ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF: [REDACTED],
Claimant

Reg. No: 2010-44668
Issue No: 1038
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:
September 2, 2010
Chippewa County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Morris

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on September 2, 2010. The claimant personally appeared and provided testimony. The record was left open until September 16, 2010 to allow the claimant to submit further documentation.

ISSUE

Did the department properly terminate and sanction the claimant's Family Independence Program (FIP) benefits for noncompliance with Work First/Jobs, Education and Training (WF/JET) requirements?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant was mailed a JET Appointment Notice (DHS-4785) on February 26, 2010, scheduling her orientation for March 9, 2010. (Department Exhibit 1)

2. The claimant attended WF/JET on this date and signed the Work and/or Self-Sufficiency Rules for Cash Recipients. (Department Exhibit 2)
3. On March 6, 2010, the claimant completed a Workforce Participation Plan that listed regular and back-up child care providers and transportation. (Department Exhibit 25)
4. The claimant was assigned to begin work experience at Goodwill beginning on April 21, 2010. The claimant did not attend. WF/JET placed her in triage status. (Department Exhibit 3)
5. The claimant was mailed a Notice of Noncompliance (DHS-2444) on May 12, 2010, scheduling her for a triage appointment on May 18, 2010. (Department Exhibit 6)
6. The claimant signed the First Noncompliance Letter (DHS-754) on May 19, 2010 and agreed to volunteer at Goodwill Industries beginning on May 18, 2010. (Department Exhibit 8)
7. The claimant did complete the terms of the First Noncompliance Letter and was to continue with WF/JET. (Department Exhibit 9)
8. The claimant failed to attend appointments on June 2, 2010 and June 11, 2010. WF/JET again requested a triage appointment for the claimant. (Department Exhibit 10)
9. On July 1, 2010, the claimant was mailed a Notice of Noncompliance (DHS-2444), scheduling a triage appointment for July 6, 2010. (Department Exhibit 12 – 13)
10. The claimant did not attend the triage and the department found no good cause for the noncompliance. (Department Exhibit 14)
11. On July 19, 2010, the claimant was mailed a Notice of Case Action (DHS-1605) that indicated her FIP case would close due to the noncompliance. (Department Exhibit 21 – 22)
12. The claimant submitted a hearing request on July 26, 2010.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy indicates:

DEPARTMENT PHILOSOPHY

FIP

DHS requires clients to participate in employment and self-sufficiency-related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency-related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

DEPARTMENT POLICY

FIP

A Work Eligible Individual (WEI), see BEM 228, who fails, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

See BEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see BEM 233C. BEM 233A, p. 1.

NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELF-SUFFICIENCY-RELATED ACTIVITIES

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
 - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
 - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
 - .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
 - .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.
 - .. Appear for a scheduled appointment or meeting related to assigned activities.
 - .. Provide legitimate documentation of work participation.
 - .. Participate in employment and/or self-sufficiency-related activities.
 - .. Accept a job referral.
 - .. Complete a job application.
 - .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.

- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pp. 1-2.

GOOD CAUSE FOR NONCOMPLIANCE

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. Document the good cause determination in Bridges and the FSSP under the “Participation and Compliance” tab.

See “School Attendance” BEM 201 for good cause when minor parents do not attend school.

Employed 40 Hours

Client Unfit

Good cause includes the following:

- . The person is working at least 40 hours per week on average and earning at least state minimum wage.
- . The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

Illness or Injury

The client has a debilitating illness or injury, or an immediate family member’s illness or injury requires in-home care by the client.

Reasonable Accommodation

The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client's disability or the client's needs related to the disability. BEM 233A, pp. 3-4.

No Child Care

The client requested Child Day Care Services (CDC) from DHS, the MWA, or other employment services provider prior to case closure for noncompliance and CDC is needed for a CDC-eligible child, but none is appropriate, suitable, affordable and within reasonable distance of the client's home or work site.

- . **Appropriate.** The care is appropriate to the child's age, disabilities and other conditions.
- . **Reasonable distance.** The total commuting time to and from work and child care facilities does not exceed three hours per day.
- . **Suitable provider.** The provider meets applicable state and local standards. Also, providers (e.g., relatives) who are NOT registered/licensed by the DHS Office of Child and Adult Services must meet DHS enrollment requirements for day care aides or relative care providers. See PEM 704.
- . **Affordable.** The child care is provided at the rate of payment or reimbursement offered by DHS.

