Claimant

Reg. No: 2010-39467
Issue No: 1038
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:
July 15, 2010
Branch County DHS

ADMINISTRATIVE LAW JUDGE: Gary F. Heisler

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on July 15, 2010. Claimant appeared and testified.

ISSUE

Did the Department of Human Services properly sanction Claimant's Family Independence Program (FIP) case for failure to participate in employment and/or self-sufficiency related activities?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) Claimant was an ongoing recipient of Family Independence Program (FIP) benefits. Claimant was a mandatory participant in the Michigan Works Agency/Jobs Education and Training Program (JET). Claimant was required to participate 20 hours per week.

(2) On April 27, 2010, Claimant's assigned participation was 13 hours per week of community service and 7 hours per week of job search activity. Claimant did not establish an approved community service site and did not receive participation credit for any community service.

(3) On May 11, 2010, [REDACTED] of the Michigan Works Agency/Jobs Education and Training Program (JET) recorded that Claimant was in non-compliance because she was not meeting her assigned participation requirements.

(4) On May 13, 2010, Claimant was sent a Notice of Non-Compliance (DHS-2444) which scheduled a triage meeting for May 20, 2010.

(5) On May 20, 2010, Claimant participated in the triage meeting. The Department determined there was no good cause for Claimant's failure to participate in employment and/or self-sufficiency related activities.

(6) On June 2, 2010, Claimant was sent a Notice of Case Action (DHS-1605) stating that her Family Independence Program (FIP) case would be sanctioned.

(7) On June 10, 2010, Claimant submitted a timely request for hearing.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (formerly known as the Family Independence Agency) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy provides the following guidance for case workers. The Department's policies are available on the internet through the Department's website.

**FAILURE TO MEET EMPLOYMENT AND/OR
SELSUFFICIENCY-RELATED REQUIREMENTS: FIP**

DEPARTMENT PHILOSOPHY

FIP

DHS requires clients to participate in employment and self-sufficiency related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

DEPARTMENT POLICY

FIP

All Work Eligible Individual (WEI) and adult non-WEIs (except ineligible grantees, clients deferred for lack of child care (DC) and disqualified aliens), see [BEM 228](#), who fail, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

Depending on the case situation, penalties include the following:

- Delay in eligibility at application.
- Ineligibility (denial or termination of FIP with no minimum penalty period).
- Case closure for a minimum of three or 12 months.

See BEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see BEM 233C.

NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELFSUFFICIENCY-RELATED ACTIVITIES

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities.

Noncompliance of applicants, recipients, or member adds means doing **any** of the following **without** good cause:

Exception: Do not apply the three or 12 month penalty to ineligible caretakers, clients deferred for lack of child care (DC) and disqualified aliens. Failure to complete a FAST or FSSP results in closure due to failure to provide requested verification.

Clients can reapply at any time.

- Failing or refusing to:
 - Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.

Note: FIS should clear the FAST Fall Out Report and any FAST confirmation information the client has obtained before considering a client noncompliant for FAST non-completion.

- Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).

Note: FIS must have scheduled a FSSP completion appointment with the client and the client failed to attend before considering a client noncompliant for FSSP non-completion.

- Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.

- Provide legitimate documentation of work participation.
- Appear for a scheduled appointment or meeting.
- Participate in employment and/or self-sufficiency-related activities.
- Accept a job referral.
- Complete a job application.
- Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity.

GOOD CAUSE FOR NONCOMPLIANCE

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients.

NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure.

Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “[First Case Noncompliance Without Loss of Benefits](#)” below.

- For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.

The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

Begin the sanction period with the first pay period of a month. Penalties are automatically calculated by the entry of noncompliance without good cause on the FSSP. This applies to active FIP cases, including those with a member add who is a WEI JET participant.

TRIAGE

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirements within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box “Client Agreed by Phone”. Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. (BEM 233A)

In this case Claimant was assigned to do community service hours as part of her participation requirement. Claimant was given a community service contract and told to find a

community service assignment. Claimant returned the contract two weeks after it was due back and wanted to do chores for her grandmother for her assignment. The JET program representative testified that they allow community service credit for assisting persons who provide current medical documentation stating the person would benefit from the assistance. Claimant provided some older medical documentation on her grandmother's impairments but was unable to provide anything current. The JET program representative testified that the lack of current documentation was the reason Claimant's community service request to help her grandmother was not approved. Claimant and her mother testified that she was unable to provide any current medical documentation about her grandmother, because her grandmother did not cooperate in providing any.

When specifically asked Claimant testified that when the JET program gave her the assignment to set up a community service agreement, they gave her a list of several local organizations to contact. Claimant testified that she could not remember them all but that the [REDACTED] and [REDACTED] had turned her away because she had a misdemeanor criminal record.

Claimant's assertions amount to a good cause claim that she was unable to obtain a community service assignment. The policy cited above defines good cause as a valid reason based on factors that are beyond the control of the noncompliant person. The policy also requires that a claim of good cause be verified and documented. There is sufficient evidence in the record to verify that Claimant was unable to obtain the community service assignment with her grandmother. However, Claimant has not verified or documented, that she was unable to obtain any other community service assignment.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the Department of Human Services properly sanctioned Claimant's Family Independence Program (FIP) case for failure to participate in employment and/or self-sufficiency related activities.

It is ORDERED that the actions of the Department of Human Services, in this matter, are UPHeld.
