## CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconc iliation Act of 1996, P ublic Law 104-193, 8 USC 601, et seq. The Department of Human Services (DHS or Department) administers the FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program replaced the Ai d to Dependent Children (ADC) program effective October 1, 1996. De partment policies are found in the Bridges Administrative Manual (BAM), the Bridges Elig ibility Manual (BEM), Refe rence Table Manual (RF T), and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public as sistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by DHS w hen the client applies for cash assistance. Jobs, Education and Training (JET) progr am requirements, education and training opportunities, and as sessments will be c overed by t he JET case manager when a mandatory JET participant is referred at application. PEM 229, p. 1.

Federal and State laws require each work eligib le individual (WEI) in the FIP and RAP group to participate in the Jobs, Educati on and T raining (JET) Program or other employment-related activities unless temporar ily deferred or engaged in activities that meet participation requirements. These c lients must participate in employment and/or self-sufficiency-related activities to incr ease their employabilit y and obtain stab le employment. JET is a program administer ed by the Michigan D epartment of Labor and Economic Growth (D LEG) through the Mi chigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skille d workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in as signed employment and/or self-sufficiency-related activities. PEM 230A, p. 1.

Noncompliance of applic ants, recipients, or member adds means doing any of the following without good cause:

### 2010-50145/KS

- Failing or refusing to:
  - Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
  - Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
  - Develop a Family Se If-Sufficiency Plan (F SSP) or a Personal Respons ibility Plan and Family Contract (PRPFC).
  - Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP).
  - Provide legitimate documentation of work participation.
  - Appear for a scheduled appointment or meeting related to assigned activities.
  - Participate in employment and/or self-sufficiencyrelated activities.
  - Accept a job referral.
  - Complete a job application.
  - Appear for a job interview (see the exception below).
- Stating orally or in writing a definite intent not to comply with program requirements.
- Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- Refusing employment support services if the refusal prevents participation in an employment and/or s elfsufficiency-related activity. PEM 233A, pp. 1-2.

The Department is required to send a DHS -2444, Notice of Employment and/or Self Sufficiency Related Noncompliance within noncompliance which must in clude the date of noncompliance e, the reason the client

was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. PEM 233A, p. 9

Good cause is a valid reason for nonc ompliance wit h employ ment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant per son. A claim of good c ause must be verified and doc umented for member adds and recipients. If it is determined at triage that the client has good cause , and good cause issues have been resolved, the client should be sent back to JET. PEM 233A, p. 4, 5

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good c ause must be considered even if the client does not attend, with particular attention to that have not been diagnosed or ident accommodation. PEM 233A, p. 9

The penalty for noncomplianc e without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- For the first occurrence on the FIP case, close the FIP for not less than 3 calendar mont hs unless the client is excused from the noncomplianc e as noted in "First Case Noncompliance Without Loss of Benefits" below.
- For the second occur rence on the FIP case, close the FIP for not less than 3 calendar months.
- For the third and subsequent occurrence on the FIP case, close the FIP for not less than 12 calendar months.
- The penalty counter also begins April 1, 2007 regardless of the previous num ber of noncompliance penalties. PEM, Item 233A.

Noncompliance, without good cause, with employment r equirements for FIP/RAP(SEE PEM 233A) may affect FAP if both progr ams were active on the date of the FIP noncompliance. PEM 233b, p. 1 The FAP group member should be disqualified for noncompliance when all the following exist:

- The client was active bot h FIP and FAP on the date of the FIP noncompliance, and
- The client did not comply wit h FIP/RAP employment requirements, and

- The client is s ubject to a penalty on the FIP/RA P program, and
- The client is not deferred from FAP work requirements, and
- The c lient did not have good c ause for the noncompliance. PEM 233B, p.2

The Department should budget the Last FIP grant amount on the FAP budget for the number of months that corres ponds with the FIP penalty (e ither three months for the first two noncomplianc es or 12 months for the third and subseq uent noncompliances) after the FIP case closes for employment and/or self sufficiency-related noncompliance. The Last F IP grant amount is the grant amount the client received immediat ely before the FIP case closed.

Clients must report changes in circumstance that potentially affect eligibility or benefit amount within 10 days of receiving the first payment reflecting the change. BAM 105. Income reporting requirements are limited to the following:

Earned income:

- Starting or stopping employment
- Changing employers.
- Change in rate of pay.
- Change in work hours of more than five hours per week that is expected to continue for more than one month.

Unearned income:

- Starting or stopping a source of unearned income.
- Change in gross monthly income of more than \$50 since the last reported change.

Other changes:

- Persons in the home
- Marital status.
- Address and shelter cost changes that result from the move.

- Vehic les.
- Assets.
- Child support expenses paid.
- Health or hospital coverage and premiums.
- Day care needs or providers. BAM 105

The Claimant was an ongoing F IP recipient and had been referred to the JET program as a condition of rec eiving FIP benefits. The Claimant stopped attending h er JET programming on Apr il 6, 2010, and had not returned to t he JET program by April 13, 2010. The Department conducted a triage meeting on April 26, 2010, where the Claimant was given the opportunity to establish good cause for her noncompliance with the JET program. The Claimant did not attend this meeting, and the Department did not find good cause for her noncompliance. The Department terminated the Claimant's FIP benefits effective June 1, 2010.

The Claim ant argued that s he would hav e been able to es tablish good c ause for her noncompliance with the JET prog ram if she had receiv ed notice of the triage meeting. The Claim ant testified that her daughter's medical problem s were a ba rrier to her compliance with the JET program.

The Department testified that on March 25, 2010, the Claimant reported that she would be moving soon, but that s he would continue to receive mail at her current mailing address. Case notes in the Claimant's c ase file docum ent that the Clai mant told he r caseworker that she had received the notice of the triage meeting.

The Claimant testified that she had gotten in to a disagreem ent with a roommate at her previous residence, and that this prevented her from receiving her mail at that location.

The Claimant has a duty to r eport changes in her circumstances within 10 days , including c hanges in residence. If the Cla imant was having difficulties ac cessing a previous r esidence that she was using as a mailing address, the Claim ant did not establish that she reported these circumstances to her caseworker.

The Department testified that it sent the notice of the tri age meeting to the address that where the Claimant reported that she would be receiving her mail. The proper mailing and addressing of a letter creates a presumption of receipt. That presumption may be rebutted by evidenc e. *Stacey v Sankovich*, 19 Mich App 638 (1969); *Good v Detroit Automobile Inter-Insurance Exchange*, 67 Mich App 270 (1976). In this case, the Claimant failed to rebut the presumption of receipt.

The Department's determination that t he Claimant did not hav e good cause for her noncompliance with the JET program is reasonable, and the Department has established that it properly sanctioned the Claimant's JET benefits case.

# **DECISION AND ORDER**

The Administrative Law Judge, based upon t he above findings of fact and conclusion s of law, decides that the D epartment acted in accordance with policy when it sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with the Jobs, Education, and Training (JET) program.

The Department's FIP sanction is AFFIRMED. It is SO ORDERED.
