Issue No: 3055
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37, 7 CFR 273.16, MAC R 400.3130, and MAC R 400.3178 upon the Department of Human Services (department) request for a disqualification hearing. After due notice, a hearing was held on March 24, 2010. Respondent did not appear at the hearing and it was held in respondent's absence pursuant to 7 CFR 273.16(e), MAC R 400.3130(5), or MAC R 400.3187(5).

ISSUE

Whether respondent committed an Intentional Program Violation (IPV) on the Food Assistance Program (FAP) and whether respondent received an overissuance of benefits that the department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

1. Department's Office of Inspector General (OIG) filed a hearing request to establish an overissuance of FAP benefits received by respondent as a result of respondent having committed an Intentional Program Violation (IPV); the OIG also requested that respondent be disqualified from receiving program benefits.

2. Respondent signed Assistance Applications (DHS-1171) on May 8, 2006; and December 21, 2006 acknowledging that she understood her failure to give timely, truthful, complete and accurate wage/employment information could result in a civil or criminal action or an administrative claim against her. (Department Exhibit 1, pages 7 – 16; Department Exhibit 3, pages 19 - 28).

3. Respondent indicated on the May 8, 2006, application that she was employed at [REDACTED]. The respondent indicated on the December 21, 2006 application that she was employed by [REDACTED]. (Department Exhibit 1, pages 7 – 16; Department Exhibit 3, pages 19 - 28).

4. The respondent completed and submitted a Semi Annual Contact form on November 6, 2006. The respondent reported that she was working for First Class Construction. (Department Exhibit 3, pages 17 – 18).

5. On April 24, 2008, the department received a MESC Wage Match which showed that the respondent's mother (included in the program group) has been employed by [REDACTED] and [REDACTED] from April, 2006 through April, 2007. (Department Exhibit 5, pages 35 - 36).

6. The department mailed the employers Verification of Employment forms (DHS-38) to verify the income. The [REDACTED] completed the form and returned it to the department on May 23, 2008. [REDACTED] completed and returned the form and returned it on

April 24, 2008. Both employers indicated that the respondent's mother had been employed during the alleged OI period. (Department Exhibit 4, pages 29 – 34).

7. Respondent received \$1327 in FAP benefits during the alleged fraud period of June and July, 2006 and December, 2006 and January 2007. If the income had been properly reported and budgeted by the department, the respondent would only have been eligible to receive \$327 in FAP benefits. (Department Exhibit 7, pages 38 - 46).

8. Respondent failed to report her mother's employment income in a timely manner, resulting in a FAP overissuance for the months of June and July, 2006, December, 2006 and January, 2007, in the amount of \$1000. (Department Exhibit 7, pages 38 - 46).

9. Respondent was clearly instructed and fully aware of her responsibility to report all household income to the department.

10. Respondent was physically and mentally capable of performing her reporting responsibilities.

11. Respondent has not committed any previous intentional FAP program violations.

12. A Notice of Disqualification Hearing was mailed to respondent at the last known address and was not returned by the U.S. Post Office as undeliverable. Respondent's last known address is: [REDACTED].

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Program

Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In this case, the department has requested a disqualification hearing to establish an overissuance of benefits as a result of an IPV and the department has asked that respondent be disqualified from receiving benefits. The department's manuals provide the following relevant policy statements and instructions for department caseworkers:

BENEFIT OVERISSUANCES

DEPARTMENT POLICY

All Programs

When a client group receives more benefits than they are entitled to receive, DHS must attempt to recoup the overissuance (OI). PAM, Item 700, p. 1.

Definitions

The **Automated Recoupment System (ARS)** is the part of CIMS that tracks all FIP, SDA and FAP OIs and payments, issues automated collection notices and triggers automated benefit reductions for active programs.

A **claim** is the resulting debt created by an overissuance of benefits.

The **Discovery Date** is determined by the Recoupment Specialist (RS) for a client or department error. This is the date the OI is known to exist and there is evidence available to determine the OI type. For an Intentional Program Violation (IPV), the Office of Inspector General (OIG) determines the discovery date. This is the date the referral was sent to the prosecutor or the date the OIG requested an administrative disqualification hearing.

The **Establishment Date** for an OI is the date the DHS-4358A-D, Repay Agreement, is sent to the client and for an IPV, the date the DHS-4357 is sent notifying the client when the disqualification and recoupment will start. In CIMS the "establishment date" has been renamed "notice sent date."

An **overissuance (OI)** is the amount of benefits issued to the client group or CDC provider in excess of what they were eligible to receive. For FAP benefits, an OI is also the amount of benefits trafficked (traded or sold).

Overissuance Type identifies the cause of an overissuance.

Recoupment is a DHS action to identify and recover a benefit OI. PAM 700, p. 1.

PREVENTION OF OVERISSUANCES

All Programs

DHS must inform clients of their reporting responsibilities and act on the information reported within the Standard of Promptness (SOP).

During eligibility determination and while the case is active, clients are repeatedly reminded of reporting responsibilities, including:

- . Acknowledgments on the application form, **and**
- . Explanation at application/redetermination interviews, **and**
- . Client notices and program pamphlets.

DHS must prevent OIs by following PAM 105 requirements and by informing the client or authorized representative of the following:

- . Applicants and recipients are required by law to give complete and accurate information about their circumstances.
- . Applicants and recipients are required by law to promptly notify DHS of all changes in circumstances within 10 days. FAP Simplified Reporting (SR) groups are required to report only when the group's actual gross monthly income exceeds the SR income limit for their group size.
- . Incorrect, late reported or omitted information causing an OI can result in cash repayment or benefit reduction.
- . A timely hearing request can delete a proposed benefit reduction.

