IN THE MATTER OF:

Reg. No.: 201044318  
Issue No.: 2001  
Case No.: [REDACTED]  
Load No.: [REDACTED]  
Hearing Date: August 18, 2010  
Wayne County DHS (15)

**ADMINISTRATIVE LAW JUDGE:** Christian Gardocki

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon the claimant's request for a hearing. After due notice, a telephone hearing was held on August 18, 2010. The claimant appeared and testified. On behalf of Department of Human Services (DHS), [REDACTED], Manager, and [REDACTED], Specialist, appeared and testified.

**ISSUE**

Whether DHS properly denied Claimant's application for MA benefits due to failure to allege a disability, and a freeze on enrollments for Adult Medical Program (AMP) benefits.

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material, and substantial evidence on the whole record, finds a material fact:

1. Claimant applied for MA benefits on 6/22/10.
2. Claimant indicated in his Assistance Application that he is not one of the following: pregnant, senior (65 years or older), under 21 years, caretaker of minor children or disabled.
3. On an unknown date, DHS denied Claimant's application for MA benefits due to excess income.

4. Claimant requested a hearing on 6/28/10 concerning the denial of MA benefits; Claimant also requested a hearing concerning Food Assistance Program benefits but testified that this issue was resolved.

### **CONCLUSIONS OF LAW**

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

MA provides medical assistance to individuals and families who meet financial and nonfinancial eligibility factors. The goal of the MA program is to ensure that essential health care services are made available to those who otherwise would not have financial resources to purchase them. DHS offers many programs through which MA benefits may be obtained. AMP is one of the various MA programs offered by DHS.

The Adult Medical Program (AMP) is established by Title XXI of the Social Security Act; (1115) (a) (1) of the Social Security Act, and is administered by the Department of Human Services (formerly known as the Family Independence Agency) pursuant to MCL 400.10, *et seq.* Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

Persons may qualify for MA benefits under more than one MA category. Federal law gives them the right to the most beneficial category. The most beneficial category is the one that results in eligibility or the least amount of excess income. BEM 105 at 2. As a non-pregnant, non-disabled, non-caretaker between the age of 21-65 years of age, Claimant is not eligible for any MA category except AMP benefits.

DHS denied Claimant's AMP benefits due to excess income. No testimony was needed concerning Claimant's income as DHS has frozen AMP benefits to new enrollments. BEM 640 at 1. It is found that DHS properly denied Claimant's application for MA benefits.

Claimant testified that he now considers himself to be disabled. Claimant may reapply for any benefits at any time. Claimant is encouraged to immediately reapply for MA benefits and to state within his benefit application that he is disabled. Upon the submission of Claimant's application, DHS will re-evaluate Claimant's eligibility for MA benefits based on his claim of disability.

**DECISION AND ORDER**

The actions taken by DHS are AFFIRMED. The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that DHS properly denied Claimant's request for MA benefits.
