify the MWA case manager of triage meetings including scheduling guidelines. Claimant's can either attend the meeting or participate in a conference call, if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Claimants must comply with triage requirements within the negative action period. BEM, Item 233A, p. 7. The department is to determine good cause based on the best available information during the triage and prior to the negative action date. Good cause may be verified by information already in the file with DHS or MWA. Good cause must be considered even if the claimant does not attend with particular attention to possible disabilities, including disabilities that have not been diagnosed or identified by the claimant an unmet needs or accommodation. BEM, Item 233A, p. 7. The department is to follow the following procedure for processing the FIP closure:

- Send a DHS-2444 notice of employment and/or self sufficiency related non-compliance within 3 days after learning of the non-compliance.
- Included in the DHS-2444 is the date of non-compliance, the reason the client was determined to be non-compliant, the penalty that would be imposed, and schedule a triage to be held within the negative action period. BEM, Item 233A, pp. 7-8.

The department is to determine good cause during triage and prior to the negative action effective date. Good cause must be verified and can be based on information already in the file with the DHS or the JET program. The department is to document the good cause determination on the sanction detail screen. If the client does not provide good cause for reason for non-compliance determining good cause based on the best information available.

This Administrative Law Judge finds that the department has established by the necessary competent, material and substantial evidence on the record that claimant was non-compliant with Work First activities. Claimant had 1 prior non-compliance episodes which mean that this is the second non-compliance episode.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department has established by the necessary competent, material and substantial evidence on the record that it was acting in compliance with department policy when it proposed to cancel claimant's Family Independence program benefits under the circumstances. This Administrative Law Judge finds that claimant did not provide good cause for the failure. The department has established by preponderance of the evidence that this is the second episode of non-compliance.

Accordingly, the department's decision is AFFIRMED.