INTENTIONAL PROGRAM VIOLATION

DEFINITIONS

All Programs

Suspected IPV

Suspected IPV means an OI exists for which all three of the following conditions exist:

- . The client **intentionally** failed to report information **or intentionally** gave incomplete or inaccurate information needed to make a correct benefit determination, **and**
- . The client was clearly and correctly instructed regarding his or her reporting responsibilities, **and**
- . The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

Intentional Program Violation (IPV) is suspected when there is clear and convincing evidence that the client or CDC provider has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. PAM, Item 720, p. 1. The federal Food Stamp regulations read in part:

- (c) Definition of Intentional Program Violation. Intentional Program Violation shall consist of having intentionally:
- (1) made a false or misleading statement, or misrepresented, concealed or withheld facts; or
 - (2) committed any act that constitutes a violation of the Food Stamp Act, the Food Stamp Program Regulations, or any State statute for the purpose of using, presenting, transferring, acquiring, receiving, possessing or trafficking of coupons, authorization cards or reusable documents used as part of an automated benefit delivery system (access device). 7 CFR 273.16(c).

The federal Food Stamp regulations read in part:

(6) Criteria for determining intentional program violation. The hearing authority shall base the determination of intentional program violation on clear and convincing evidence which demonstrates that the household member(s) committed, and intended to commit, intentional program violation as defined in paragraph (c) of this section. 7 CFR 273.16(c)(6).

IPV

FIP, SDA AND FAP

IPV exists when the client/AR is determined to have committed an Intentional Program Violation by:

- . A court decision.
- . An administrative hearing decision.
- . The client signing a DHS-826, Request for Waiver of Disqualification or DHS-83, Disqualification Consent Agreement, or other recoupment and disqualification agreement forms. PAM, Item 720, p. 1.

FAP Only

IPV exists when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked. PAM 720, p. 2.

OVERISSUANCE AMOUNT

FIP, SDA, CDC and FAP Only

The amount of the OI is the amount of benefits the group or provider actually received minus the amount the group was eligible to receive. PAM 720, p. 6.

IPV Hearings

FIP, SDA, CDC, MA and FAP Only

OIG represents DHS during the hearing process for IPV hearings.

OIG requests IPV hearings for cases when no signed DHS-826 or DHS-830 is obtained, and correspondence to the client is not returned as undeliverable, or a new address is located.

OIG requests IPV hearing for cases involving:

1. FAP trafficking OIs that are not forwarded to the prosecutor.
2. Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**

The total OI amount for the FIP, SDA, CDC, MA and FAP programs combined is \$500 or more, **or**

- . The total OI amount is less than \$500, **and**
 - .. The group has a previous IPV, **or**
 - .. The alleged IPV involves FAP trafficking, **or**
 - .. The alleged fraud involves concurrent receipt of assistance (see PEM 222), **or**
 - .. The alleged fraud is committed by a state/government employee.

Excluding FAP, OIG will send the OI to the RS to process as a client error when the DHS-826 or DHS-830 is returned as undeliverable and no new address is obtained. PEM, Item 720, p. 10.

DISQUALIFICATION

FIP, SDA and FAP Only

Disqualify an active **or** inactive recipient who:

- . is found by a court or hearing decision to have committed IPV, **or**
- . has signed a DHS-826 or DHS-830, **or**
- . is convicted of concurrent receipt of assistance by a court, **or**
- . for FAP, is found by SOAHR or a court to have trafficked FAP benefits.

A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits. PAM 720, pp. 12-13.

Standard Disqualification Periods

FIP, SDA and FAP Only

The standard disqualification period is used in all instances except when a **court** orders a different period (see **Non-Standard Disqualification Periods**, in this item).

Apply the following disqualification periods to recipients determined to have committed IPV:

- . One year for the first IPV
- . Two years for the second IPV
- . Lifetime for the third IPV

FIP and FAP Only

- . Ten years for concurrent receipt of benefits (see PEM 203). PAM 720, p. 13.

In this case, the department has established that respondent was aware of the responsibility to report all income and employment to the department. Department policy requires clients to report any change in circumstances that will affect eligibility or benefit amount within ten days. PAM, item 105, p. 7. Respondent has no apparent physical or mental impairment that limits the understanding or ability to fulfill the reporting responsibilities. The respondent completed an application for assistance on May 8, 2006 and December 21, 2006. On these applications, the respondent never indicated that her mother was employed. In fact, in the comments section of the December 21, 2006 application, the worker had recorded that the client was under 22 years of age and had to include her mother in the FAP program group. When the worker asked if the client's mother was employed, the client stated that her mother was not employed and had no income. Further, the respondent completed a Semi Annual Contact form on November 6, 2006. Respondent did not report her mother having any income or employment on this form. The respondent's mother did have income at these times from her employment and the respondent failed to report it to the department.

This Administrative Law Judge therefore concludes that the department has shown, by clear and convincing evidence, that respondent committed a first intentional violation of the FAP program, resulting in a \$1000 overissuance from June and July, 2006 and December, 2006 through January, 2007. Consequently, the department's request for FAP program disqualification and full restitution must be granted.

DECISION AND ORDER

The Administrative Law Judge, based upon the clear and convincing evidence, decides respondent committed a first intentional FAP program violation.

Therefore it is ORDERED that:

(1) Respondent shall be personally disqualified from participation in the FAP program for one year. This disqualification period shall begin to run immediately as of the date of this Order.

(2) Respondent is responsible for full restitution of the \$1000 FAP overissuance caused by her Intentional Program Violation (IPV).
