ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No: 201042737  
Issue No: 3055  
Case No: [REDACTED]  
Load No: [REDACTED]  
Hearing Date:  
August 25, 2010  
Wayne County DHS

**ADMINISTRATIVE LAW JUDGE:** Gary F. Heisler

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37, 7 CFR 273.16, MAC R 400.3130, and MAC R 400.3178 upon the Department of Human Services (department) request for a disqualification hearing. After due notice, a telephone hearing was held on November 4, 2009. The Respondent did not appear at the hearing and it was held in the respondent's absence pursuant to 7 CFR 273.16(e), MAC R 400.3130(5), or MAC R 400.3187(5).

**ISSUE**

Whether the Respondent committed an Intentional Program Violation (IPV) of the Food Assistance Program (FAP) and whether the Respondent received an overissuance of benefits that the department is entitled to recoup?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

1. The Department's Office of Inspector General (OIG) filed a hearing request to establish an overissuance of FAP benefits received by the respondent as a result of the Respondent having committed an Intentional Program Violation (IPV); the OIG also requested that the Respondent be disqualified from receiving FAP benefits.
2. The Respondent signed Assistance Application (DHS-1171) on February 1, 2007, acknowledging that he understood his failure to give timely, truthful, complete and accurate information about his

circumstances could result in a civil or criminal action or an administrative claim against him.

3. The Respondent indicated on the February 1, 2007 application that he was not employed.
4. On April 11, 2008, the Department received an IG-001 Employee Wage History which showed that the Respondent had received earnings in the first, second and third quarters of 2005, the second and third quarters of 2006 and the second, third and fourth quarters of 2007. The department also received an Unemployment Application History indicating that the Respondent had Unemployment Compensation Benefits (UCB) from November 13, 2007 until February 16, 2008.
5. On February 1, 2007, the Respondent reported to his case worker that he was receiving unemployment benefits as he was laid-off from the [REDACTED].
6. The Respondent received [REDACTED] in FAP benefits during the alleged fraud period of April 1, 2007 through January 31, 2008. If the income had been properly reported and budgeted by the department, the Respondent would only have been eligible to receive [REDACTED] in FAP benefits.
7. The Respondent failed to report his employment income in a timely manner, resulting in a FAP overissuance for the months of April 1, 2007 through January 31, 2008 in the amount of [REDACTED].
8. The Respondent was clearly instructed and fully aware of his responsibility to report all household income to the department.
9. The Respondent was physically and mentally capable of performing his reporting responsibilities.
10. The Respondent has not committed any previous intentional FAP violations.
11. A Notice of Disqualification Hearing was mailed to the Respondent at the last known address of [REDACTED].

### **CONCLUSIONS OF LAW**

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program

effective October 1, 1996. Department policies are found in the Program Administrative Manual (BAM), the Program Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (BAM), the Program Eligibility Manual (BEM) and the Program Reference Manual (PRM).

In this case, the Department has requested a disqualification hearing to establish an overissuance of benefits as a result of an IPV and the Department has asked that respondent be disqualified from receiving benefits. The Department's manuals provide the following relevant policy statements and instructions for department caseworkers:

## **BENEFIT OVERISSUANCES**

### **DEPARTMENT POLICY**

#### **All Programs**

When a client group receives more benefits than they are entitled to receive, DHS must attempt to recoup the overissuance (OI). BAM, Item 700, p. 1.

#### **Definitions**

The **Automated Recoupment System (ARS)** is the part of CIMS that tracks all FIP, SDA and FAP OIs and payments, issues automated collection notices and triggers automated benefit reductions for active programs.

A **claim** is the resulting debt created by an overissuance of benefits.

The **Discovery Date** is determined by the Recoupment Specialist (RS) for a client or department error. This is the date the OI is known to exist and there is evidence available to determine the OI type. For an Intentional Program Violation (IPV), the Office of Inspector General (OIG) determines the discovery date. This is the date the referral was sent to the prosecutor or the date the OIG requested an administrative disqualification hearing.

The **Establishment Date** for an OI is the date the DHS-4358A-D, Repay Agreement, is sent to the client and for an IPV, the date the DHS-4357 is sent notifying the client when the disqualification and recoupment will start. In CIMS the “establishment date” has been renamed “notice sent date.”

