(Exhibits 21 - 26)

(4) On February 8, 2010, the Department received the Claimant's hearing request protesting the Department's FAP and MA determinations.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department), administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Departmental policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Bridges Reference Manual (BRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

All earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income means ALL income that is not earned and includes FIP, RSDI, SSI and UB. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. BEM 500

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected. Prospective budgeting is the best estimate of the client's future income. BEM 505

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15. BEM 505

In the instant case, the Department used the correct income and expense figures in completing the FAP and MA Budgets. Administrative Law Judges have no authority to make decisions on constitutional grounds, overrule statutes, overrule promulgated regulations or overrule or make exceptions to the Department policy set out in the program manuals.

With the above said, based on the testimony and documentation offered at hearing, I find that the Department established that it acted in accordance with policy in determining Claimant's MA and FAP eligibility.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the Department acted in accordance with policy in determining Claimant's MA and FAP eligibility. Accordingly, the Department's MA and FAP eligibility determinations are AFFIRMED, it is SO ORDERED.
