CONCLUSIONS OF LAW

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

Effective November 1, 2004, the Michigan Department of Community Health (MDCH) implemented revised functional/medical eligibility criteria for Medicaid nursing facility, MI Choice, and PACE services. Federal regulations require that Medicaid pay for services only for those beneficiaries who meet specified level of care criteria.

This Appellant is claiming services through the Department's Home and Community Based Services for Elderly and Disabled (HCBS/ED). The waiver is called MI Choice in Michigan. The program is funded through the federal Health Care Financing Administration to the Michigan Department of Community Health (Department). Regional agencies, in this case the Waiver Agency, function as the Department's administrative agency.

Waivers are intended to provide the flexibility needed to enable States to try new or different approaches to the efficient and cost-effective delivery of health care services, or to adapt their programs to the special needs of particular areas or groups of recipients. Waivers allow exceptions to State plan requirements and permit a State to implement innovative programs or activities on a time-limited basis, and subject to specific safeguards for the protection of recipients and the program. Detailed rules for waivers are set forth in subpart B of part 431, subpart A of part 440 and subpart G of part 441 of this chapter. *42 CFR 430.25(b)*

1915 (c) (42 USC 1396n (c) allows home and community based services to be classified as "medical assistance" under the State Plan when furnished to recipients who would otherwise need inpatient care that is furnished in a hospital SNF, ICF or ICF/MR and is reimbursable under the State Plan. (42 CFR 430.25(b)).

Decision and Order

Home and community based services means services not otherwise furnished under the State's Medicaid plan, that are furnished under a waiver granted under the provisions of part 441, subpart G of this subchapter. (42 CFR 440.180(a)).

Medicaid beneficiaries are only entitled to medically necessary Medicaid covered services. See 42 CFR 440.230. The MI Choice Waiver did not waive the federal Medicaid regulation that requires that authorized services be medically necessary.

Clients must meet both the non-financial and financial eligibility criteria for waiver services. The waiver agent conducts the assessment to determine whether the client meets the non-financial eligibility criteria for services. However, DHS determines whether the client meets the financial eligibility criteria for the services after the waiver agency approves the client for the waiver. Although the MI Choice Waiver is not a Medicaid category, there are special financial eligibility rules for **Medicaid recipients** who have been approved for the waiver. The DHS local offices' primary responsibilities are doing initial asset assessments and determining MA eligibility for waiver patients. (Program Eligibility Manual, Item 106)

In this case, the records in evidence indicate the Appellant is not eligible for Medicaid at last determination. There is no evidence he filed an appeal of this determination or that he re-filed another Medicaid application. He has no application pending as of ██████████, nor active Medicaid. This ALJ has no authority to order the AAA to provide services to the appellant where he has not met eligibility criteria. A client is not eligible to receive MI Choice Waiver services if DHS has determined that the client does not meet the eligibility criteria for waiver services, and the client is not an active Medicaid recipient.

DECISION AND ORDER

The Administrative Law Judge, based on the above findings of fact and conclusions of law, decides that the Department's Waiver Agency properly determined that Appellant was not eligible to receive MI Choice Waiver services.

IT IS THEREFORE ORDERED that:

The Department's decision is **AFFIRMED**.
