IN THE MATTER OF:

Docket No. 2010-20860 EDW

██████████,

Appellant

_____ /

DECISION AND ORDER

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 42 CFR 431.200 et seq. upon the Appellant's request for a hearing.

After due notice, a hearing was held on ██████████. ██████████ represented the Appellant. ██████████ waiver supervisor, represented the Department's waiver agency. There were no witnesses.

ISSUE

Did the Department properly determine that it could not assess the Appellant for the MIChoice Waiver program?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Appellant is a ██████████ adult male with multiple medical issues. He is seeking MIChoice Waiver services.
2. The Appellant is afflicted with low vision, depression and poor memory. (Appellant's Exhibit #1)
3. His spouse/representative reports that the Appellant is "disabled."
4. On ██████████ the Appellant's representative contacted the Department requesting MIChoice Waiver services.
5. The Appellant was notified that the MIChoice Waiver program was at capacity, thus he would be placed on the waiting list.

6. The Appellant was notified of his placement via Adequate Action notice on [REDACTED]. (Department's Exhibit A, p. 1)
7. On [REDACTED], the instant request for hearing was received from the Appellant. (Appellant's Exhibit #1)

CONCLUSIONS OF LAW

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

This Appellant is claiming services through the Department's Home and Community Based Services for Elderly and Disabled (HCBS/ED). The waiver is called MI Choice in Michigan. The program is funded through the federal Centers for Medicare and Medicaid (formerly HCFA) to the Michigan Department of Community Health (Department). Regional agencies, in this case the [REDACTED], function as the Department's administrative agency.

Waivers are intended to provide the flexibility needed to enable States to try new or different approaches to the efficient and cost-effective delivery of health care services, or to adapt their programs to the special needs of particular areas or groups of recipients. Waivers allow exceptions to State plan requirements and permit a State to implement innovative programs or activities on a time-limited basis, and subject to specific safeguards for the protection of recipients and the program. Detailed rules for waivers are set forth in subpart B of part 431, subpart A of part 440 and subpart G of part 441 of this chapter. 42 CFR 430.25(b)

The U.S. Department of Health and Human Services, on page 5 of a letter to State Medical Directors labeled Olmstead Update Number 4 (SMDL #01-006), dated January 10, 2001, in reply to the following question responded, in part:

May a State use the program's funding appropriation to specify the total number of people eligible for an HCBS waiver?

CMS has allowed States to indicate that the total number of people to be served may be the lesser of either (a) a specific number pre-determined by the State and approved by CMS (the approved "factor C" value), or (b) a number derived from the amount of money the legislature has made available

(together with corresponding Federal match). The current HCBS waiver preprint contains both options....

The waiver agency has committed all the financial resources made available through the Department's appropriations and to ensure continued service to current waiver enrollees and is not assessing any additional individuals. It maintains a waiting list and contacts individuals on the list on a first come, first served basis when sufficient resources become available to serve additional individuals. It then determines how many individuals from the list it can assess and assesses a limited number of individuals from the list to determine if they may be eligible for enrollment in the MI Choice Waiver.

The Appellant's representative testified that her husband is disabled and needs help. At hearing she wanted to know when he would receive help.

She did not otherwise challenge the legal basis for the decision by the agency.

The waiver agency witness stated the agency had to establish a waiting list due to the limited resources it has to provide services. She stated the Appellant was placed on the waiting list as of the date services were requested. ██████████] She added that the waiver agency determined that the Appellant failed to qualify for a priority exception and was placed on the waiting list in chronological order.

██████████ also recommended locally available, alternative services and programs to the Appellant's representative at hearing and on telephone assessment.

DECISION AND ORDER

Based on the above findings of fact and conclusions of law, the ALJ finds that the ██████████ [MIChoice Waiver] properly denied the Appellant enrollment and placed him on the waiting list due to limited financial resources.

IT IS THEREFORE ORDERED that:

The Department's decision is **AFFIRMED**.
