HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from [REDACTED] on February 4, 2010.

ISSUE

Whether the Department properly computed the Claimant's Food Assistance Program (FAP) eligibility?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant is a FAP recipient.
- (2) On September 25, 2009, the Department received Claimant's Semi-Annual Contact Report form and supporting verifications. (Exhibits 19-23)

(3) On November 10, 2009, the Department processed the Semi-Annual Contact Report including Claimant's job change.

(4) On November 10, 2009, the Department completed FAP budgets which resulted in a monthly FAP reduction from [REDACTED] in October to [REDACTED] in November and [REDACTED] in December 2009. (Exhibits 1-18, 24-25)

(5) On November 10, 2009, the Department mailed Claimant a Notice of Case Action which explained that Claimant's monthly FAP reduction was a result of a change in income. (Exhibits 26-27)

(6) On November 13, 2009, the Department received the Claimant's hearing request.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department), administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Departmental policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Bridges Reference Manual (BRM).

For FAP purposes, all earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income means ALL income that is not earned and includes FIP, RSDI, SSI and

UB. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. BEM 500

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected.

Prospective budgeting is the best estimate of the client's future income. BEM 505

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15.

BEM 505

In the instant case, Claimant's monthly FAP allotment decreased as a result of increased income. The [REDACTED] allotment was based on earned income of [REDACTED] and the [REDACTED] was based on earned income of [REDACTED]. According to the Department, the [REDACTED] FAP allotment for November was due to Claimant not timely reporting her job change and, therefore, not receiving the earned income deduction for November. The Department failed to establish at hearing and during the time allotted after hearing exactly what policy dictates that Claimant is not entitled to the earned income reduction under these circumstances.

With the above said, based on the testimony and documentation offered at hearing, I do not find that the Department established that it acted in accordance with policy in computing Claimant's FAP eligibility for November 2009.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, does not find that the Department acted in accordance with policy in computing Claimant's FAP eligibility for November 2009.

Accordingly, the Department's FAP eligibility determination is REVERSED, it is SO ORDERED. The Department shall:

- (1) Run a FAP budget for November 2009 to include the earned income deduction.
- (2) Issue Claimant supplemental benefits she is entitled to, if any.
- (3) Notify Claimant in writing of the Department's revised determination.
- (4) Claimant retains the right to request a hearing if she would like to contest the Department's revised determination.
