Claimant

Reg. No: 2010-12869  
Issue No: 1038  
Case No: [REDACTED]  
Load No: [REDACTED]  
Hearing Date:  
April 6, 2010  
Muskegon County DHS

ADMINISTRATIVE LAW JUDGE: Suzanne L. Keegstra

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on April 6, 2010. The claimant personally appeared and provided testimony.

ISSUE

Did the department properly determine the claimant's Family Independence Program (FIP) case should be closed for Work First/Jobs, Education and Training (WF/JET) program noncompliance in August, 2009?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The claimant was a mandatory WF/JET program participant.
2. The claimant was a no call/no show for the weeks of July 12 and July 19, 2009.

(Department Exhibit 19).

3. The claimant attended the week of July 19, 2009, but turned in job search logs that included [REDACTED]. The logs appeared to be falsified as the contact people for both jobs did not exist. (Department Exhibit 19).

4. The claimant turned in duplicate job search entries for the week of July 26, 2009, again with the falsified entries. (Department Exhibit 19).

5. The claimant was sent a Notice of Noncompliance (DHS-2444) on August 18, 2009, scheduling a triage appointment for August 27, 2009. (Department Exhibit 13-14).

6. The claimant did attend the triage appointment and indicated she had medical problems that kept her from participating with WF/JET. No good cause was granted.

7. The claimant was mailed a Notice of Case Action (DHS-1605) on August 27, 2009, indicating that her FIP benefits would close due to a third instance of noncompliance. (Department Exhibit 15 – 18).

8. The claimant submitted a hearing request on November 10, 2009.

#### CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

Department policy states:

## **DEPARTMENT PHILOSOPHY**

### **FIP**

DHS requires clients to participate in employment and self-sufficiency-related activities and to accept employment when offered. Our focus is to assist clients in removing barriers so they can participate in activities which lead to self-sufficiency. However, there are consequences for a client who refuses to participate, without good cause.

The goal of the FIP penalty policy is to obtain client compliance with appropriate work and/or self-sufficiency-related assignments and to ensure that barriers to such compliance have been identified and removed. The goal is to bring the client into compliance.

Noncompliance may be an indicator of possible disabilities. Consider further exploration of any barriers.

## **DEPARTMENT POLICY**

### **FIP**

A Work Eligible Individual (WEI), see BEM 228, who fails, without good cause, to participate in employment or self-sufficiency-related activities, must be penalized.

See BEM 233B for the Food Assistance Program (FAP) policy when the FIP penalty is closure. For the Refugee Assistance Program (RAP) penalty policy, see BEM 233C. BEM 233A, p. 1.

## **NONCOMPLIANCE WITH EMPLOYMENT AND/OR SELF-SUFFICIENCY-RELATED ACTIVITIES**

As a condition of eligibility, all WEIs and non-WEIs must work or engage in employment and/or self-sufficiency-related activities. Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
  - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.

- .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.
- .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
- .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP) or PRPFC.
- .. Appear for a scheduled appointment or meeting related to assigned activities.
- .. Provide legitimate documentation of work participation.
- .. Participate in employment and/or self-sufficiency-related activities.
- .. Accept a job referral.
- .. Complete a job application.
- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. BEM 233A, pp. 1-2.

### **GOOD CAUSE FOR NONCOMPLIANCE**

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. Document the good cause determination in Bridges and the FSSP under the “Participation and Compliance” tab.

See “School Attendance” BEM 201 for good cause when minor parents do not attend school.

### **Employed 40 Hours**

#### **Client Unfit**

#### **Good cause includes the following:**

- . The person is working at least 40 hours per week on average and earning at least state minimum wage.
- . The client is physically or mentally unfit for the job or activity, as shown by medical evidence or other reliable information. This includes any disability-related limitations that preclude participation in a work and/or self-sufficiency-related activity. The disability-related needs or limitations may not have been identified or assessed prior to the noncompliance.

#### **Illness or Injury**

The client has a debilitating illness or injury, or an immediate family member’s illness or injury requires in-home care by the client.

#### **Reasonable Accommodation**

The DHS, employment services provider, contractor, agency, or employer failed to make reasonable accommodations for the client’s disability or the client’s needs related to the disability. BEM 233A, pp. 3-4.

#### **No Child Care**

The client requested Child Day Care Services (CDC) from DHS, the MWA, or other employment services provider prior to case closure for noncompliance and CDC is needed for a CDC-eligible child, but none is appropriate, suitable, affordable and within reasonable distance of the client’s home or work site.

- . **Appropriate.** The care is appropriate to the child’s age, disabilities and other conditions.
- . **Reasonable distance.** The total commuting time to and from work and child care facilities does not exceed three hours per day.

- . **Suitable provider.** The provider meets applicable state and local standards. Also, providers (e.g., relatives) who are NOT registered/licensed by the DHS Office of Child and Adult Services must meet DHS enrollment requirements for day care aides or relative care providers. See PEM 704.
- . **Affordable.** The child care is provided at the rate of payment or reimbursement offered by DHS.

### **No Transportation**

The client requested transportation services from DHS, the MWA, or other employment services provider prior to case closure and reasonably priced transportation is not available to the client.

### **Illegal Activities**

The employment involves illegal activities.

