ISSUE

Whether the Department properly computed the Claimant's Food Assistance Program (FAP) and Medical Assistance (MA) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant is a FAP recipient and was a ██████████ recipient.
- (2) Claimant receives FAP benefits in the amount of ██████████/mo.

(Exhibits 1-4)

(3) On October 1, 2009, the Department mailed Claimant a Notice of Case Action informing him that his MA case was cancelled effective November 1, 2009 because the deductible had not been met in at least one of the last 3 months. (Exhibit 11)

(4) On October 19, 2009, the Department received Claimant's hearing request.

### CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department), administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Departmental policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Bridges Reference Manual (BRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

For FAP purposes, all earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit.

Unearned income means ALL income that is not earned and includes FIP, RSDI, SSI and UB. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. BEM 500

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected.

Prospective budgeting is the best estimate of the client's future income. BEM 505

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15.

BEM 505

For MA purposes, meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month tested. The group must report expenses by the last day of the third month following the month it wants MA coverage for. BEM 545

In the instant case, based on the testimony and documentation received at and after hearing, I find that the Department established that it acted in accordance with policy in computing Claimant's FAP and MA eligibility.

#### DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy in computing Claimant's FAP and MA eligibility.

Accordingly, the Department's FAP and MA eligibility determinations are AFFIRMED, it is SO ORDERED.
