Claimant

Reg. No: 2010-5339
Issue No: 3002
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:
December 10, 2009
Genesee County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on December 10, 2009. The claimant personally appeared and provided testimony. The claimant's two sons, [REDACTED] and [REDACTED], attended for moral support, but did not provide any testimony.

ISSUE

Did the department properly budget the claimant's Food Assistance Program (FAP) benefits beginning in October, 2009?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant's case came due for a Semi-Annual Contact during the month of September, 2009. The claimant completed and returned the form on September 21, 2009. (Department Exhibit 3 – 4).

2. The claimant reported that she was earning \$561 monthly from the State of Michigan as a home health aide. This amount had not been previously budgeted by the department. (Department Exhibit 4).
3. This was confirmed by a Bridges wage match report. (Department Exhibit 5).
4. The claimant also receives \$933 in monthly RSDI.
5. A Bridges FAP budget was run using both the claimant's RSDI and earned income. Using the claimant's reported expenses of \$421 for rent and the \$555 heat/utility standard, the claimant was eligible for a monthly FAP benefit of \$16. (Department Exhibit 6 -8).
6. The claimant submitted a hearing request on October 12, 2009.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Department policy states:

**RETIREMENT, SURVIVORS, AND DISABILITY
INSURANCE (RSDI) (AKA SOCIAL SECURITY
BENEFITS)**

All Programs

RSDI is available to retired and disabled persons, their dependents, and survivors of deceased workers.

Count the gross benefit amount as unearned income. PEM, Item 500, p. 29.

INCOME

DEPARTMENT POLICY

All Programs

The group composition and program budgeting items specify whose income to count. The program budgeting items might also contain program-specific income deductions or disregards.

Income means benefits or payments measured in money. It includes money a person owns even if NOT paid directly such as stock dividends automatically reinvested and income paid to a representative.

Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income means all income that is NOT earned income. The item specifies whether the income is earned or unearned.

The amount of income counted may be more than the amount a person actually receives, because it is the amount before any deductions including deductions for taxes and garnishments. The amount before any deductions is called the **gross** amount. PEM, Item 500, p. 1.

Wages

All Programs

Wages are the pay an employee receives from another person or organization. Wages include salaries, tips, commissions, bonuses, severance pay and flexible benefits plan funds.

Count an employee's regular wages paid during a vacation or illness as earned income.

Count a wage advance as earnings when the employer actually pays it. Do NOT count the money withheld to offset the advance.

Count wages held by the employer at the request of the employee. However, wages held as a general practice by the employer are NOT income until actually paid.

Exception: Income received in one month that is intended to cover several months (e.g., contractual income) is considered available in each of the months covered by the income.

Count gross wages except as explained in this item for:

- . "EIC"
- . "Flexible Benefits"
- . "Strikers"
- . "Student's Earnings"

PEM, Item 500, p. 15.

INCOME DEDUCTIONS

FIP and SDA Only

Income deductions are available at both the member and the group level. Apply deductions in the order they are presented in this item. PEM, Item 518, p. 4.

Earned Income Disregard

Deduct \$200 from each person's countable earnings. Then deduct an additional 20% of each person's remaining earnings. The total disregard cannot exceed countable earnings. Apply this disregard separately to each program group member's earned income. PEM, Item 518, p. 4.

A non-categorically eligible, non-SDV FS group must have income below the gross and net income limits. PEM, Item 550, p. 1.

Use **only** available, countable income to determine eligibility. PEM 500 defines countable income. PEM 505 defines available income and income change processing. This item describes income budgeting policy. PEM, Item 550, p. 1.

Always calculate income on a calendar month basis to determine eligibility and benefit amounts. Use income from a month specified in this item for the benefit month being considered.

Budget the entire amount of earned and unearned countable income. Gross countable earned income is reduced by a 20% earned income deduction. Every case is allowed the standard deduction shown in RFT 255. PEM, Item 550, p. 1.

Housing Expenses

Housing expenses include rent, mortgage, a second mortgage, home equity loan, required condo or maintenance fees, lot rental or other payments including interest leading to ownership of the shelter occupied by the FAP group.

The expense must be a continuing one. Payments that exceed the normal monthly obligation are **not** deductible as a shelter expense unless the payment is necessary to prevent eviction or foreclosure, **and** it has **not** been allowed in a previous FAP budget. Additional expenses for optional charges, i.e., carport, pets, etc. are **not** allowed. PEM, Item 554, p. 9.

MANDATORY HEAT AND UTILITY STANDARD

Heat Separate from Housing Costs

A FAP group which has a heat expense or contributes to the heat separate from rent, mortgage or condominium /maintenance payments, must use the Heat and Utility Standard. This standard covers all heat and utility costs except **actual utility expenses, i.e. installation fees**, etc. (See Actual Utilities in this item.) Do **not** prorate the Heat and Utility Standard even if the heat expense is shared.

FAP groups that qualify for the Heat and Utility Standard **do not** receive any other individual utility standards. PEM, Item 554, p. 11.

When determining eligibility for FAP benefits, the household's total income must be evaluated. All earned and unearned income of each household member must be included unless specifically excluded. PEM 500. The FAP program provides a deduction from earned income of 20% and a deduction for the cost of child care when necessary to enable a FAP household member to work. A standard deduction from income of \$132 is allowed. Certain non-reimbursable medical expenses above \$35 a month may be deducted for senior/disabled/veteran group members. Another deduction from income is provided if monthly shelter costs are in excess of 50% of the household's income after all of the other deductions have been allowed, up

to a maximum of \$300 for non-senior/disabled/veteran households. PEM 500 and 554; Program Reference Manual, Table 255; 7 CFR 273.2.

In this case, the Administrative Law Judge has reviewed the FAP budget and finds that the department properly computed the claimant's net income. The federal regulations at 7 CFR 273.10 provide standards for the amount of a household's benefits. The department in compliance with the federal regulations has prepared issuance tables which are set forth at Program Reference Manual, Table 260. The issuance table provides that a household with household size and net income of the claimant is eligible for an FAP allotment of \$16.

In this case, it was explained to the claimant that the reason for the FAP benefit amount change, was because the department had not budgeted in her earned income previous to the most current budget.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly budgeted the claimant's FAP benefits beginning October, 2009.

Accordingly, the department's actions are UPHeld. SO ORDERED.
