## DEPARTMENT POLICY

## All Programs

.

**Verification** means documentation or other evidence to establish the accuracy of the client's v erbal or written statements.

Obtain verification when:

- . required by policy. BEM it ems specify which factors and under what circumstances verification is required.
- required as a loc al office option. The requirement must be applied the same for every client. Local requirements may not be imposed for MA, TMA-Plus or AMP without prior approval from central office.
  - information regarding an eligib ility factor is unclear, inconsistent, incomplete or contradictory. The

questionable information might be from the client or a third party. BAM, Item 130, p. 1.

Verification is usually required at application/redetermination **and** for a reported change affecting eligibility or benefit level. BAM, Item 130, p. 1.

Verification is **not** required:

- when the client is clearly ineligible, or
- for excluded income and assets **unless** needed to establish the exclusion. BAM, Item 130, p. 1.

# **Obtaining Verification**

## All Programs

Tell the client what verification is required, how to obtain it, and the due date (see "**Timeliness Standards**" in this item). Use the DHS-3503, Verifica tion Check list, or for MA redeterminations, the DHS-1175, MA Determination Notice, to request verification. BAM, Item 130, p. 2.

The client must obtain require d verification, but you must assist if they need and request help. BAM, Item 130, p. 2.

If neither the client nor you can obtain verification despite a reasonable effort, use the best available information. If **no** evidence is available, use your best judgment.

*Exception:* Alien inf ormation, blindness, disability, incapacity, incapabilit y to dec lare one's residence and, for FIP only, pregnancy must be verified. Citizens hip and identity must be verified for clie nts claiming U.S. citizenship for applicants and recipients of FIP, SDA and MA. BAM, Item 130, p. 3.

## **Timeliness Standards**

## All Programs (except TMAP)

Allow the client 10 calendar days (**or** other time limit specified in policy) to provide the verification you request. If the client can<u>not</u> provide t he verific ation des pite a reasonable effort, extend the time limit at least once. BAM, Item 130, p. 4.

In the instant case, the department indicat ed that claimant failed to verify or allow the department to verify information necessary to determine eligibilit y for the program. Claimant did not attend the ma ndatory in-person meetings for t he Medical Assistance application and did not provide verification information in a timely manner and also stated on her application that she was able to work even though she had a disability.

The department has established by the nece ssary competent, material and substantial evidence on the record that it was acting in compliance with department policy when it denied claimant's application based upon her failure t o provide verification information and on her failure to attend her in-person hearing as well as her statement on the application that she was disabled and able to work. A person who is able to work is not considered disabled under department policy.

Accordingly, the department's decision is AFFIRMED.