### **Discrimination**

The client experiences discrimination on the basis of age, race, disability, gender, color, national origin, religious beliefs, etc. BEM 233A, p. 4.

### **Unplanned Event or Factor**

Credible information indicates an unplanned event or factor which likely prevents or significantly interferes with employment and/or self-sufficiency-related activities. Unplanned events or factors include, but are not limited to the following:

- . Domestic violence.
- . Health or safety risk.
- . Religion.
- . Homelessness.
- . Jail.
- . Hospitalization.

### **Comparable Work**

The client quits to assume employment comparable in salary and hours. The new hiring must occur before the quit.

### **Long Commute**

Total commuting time exceeds:

- . Two hours per day, NOT including time to and from child care facilities, **or**
- . Three hours per day, including time to and from child care facilities. BEM 233A, pp.4-5.

### **EFIP**

EFIP unless noncompliance is job quit, firing or voluntarily reducing hours of employment.

### **NONCOMPLIANCE PENALTIES FOR ACTIVE FIP CASES AND MEMBER ADDS**

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties.

### **TRIAGE**

JET participants will not be terminated from a JET program without first scheduling a “triage” meeting with the client to jointly discuss noncompliance and good cause. Locally coordinate a process to notify the MWA case manager of triage meetings including scheduling guidelines.

Clients can either attend a meeting or participate in a conference call if attendance at the triage meeting is not possible. If a client calls to reschedule an already scheduled triage meeting, offer a phone conference at that time. Clients must comply with triage requirement within the negative action period.

When a phone triage is conducted for a first noncompliance and the client agrees to comply, complete the DHS-754, First Noncompliance Letter, as you would complete in a triage meeting. Note in the client signature box “Client Agreed by Phone”. Immediately send a copy of the DHS-754 to the client and phone the JET case manager if the compliance activity is to attend JET.

Determine good cause based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA.

If the FIS, JET case manager, or MRS counselor do not agree as to whether “good cause” exists for a noncompliance, the case must be forwarded to the immediate supervisors of each party involved to reach an agreement.

DHS must be involved with all triage appointment/phone calls due to program requirements, documentation and tracking.

**Note:** Clients not participating with JET must be scheduled for a “triage” meeting between the FIS and the client. This does not include applicants. BEM 233A, p. 7.

### **Good Cause Established**

If the client establishes good cause within the negative action period, do **NOT** impose a penalty. See “Good Cause for Noncompliance” earlier in this item. Send the client back to JET, if applicable, after resolving transportation, CDC, or other factors which may have contributed to the good cause. Do not enter a new referral on ASSIST. Enter the good cause reason on the DHS-71 and on the FSSP under the “Participation and Compliance” tab.

### **Good Cause NOT Established**

If the client does NOT provide a good cause reason within the negative action period, determine good cause based on the best information available. If no good cause exists, allow the case to close. If good cause is determined to exist, delete the negative action. BEM 233A, pp. 10-11.

Noncompliance is defined by department policy as failing or refusing to do a number of activities, such as attending and participating with WF/JET, completing the FAST survey, completing job applications, participating in employment or self-sufficiency-related activities,

providing legitimate documentation of work participation, etc. BEM 233A. In this case, the claimant admits that she falsified some job leads. The claimant testified that she did turn in job logs with some falsified leads, but indicates that she couldn't participate fully with WF/JET due to medical problems that she has.

The claimant indicates that she believes her medical problems provide good cause for her noncompliance. Good cause is defined as a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the noncompliant person. BEM 233A. While a debilitating illness or injury can be good cause, the claimant has failed to establish this was the reason she failed to properly participate in WF/JET.

The claimant testified that she has problems with arthritis, numbness and pain in her back and shoulders. The claimant presented some medical information that indicated what medications she was currently taking, information on a MRI that was conducted on August 28, 2009, information regarding the injections she takes for pain monthly, and treatment notes from September 14, 2009; September 23, 2009; October 14, 2009; and November 9, 2009. However, the claimant admits that she did not ever get any medical forms completed and submitted indicating she was not capable of working with WF/JET.

Further, the department testified that they did not receive any doctor's notes excusing the claimant from WF/JET participation since April, 2009. If the claimant had medical issues that required accommodation or a possible deferral from WF/JET, the claimant would have been given medical forms for the treating physician to complete. This would allow the Medical Review Team (MRT) to evaluate the claimant for any possible deferral. If the claimant could participate, but needed to be excused on some occasions, she could have provided doctor's notes to the WF/JET program. However, the claimant admitted that she failed to do so.

However, if the claimant was having medical issues that affected her attendance with WF/JET, these medical problems would not excuse the claimant's falsification of job leads. The claimant could have talked with WF/JET staff and indicated the medical problems she was experiencing and accommodations could have been considered. There is no excuse for falsifying the job leads as that is a clear attempt to deceive staff into believing the claimant was complying with program requirements.

Thus, this Administrative Law Judge finds that the claimant was noncompliant with WF/JET program requirements and that she did not have any good cause for the noncompliance.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department properly determined the claimant was noncompliant with WF/JET program requirements without good cause and properly determined her FIP case should be terminated.

Accordingly, the department's actions are UPHeld. SO ORDERED.
