Issue No: 3002

Case No: ██████████

Load No: ██████████

Hearing Date:

Muskegon County DHS

ADMINISTRATIVE LAW JUDGE:

Steven M. Brown

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from ██████████ on January 5, 2010.

ISSUE

Whether the Department properly denied Claimant's Food Assistance Program (FAP) application?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

(1) On October 7, 2009 Claimant completed and filed an application for FAP benefits.

(2) On October 15, 2009, the Department completed a FAP budget which resulted in a FAP allotment of ██████ due to excess income. (Exhibits 2-7)

(3) On October 15, 2009, the Department mailed Claimant a Notice of Case Action which explained the reason for the denied application. (Exhibit 8)

(4) On November 6, 2009, the Department received the Claimant's hearing request protesting the denial of her application.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department), administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Departmental policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Bridges Reference Manual (BRM).

For FAP purposes, all earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income means ALL income that is not earned and includes FIP, RSDI, SSI and UB. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. BEM 500

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected.

Prospective budgeting is the best estimate of the client's future income. BEM 505

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15.

BEM 505

In the instant case, Claimant did not dispute the denial of her FAP application, but expressed her dissatisfaction with the Department's communication during the application process. Claimant was advised that client complaints against Department employees may not be reviewed through the administrative hearing process, therefore, the undersigned does not have jurisdiction in this regard.

With that said, based on the testimony and documentation offered at hearing, I find that the Department established that it acted in accordance with policy in denying Claimant's FAP application.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy in denying Claimant's FAP application.

Accordingly, the Department's FAP eligibility determination is AFFIRMED, it is SO ORDERED.
