ISSUE

Did the Department of Human Services properly sanction Claimant's Family Independence Program (FIP), Medical Assistance (MA), and Food Assistance Program (FAP) cases for failure to cooperate with the Office of Child Support?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) Claimant was an ongoing recipient of Family Independence Program (FIP), Medical Assistance (MA), and Food Assistance Program (FAP) benefits.
- (2) On January 16, 2010, the Office of Child Support issued a noncooperation notice

on Claimant.

(3) On February 1, 2010, Claimant was sent a Notice of Case Action (DHS-1605) which stated her cases would be affected by the noncooperation.

(4) On February 4, 2010, Claimant submitted a request for hearing.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, *et seq.* The Department of Human Services (DHS or department) administers the FIP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Bridges

Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy provides the following guidance for case workers. The Department's policies are available on the internet through the Department's website.

CHILD SUPPORT

DEPARTMENT PHILOSOPHY

Families are strengthened when children's needs are met. Parents have a responsibility to meet their children's needs by providing support and/or cooperating with the department including the Office of Child Support (OCS), the Friend of the Court (FOC) and the prosecuting attorney to establish paternity and/or obtain support from an absent parent.

DEPARTMENT POLICY

FIP, CDC Income Eligible, MA and FAP

Clients must comply with all requests for action or information needed to establish paternity and/or obtain child support on behalf of children for whom they receive assistance, unless a claim of good cause for not cooperating has been granted or is pending.

Absent parents are required to support their children. Support includes **all** of the following:

- Child support.
- Medical support.
- Payment for medical care from any third party.

Note: For purposes of this item, a parent who does not live with the child due solely to the parent's active duty in a uniformed service of the U.S. is considered to be living in the child's home.

Failure to cooperate without good cause results in disqualification. Disqualification includes member removal, as well as denial or closure of program benefits, depending on the type of assistance (TOA). See [Support Disqualification](#) in this item.

COOPERATION

FIP, CDC Income Eligible, MA and FAP

Cooperation is a condition of eligibility. The following individuals who receive assistance for themselves or on behalf of a child are required to cooperate in establishing paternity and obtaining support, unless good cause has been granted or is pending:

- Grantee (Head of Household) and spouse.
- Specified relative/individual acting as a parent and spouse.
- Parent of the child for whom paternity and/or support action is required.

Cooperation is required in all phases of the process to establish paternity and obtain support. It includes **all** of the following:

- Contacting the SS when requested.
- Providing all known information about the absent parent.
- Appearing at the office of the prosecuting attorney when requested.
- Taking any actions needed to establish paternity and obtain child support (including but not limited to testifying at hearings or obtaining blood tests).

Support Specialist Determines Cooperation

FIP, CDC Income Eligible, MA and FAP

The SS determines cooperation for required support actions. They will notify you when a client fails to cooperate.

SUPPORT DISQUALIFICATION

FIP, CDC Income Eligible, MA and FAP

You will be notified of a client's failure to cooperate by the SS or the child support non-cooperation report. Start the support disqualification procedure upon receipt of this notice. (BEM 255)

In this case Claimant testified that she spoke to the Child Support Specialist on February 22, 2010. Claimant's cases had already been sanctioned at that time. As the policy above notes, the Child Support Specialist determines cooperation. At the time of the negative action, the Department was acting in accordance with their policies.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides the Department of Human Services properly sanctioned Claimant's Family Independence Program (FIP), Medical Assistance (MA), and Food Assistance Program (FAP) cases for failure to cooperate with the Office of Child Support.

It is ORDERED that the actions of the Department of Human Services, in this matter, are UPHELD.