An **overissuance (OI)** is the amount of benefits issued to the client group or CDC provider in excess of what they were eligible to receive. For FAP benefits, an OI is also the amount of benefits trafficked (traded or sold).

**Overissuance Type** identifies the cause of an overissuance.

**Recoupment** is a DHS action to identify and recover a benefit OI. BAM 700, p. 1.

## **PREVENTION OF OVERISSUANCES**

### **All Programs**

DHS must inform clients of their reporting responsibilities and act on the information reported within the Standard of Promptness (SOP).

During eligibility determination and while the case is active, clients are repeatedly reminded of reporting responsibilities, including:

- . Acknowledgments on the application form, **and**
- . Explanation at application/redetermination interviews, **and**
- . Client notices and program pamphlets.

DHS must prevent OIs by following BAM 105 requirements and by informing the client or authorized representative of the following:

- . Applicants and recipients are required by law to give complete and accurate information about their circumstances.
- . Applicants and recipients are required by law to promptly notify DHS of all changes in circumstances within 10 days. FAP Simplified Reporting (SR) groups are required to report only when the group’s actual

gross monthly income exceeds the SR income limit for their group size.

- . Incorrect, late reported or omitted information causing an OI can result in cash repayment or benefit reduction.
- . A timely hearing request can delete a proposed benefit reduction.

## **INTENTIONAL PROGRAM VIOLATION**

### **DEFINITIONS**

#### **All Programs**

#### **Suspected IPV**

**Suspected IPV** means an OI exists for which all three of the following conditions exist:

- . The client **intentionally** failed to report information **or intentionally** gave incomplete or inaccurate information needed to make a correct benefit determination, **and**
- . The client was clearly and correctly instructed regarding his or her reporting responsibilities, **and**
- . The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

Intentional Program Violation (IPV) is suspected when there is clear and convincing evidence that the client or CDC provider has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM, Item 720, p. 1.

The federal Food Stamp regulations read in part:

- (c) Definition of Intentional Program Violation. Intentional Program Violation shall consist of having intentionally:
  - (1) made a false or misleading statement, or misrepresented, concealed or withheld facts; or

- (2) committed any act that constitutes a violation of the Food Stamp Act, the Food Stamp Program Regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of coupons, authorization cards or reusable documents used as part of an automated benefit delivery system (access device). 7 CFR 273.16(c).

The federal Food Stamp regulations read in part:

(6) Criteria for determining intentional program violation. The hearing authority shall base the determination of intentional program violation on clear and convincing evidence which demonstrates that the household member(s) committed, and intended to commit, intentional program violation as defined in paragraph (c) of this section. 7 CFR 273.16(c)(6).

## **IPV**

### **FIP, SDA AND FAP**

**IPV** exists when the client/AR is determined to have committed an Intentional Program Violation by:

- . A court decision.
- . An administrative hearing decision.
- . The client signing a DHS-826, Request for Waiver of Disqualification or DHS-83, Disqualification Consent Agreement, or other recoupment and disqualification agreement forms. BAM, Item 720, p. 1.

### **FIP Only**

The Aid to Families with Dependent Children (ADC) program was succeeded by the Family Independence Program (FIP). Treat these programs as interchangeable when applying IPV disqualification policy.

**Example:** Clients who committed an IPV while receiving ADC are to be disqualified under the FIP program. BAM, Item 720, p. 2.

### **FAP Only**

**IPV** exists when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked. BAM 720, p. 2.

### **MA and CDC Only**

IPV exists when the client/AR or CDC provider:

- . is found guilty of fraud by a court, **or**
- . signs a DHS-4630 **and** the prosecutor or Office of Inspector General (OIG) authorizes recoupment in lieu of prosecution. BAM, Item 720, p. 2.
- . is found responsible for the IPV by an administrative law judge conducting an IPV or Debt Establishment Hearing. BAM, Item 720, p. 2.

### **OVERISSUANCE AMOUNT**

#### **FIP, SDA, CDC and FAP Only**

The amount of the OI is the amount of benefits the group or provider actually received minus the amount the group was eligible to receive. BAM 720, p. 6.

### **FAP Only**

When the OI involves two or more FAP groups which should have received benefits as one group, determine the OI amount by:

- . Adding together all benefits received by the groups that must be combined, **and**
- . Subtracting the correct benefits for the one combined group. BAM 720, pp. 6-7.