No Transportation

The client requested transportation services from DHS, the MWA, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.

Illegal Activities

The employment involves illegal activities.

Discrimination

The client experiences discrimination on the basis of age, race, disability, gender, color, national origin, religious beliefs, etc. BEM 233A, p. 4.

Unplanned Event or Factor

Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to the following:

- . Domestic violence.
- . Health or safety risk.
- . Religion.
- . Homelessness.
- . Jail.
- . Hospitalization.

Comparable Work

The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.

Long Commute

Total commuting time exceeds:

- . Two hours per day, NOT including time to and from child care facilities, **or**
- . Three hours per day, including time to and from child care facilities. BEM 233A, pp.4-5.

EFIP

EFIP unless noncompliance is job quit, firing or voluntarily reducing hours of employment.

NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for 3 calendar months.

- . For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

TRIAGE

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirement within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box “Client Agreed by Phone”. Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

If the FIS, JET case manager, or MRS counselor do not agree as to whether “good cause” exists for a noncompliance, the case must be forwarded to the immediate supervisors of each party involved to reach an agreement.

DHS must be involved with all triage appointment/phone calls due to program requirements, documentation and tracking.

Note: Clients not participating with JET must be scheduled for a “triage” meeting between the FIS and the client. This does not include applicants. BEM 233A, p. 7.

Good Cause Established

If the client establishes good cause within the negative action period, do **NOT** impose a penalty. See “Good Cause for Noncompliance” earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the “Participation and Compliance” tab.

Good Cause NOT Established

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. BEM 233A, pp. 10-11.

Noncompliance is defined by department policy as failing or refusing to do a number of activities, such as attending and participating with WF/JET, completing the FAST survey, completing job applications, participating in employment or self-sufficiency-related activities, providing legitimate documentation of work participation, etc. BEM 233A. In this case, the claimant does not dispute that she was noncompliant with WF/JET program requirements. The claimant admits that she was to attend appointments on June 2 and June 11, 2010 and did not attend the appointments. This is failure to participate and is noncompliance.

The claimant indicates that she believes she had good cause for her noncompliance. Good cause is defined as a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. BEM 233A.

The claimant testified at the hearing that she was unable to attend the appointments because she was unable to find transportation and a family emergency. The claimant testified that she didn't receive the notice of the first appointment until June 1, 2010 and that she called

and cancelled the appointment because she didn't have transportation. The claimant further testified that she received the second notice of appointment and couldn't attend because her brother was in the hospital. Department policy indicates that good cause can include situations where the client has a debilitating illness or injury, or an immediate family member's illness or injury requires in-home care by the client. While the claimant did provide a newspaper article that her brother was in the hospital on June 10, 2010 due to a burn injury, there is no evidence presented that she had to care for him.

Department policy indicates that transportation issues can be considered good cause when the client requested transportation services from DHS or WF/JET prior to case closure and reasonably priced transportation is not available to the client. However, the client indicated that she had back-up transportation in her Workforce Participation Plan on March 6, 2010. Further, the claimant admitted in her testimony at this hearing that her mother could have driven her to the appointments with WF/JET and the triage appointment.

Department policy provides a triage appointment to allow the claimant to submit any evidence of good cause. The claimant did not attend this appointment. The claimant indicated that she was unable to attend the triage appointment because of transportation issues. The claimant testified that she called the department on July 6, 2010 to inquire about a telephone triage, but did not hear back from the department. While the claimant testified that she called the department and requested her triage be held by telephone, the worker testified that she did not receive any telephone calls from the claimant on July 6, 2010. If the claimant had good cause reasons to address, she needed to present them at the triage appointment. The claimant admitted in the hearing that her mother could have driven her to the triage appointment and to the

appointments with her WF/JET worker. Thus, this Administrative Law Judge is unable to find that transportation or her brother's injury was good cause for the noncompliance.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly terminated the claimant's Family Independence Program (FIP) benefits for noncompliance with WF/JET requirements.

Accordingly, the department's actions are UPHELD. SO ORDERED.
