DEPARTMENT OF HUMAN SERVICES

Claimant

Reg. No: 2010-40310
Issue No: 1038
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:
July 27, 2010
Saginaw County DHS

ADMINISTRATIVE LAW JUDGE: Gary F. Heisler

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a hearing was held on July 27, 2010. Claimant appeared and testified.

ISSUE

Did the Department of Human Services properly sanction Claimant's Family Independence Program (FIP) case for failure to participate in employment and/or self-sufficiency related activities?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) Claimant was an ongoing recipient of Family Independence Program (FIP) benefits. Claimant's Family Independence Program (FIP) case was due for re-determination in April 2010.

(2) On April 1, 2010, Claimant attended an interview and submitted information for use in re-determining her eligibility. Claimant indicated that the father of two of her children, [REDACTED] was a full time member of the household. A DHS 170 Appointment Notice was sent to Claimant scheduling Mr. Payton for an appointment with the DHS case worker on April 15, 2010. The notice stated it was a cash assistance paperwork appointment that would only take a few minutes.

(3) On April 15, 2010, [REDACTED] did not attend the scheduled appointment. A Notice of Non-Compliance (DHS-2444) was sent to [REDACTED] for missing the appointment. The Notice of Non-Compliance (DHS-2444) scheduled a meeting for April 27, 2010.

(4) On April 27, 2010, [REDACTED] did not attend the scheduled meeting or call to reschedule.

(5) On April 27, 2010, Claimant was sent a Notice of Case Action (DHS-1605) stating her Family Independence Program (FIP) would close on June 1, 2010.

(6) On June 2, 2010, Claimant submitted a request for hearing.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (formerly known as the Family Independence Agency) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy provides the following guidance for case workers. The Department's policies are available on the internet through the Department's website.

FAILURE TO MEET EMPLOYMENT AND/OR SELF-SUFFICIENCY-RELATED REQUIREMENTS: FIP

DEPARTMENT PHILOSOPHY

FIP

DHS requires clients to participate in employment and self-sufficiency related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

DEPARTMENT POLICY

FIP

All Work Eligible Individual (WEI) and adult non-WEIs (except ineligible grantees, clients deferred for lack of child care (DC) and disqualified aliens), see [BEM 228](#), who fail, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

Depending on the case situation, penalties include the following:

- Delay in eligibility at application.
- Ineligibility (denial or termination of FIP with no minimum penalty period).
- Case closure for a minimum of three or 12 months.

See [BEM 233B](#) for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see [BEM 233C](#).

NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELFSUFFICIENCY RELATED ACTIVITIES

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities.

Noncompliance of applicants, recipients, or member adds means doing **any** of the following **without** good cause:

Failure to complete a FAST or FSSP results in closure due to failure to provide requested verification. Clients can reapply at any time.

- Failing or refusing to:
 - Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.

Note: FIS should clear any alerts relating to rejected JET refunds and any FAST confirmation information the client has obtained before considering a client noncompliant for FAST completion.

- Develop a Family Self-Sufficiency Plan (FSSP).

Note: FIS must have scheduled a FSSP completion appointment with the client and the client failed to attend before considering a client noncompliant for FSSP completion.

- Comply with activities assigned on the FSSP.
- Provide legitimate documentation of work participation.
- Appear for a scheduled appointment or meeting related to assigned activities.

- Participate in employment and/or self-sufficiency-related activities.
- Accept a job referral.
- Complete a job application.
- Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity.

GOOD CAUSE FOR NONCOMPLIANCE

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients.

NONCOMPLIANCE

PENALTIES AT APPLICATION

Noncompliance by a WEI while the application is pending results in **group** ineligibility. A WEI applicant who refused employment without good cause, within 30 days prior to the date of application or while the application is pending must have benefits delayed.

A good cause determination is not required for applicants who are noncompliant prior to FIP case opening.

NONCOMPLIANCE

PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure.

Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “ [First Case Noncompliance Without Loss of Benefits](#)” below.
- For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.

The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

Begin the sanction period with the first pay period of a month. Penalties are automatically calculated by the entry of noncompliance without good cause on the FSSP. This applies to active FIP cases, including those with a member add who is a WEI JET participant.

TRIAGE

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MW A case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirements within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box “Client Agreed by Phone”. Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. (BEM 233A)

In this case the Department is asserting that [REDACTED] failure to attend the appointment on April 15, 2010, was non-compliance with employment related activities. The Department argues that the purpose of the meeting scheduled for April 15, 2010 was to add [REDACTED] to Claimant's Food Assistance Program (FAP) benefit group, have [REDACTED] sign the Michigan Works Agency/Jobs Education and Training Program (JET) rules and assign him to attend JET. Based on the purpose of the scheduled meeting at the DHS local office, the Department asserts it was "a scheduled appointment or meeting related to assigned activities" as included in the above policy.

In the normal course of DHS case actions, a member of a FIP group is sent a Work First/Jobs Education and Training Appointment Notice (DHS-4785 form). That form specifically provides notice that failure to attend the scheduled appointment could result in application denial. Failure to comply with the notice of assignment to JET is considered non-compliance with employment related activities and can be the basis of a case sanction.

In this case, the Appointment Notice sent to [REDACTED] does not "assign" him to any employment related activities and does not provide any indication that missing the appointment will result in a negative case action. While [REDACTED] disregard and/or irresponsibility regarding this appointment are no less aggravating than if he failed to attend JET, the appointment scheduled for April 15, 2010 was NOT "a scheduled appointment or meeting related to assigned activities" as included in PEM 233A. In turn, that means the Notice of Non-Compliance (DHS-2444) sent out was not valid and [REDACTED] ensuing failure to attend the

meeting scheduled for April 27, 2010 cannot be non-compliance with employment related activities.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the Department of Human Services DID NOT properly sanction Claimant's Family Independence Program (FIP) case for failure to participate in employment and/or self-sufficiency related activities.

It is ORDERED that the actions of the Department of Human Services, in this matter, are REVERSED.

It is further ORDERED that any Family Independence Program (FIP) benefits Claimant was otherwise eligible for, but did not receive, be supplemented.
