#### CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 8 USC 601, et seq. The Department of Human Services (DHS or Department) administers the FIP program pursuant to MCL 400.10, et seq., and MAC R 400.3101-3131. The FIP program replaced the Aid to Dependent Children (ADC) program effective October 1, 1996. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Department policy states that clients must be made aware that public assistance is limited to 48 months to meet their family's needs and that they must take personal responsibility to achieve self-sufficiency. This message, along with information on ways to achieve

independence, direct support services, non-compliance penalties, and good cause reasons, is initially shared by DHS when the client applies for cash assistance. Jobs, Education and Training (JET) program requirements, education and training opportunities, and assessments will be covered by the JET case manager when a mandatory JET participant is referred at application. PEM 229, p. 1.

Federal and State laws require each work eligible individual (WEI) in the FIP and RAP group to participate in the Jobs, Education and Training (JET) Program or other employment-related activities unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency-related activities to increase their employability and obtain stable employment. JET is a program administered by the Michigan Department of Labor and Economic Growth (DLEG) through the Michigan Works Agencies (MWAs). The JET program serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. A WEI who refuses, without good cause, to participate in assigned employment and/or self-sufficiency-related activities is subject to penalties. PEM 230A, p. 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- . Failing or refusing to:
  - .. Appear and participate with the Jobs, Education and Training (JET) Program or other employment service provider.
  - .. Complete a Family Automated Screening Tool (FAST), as assigned as the first step in the FSSP process.

- .. Develop a Family Self-Sufficiency Plan (FSSP) or a Personal Responsibility Plan and Family Contract (PRPFC).
- .. Comply with activities assigned to on the Family Self-Sufficiency Plan (FSSP).
- .. Provide legitimate documentation of work participation.
- .. Appear for a scheduled appointment or meeting related to assigned activities.
- .. Participate in employment and/or self-sufficiency-related activities.
- .. Accept a job referral.
- .. Complete a job application.
- .. Appear for a job interview (see the exception below).
- . Stating orally or in writing a definite intent not to comply with program requirements.
- . Threatening, physically abusing or otherwise behaving disruptively toward anyone conducting or participating in an employment and/or self-sufficiency-related activity.
- . Refusing employment support services if the refusal prevents participation in an employment and/or self-sufficiency-related activity. PEM 233A, pp. 1-2.

The Department is required to send a DHS-2444, Notice of Employment and/or Self-Sufficiency Related Noncompliance within three days after learning of the noncompliance which must include the date of noncompliance, the reason the client was determined to be noncompliant, the penalty that will be imposed and the triage date within the negative action period. PEM 233A, p. 9

Good cause is a valid reason for noncompliance with employment and/or self-sufficiency-related activities that are based on factors that are beyond the control of the

noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. If it is determined at triage that the client has good cause, and good cause issues have been resolved, the client should be sent back to JET. PEM 233A, p. 4, 5

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. PEM 233A, p. 9

The penalty for noncompliance without good cause is FIP closure. Effective April 1, 2007, the following minimum penalties apply:

- . For the first occurrence on the FIP case, close the FIP for not less than 3 calendar months unless the client is excused from the noncompliance as noted in “First Case Noncompliance Without Loss of Benefits” below.
- . For the second occurrence on the FIP case, close the FIP for not less than 3 calendar months.
- . For the third and subsequent occurrence on the FIP case, close the FIP for not less than 12 calendar months.
- . The penalty counter also begins April 1, 2007 regardless of the previous number of noncompliance penalties. PEM, Item 233A.

Noncompliance, without good cause, with employment requirements for FIP/RAP(SEE PEM 233A) may affect FAP if both programs were active on the date of the FIP noncompliance. PEM 233b, p. 1 The FAP group member should be disqualified for noncompliance when all the following exist:

- . The client was active both FIP and FAP on the date of the FIP noncompliance, and

- . The client did not comply with FIP/RAP employment requirements, and
- . The client is subject to a penalty on the FIP/RAP program, and
- . The client is not deferred from FAP work requirements (see DEFERRALS in PEM 230B), and
- . The client did not have good cause for the noncompliance. PEM 233B, p.2

The Department should budget the Last FIP grant amount on the FAP budget for the number of months that corresponds with the FIP penalty (either three months for the first two noncompliances or 12 months for the third and subsequent noncompliances) after the FIP case closes for employment and/or self sufficiency-related noncompliance. The Last FIP grant amount is the grant amount the client received immediately before the FIP case closed.

The Claimant was receiving both FIP and CDC benefits. The Department assigned the Claimant 20 hours of self-sufficiency activities as a condition of receiving of her FIP benefits. From February 14, 2010, through February 26, 2010, the Claimant did not document sufficient JET activity. The Department conducted a triage meeting on May 11, 2010, where the Claimant had the opportunity to establish good cause for her noncompliance with the JET program. The Claimant did not appear at the triage meeting. The Department did not find good cause for the Claimant's noncompliance with the JET program and terminated her FIP benefits as of July 1, 2010.

I find that the Department's determination that the Claimant did not have good cause for her noncompliance with the JET program is reasonable. The Department has established that it acted in accordance with policy when it terminated the Claimant's FIP benefits.

The Child Development and Care program is established by Titles IVA, IVE, and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department of Human Services (DHS or Department) provides services to adults and children pursuant to MCL 400.14(1) and MAC R 400.5001-5015. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Applicants for CDC benefits must have a valid need reason for childcare, which must be verified by the Department. Valid need reasons for childcare are family preservation, high school completion, employment, or a department approved activity. BEM 703.

In this case, the valid need reason for childcare was participation in the JET program. Since the Claimant was expelled from the JET program, there is no longer a valid need reason for childcare, and the Claimant is no longer eligible for CDC benefits.

The Department has established that it acted in accordance with policy when it terminated the Claimant's CDC benefits.
