Issue No.: 2009
Case No.: [REDACTED]
Load No.: [REDACTED]

ADMINISTRATIVE LAW JUDGE: Ivona Rairigh

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, an in-person hearing was held on July 13, 2010. Claimant personally appeared and testified. Claimant was represented by [REDACTED].

ISSUE

Did the department properly deny claimant's July 10, 2009 Medicaid (MA) and retro MA application, finding he lacks a legally disabling condition?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant applied for MA and retro MA on July 10, 2009.
2. On February 26, 2010 department's Medical Review Team determined that the claimant was not disabled for MA eligibility purposes, as he had a non-exertional impairment.
3. On March 2, 2010 department sent the claimant an Application Eligibility Notice denying his MA and retro MA application.

2010-38658/IR

4. Claimant requested a hearing on May 28, 2010, by submitted the request to Ingham County DHS.
5. On June 21, 2010 department's State Hearing Review Team (SHRT) also denied claimant's MA application due to insufficient evidence. SHRT requested that the department obtain a complete independent physical consultative examination by an internist.
6. Claimant testified at the hearing that he has a Social Security Administration hearing on July 23, 2010, on his disability application.
7. On October 8, 2010 the Administrative Law Judge received a letter from claimant's representative stating they have been informed by DHS caseworker, Ms. Andrade, on September 28, 2010 that the claimant was approved for Social Security Disability benefits at his recent Social Security administrative hearing.
8. On October 18, 2010 the Administrative Law Judge obtained an SOLQ SSA data report from SOAHR support staff. The report shows that the claimant has been approved for RSDI with the disability onset date of June 30, 2008.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (RFT).

In Michigan, the SSA's determination of disability onset is established for MA eligibility purposes. In the present case, evidence of the favorable SSA decision established that the claimant met the federal disability standard necessary to qualify for MA pursuant to PEM 260.

The SSA determined claimant has been disabled since June 30, 2008. Consequently, the department must reverse its MA and retro MA denial, and process claimant's disputed application in accordance with department policy.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department erred in determining claimant is not disabled.

2010-38658/IR

Accordingly, department's action is REVERSED. Department shall:

1. Process claimant's disputed MA and retro MA application and issue him any benefits he was entitled to but did not receive, based on July 10, 2009 application date and if he meets all other eligibility requirements.
2. Review claimant's ongoing MA eligibility in November, 2011. If the claimant continues to be eligible for RSDI, no medical review is needed.
3. Notify the claimant and his representative of this determination in writing.

SO ORDERED.