### **FAP Trafficking**

The OI amount for trafficking-related IPV is the value of the trafficked benefits as determined by:

- . the court decision, **or**

- . the individual's admission, **or**
- . documentation used to establish the trafficking determination. BAM 720, p. 7.

### **IPV Hearings**

#### **FIP, SDA, CDC, MA and FAP Only**

OIG represents DHS during the hearing process for IPV hearings.

OIG requests IPV hearings for cases when no signed DHS-826 or DHS-830 is obtained, and correspondence to the client is not returned as undeliverable, or a new address is located.

OIG requests IPV hearing for cases involving:

1. FAP trafficking OIs that are not forwarded to the prosecutor.
2. Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
  - . The total OI amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, **or**
  - . The total OI amount is less than \$500, **and**
    - .. The group has a previous IPV, **or**
    - .. The alleged IPV involves FAP trafficking, **or**
    - .. The alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
    - .. The alleged fraud is committed by a state/government employee.

Excluding FAP, OIG will send the OI to the RS to process as a client error when the DHS-826 or DHS-830 is returned as undeliverable and no new address is obtained. BEM, Item 720, p. 10.

## **DISQUALIFICATION**

### **FIP, SDA and FAP Only**

Disqualify an active **or** inactive recipient who:

- . is found by a court or hearing decision to have committed IPV, **or**
- . has signed a DHS-826 or DHS-830, **or**
- . is convicted of concurrent receipt of assistance by a court, **or**
- . for FAP, is found by SOAHR or a court to have trafficked FAP benefits.

A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits. BAM 720, pp. 12-13.

### **Standard Disqualification Periods**

#### **FIP, SDA and FAP Only**

The standard disqualification period is used in all instances except when a **court** orders a different period (see **Non-Standard Disqualification Periods**, in this item).

Apply the following disqualification periods to recipients determined to have committed IPV:

- . One year for the first IPV
- . Two years for the second IPV
- . Lifetime for the third IPV

#### **FIP and FAP Only**

- . Ten years for concurrent receipt of benefits (see BEM 203). BAM 720, p. 13.

In this case, the Department has established that Respondent was aware of the responsibility to report all income and employment to the Department. The Department's policy requires clients to report any change in circumstances that will affect eligibility or benefit amount within ten days. BAM, Item 105, p. 7. The Respondent has no apparent physical or mental impairment that limits the understanding or ability to fulfill the reporting responsibilities. The Respondent

completed an application for assistance on February 1, 2007. On this application, the Respondent indicated that he was unemployed as he was laid off from the [REDACTED]. The caseworker documented that Claimant reported his only source of income was unemployment benefits in her notes when taking the application. There is also a note from the caseworker dated 4/26/07 that Respondent came in and requested a denial letter so he could get into a drug program.

There is no competent evidence in the record on whether Respondent did or did not report his return to work during the second quarter of 2007. The caseworker's note of 4/26/07 shows that Respondent did communicate with the caseworker during the second quarter of 2007. There is no competent evidence in the record on whether Respondent did or did not report the end of his employment with the [REDACTED] and the beginning of income from Unemployment Compensation Benefits (UCB) in December 2007. There is no clear and convincing evidence in this record that Respondent intentionally failed to report his return to employment during the second quarter of 2007 or receipt of Unemployment Compensation Benefits (UCB) beginning in December 2007.

Clear and convincing evidence is evidence that "produce[s] in the mind of the trier of fact a firm belief or conviction as to the truth of the allegations sought to be established, evidence so clear, direct, and weighty and convincing as to enable [the fact finder] to come to a clear conviction, without hesitancy, of the truth of the precise facts in issue." *In re Martin*, 450 Mich 204, 227; 538 NW2d 399 (1995), quoting *In re Jobes*, 108 NJ 394, 407-408; 529 A2d 434 (1987).

This Administrative Law Judge finds that the Department fails to meet its burden, by a clear and convincing standard, that the Respondent *intended* to commit an intentional program violation.

### **DECISION AND ORDER**

The Administrative Law Judge, decides that the evidence is insufficient to establish that the Respondent committed a first intentional FAP violation. Therefore the Department's action cannot be upheld.

Take note that this decision does not preclude the Department from revisiting Respondent's Food Assistance Program (FAP) benefits and pursuing an overissuance if one is properly determined.
