Issue No: 2009; 4031
Case No: [REDACTED]
Load No: [REDACTED]
Hearing Date:

ADMINISTRATIVE LAW JUDGE: Landis Y. Lain

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, an in-person hearing was held on January 5, 2010. Claimant was represented at the hearing by [REDACTED]

ISSUE

Whether claimant meets the disability criteria for Medical Assistance (MA-P) and State Disability Assistance (SDA)?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

(1) On April 17, 2009, claimant filed an application for Medical Assistance, retroactive Medical Assistance to January 2009, and State Disability Assistance benefits alleging disability.

(2) On June 10, 2009, the Medical Review Team denied claimant's application stating that claimant's impairments were non-exertional.

(3) On June 22, 2009, the department caseworker sent claimant notice that his application was denied.

(4) On August 27, 2009, claimant filed a request to contest the department's negative action.

(5) On November 2, 2009, the State Hearing Review Team again denied claimant's application stating in its analysis and recommendation: The claimant has back pain without evidence of neurological abnormalities. Gait was normal. He did have cellulitis and was urged to seek medical treatment. The claimant's mental status is basically unremarkable. The claimant's impairments do not meet/equal the intent or severity of a Social Security listing. The medical evidence of record indicates that the claimant retains the capacity to perform a wide range of simple, unskilled, medium work. In lieu of detailed work history, the claimant will be returned to other work. Therefore, based on the claimant's vocational profile of closely approaching advanced age at 51, a limited education and a history of unskilled work, MA-P is denied using Vocational Rule 203.18 as a guide. Retroactive MA-P was considered in this case and is also denied. SDA is denied per PEM 261 because the nature and severity of the claimant's impairments would not preclude work activity at the above stated level for 90 days.

(6) Claimant's date of birth is [REDACTED].

(7) Claimant's alleges as disability impairments: an overdose, bipolar disorder, arthritis, a back injury, depression, panic attacks, and hearing voices.

(8) An SOLQ report was run for claimant on January 5, 2010. It was determined that claimant is an RSDI recipient receiving [REDACTED] per month in RSDI benefits with a disability onset date of [REDACTED].

CONCLUSIONS OF LAW

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Because of the Social Security Administration determination, it is not necessary for the Administrative Law Judge to discuss the issue of disability. PEM, Item 260. The department is required to initiate a determination of claimant's financial eligibility for the requested benefits, if not previously done.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the claimant meets the definition of medically disabled under the Medical

Assistance program as of January 2009 and the State Disability Assistance program as of the April 17, 2009 application date.

Accordingly, the department's decision is REVERSED. The department is ORDERED to initiate a review of the April 17, 2009 application and retroactive Medical Assistance application, if it has not already done so, to determine if all other non-medical eligibility criteria are met. The department shall inform the claimant of the determination in writing and if claimant is otherwise eligible shall pay to claimant any benefits to which he is entitled.
