

STATE OF MICHIGAN  
STATE OFFICE OF ADMINISTRATIVE HEARINGS AND RULES

ADMINISTRATIVE HEARINGS FOR THE  
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF: [REDACTED]

Respondent

Reg. No: 2010-27363  
Issue No: 3055  
Case No: [REDACTED]  
Load No: [REDACTED]  
Hearing Date:  
June 9, 2010  
Saginaw County DHS

ADMINISTRATIVE LAW JUDGE: Gary F. Heisler

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37, 7 CFR 273.16, MAC R 400.3130, and MAC R 400.3178 upon the Department of Human Services (department) request for a disqualification hearing. After due notice, a hearing was held on June 9, 2010. Respondent did not appear. In accordance with Program Administrative Manual (PAM) 720 the hearing proceeds without Respondent.

ISSUE

Whether respondent committed an Intentional Program Violation (IPV) and whether respondent received an overissuance of benefits that the department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

- (1) On May 21, 2007, Respondent submitted an application for Food Assistance

Program (FAP) benefits. The application did not show any employment or pending employment for Respondent. Respondent signed the application acknowledging the responsibility to report changes in circumstances that may affect eligibility.

(2) On June 4, 2007, Respondent began employment. Respondent's income was not reported to the Department.

(3) In January 2008, the unreported income was discovered by wage match and the case was referred for recoupment.

### CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program) is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

In this case, the department has requested a disqualification hearing to establish an overissuance of benefits as a result of an IPV and the department has asked that respondent be disqualified from receiving benefits. The department's manuals provide the following relevant policy statements and instructions for department caseworkers:

#### **INTENTIONAL PROGRAM VIOLATION**

#### **DEPARTMENT POLICY**

#### **All Programs**

Recoupment policies and procedures vary by program and over-issuance (OI) type. This item explains Intentional Program

Violation (IPV) processing and establishment. [PAM 700](#) explains OI discovery, OI types and standards of promptness. [PAM 705](#) explains agency error and [PAM 715](#) explains client error.

## DEFINITIONS

### All Programs

**Suspected IPV** means an OI exists for which all three of the following conditions exist:

- The client **intentionally** failed to report information **or intentionally** gave incomplete or inaccurate information needed to make a correct benefit determination, **and**
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, **and**
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

IPV is suspected when there is clear and convincing evidence that the client or CDC provider has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility.

### FAP Only

IPV is suspected for a client who is alleged to have trafficked FAP benefits.

### IPV

#### FIP, SDA and FAP

The client/authorized representative (AR) is determined to have committed an IPV by:

- A court decision.
- An administrative hearing decision.
- The client signing a DHS- 826, Request for Waiver of Disqualification Hearing or DHS-830, Disqualification

Consent Agreement or other recoupment and  
disqualification agreement forms. (PAM 720)

In this case the evidence shows that Respondent intentionally failed to report his earned income and received more Food Assistance Program (FAP) benefits that he was otherwise eligible for.

DECISION AND ORDER

The Administrative Law Judge, based upon the clear and convincing evidence, decides the following:

Respondent, Austin Archer committed an intentional program violation by not reporting the start of earned income, in order to obtain more Food Assistance Program (FAP) benefits than he was otherwise eligible for.

Respondent's intentional program violation resulted in the over-issuance of \$ [REDACTED] in Food Assistance Program (FAP) benefits between August 1, 2007 and December 31, 2007. The Michigan Department of Human Services is entitled to recoup the \$ [REDACTED]
