HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on July 20, 2010. Claimant personally appeared and testified along with his aunt

[REDACTED].

ISSUE

Did the department properly deny claimant's March 12, 2010 Medicaid (MA) and State Disability Assistance (SDA) application, finding he lacks a legally disabling condition?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Claimant applied for MA and SDA on March 12, 2010.
2. On June 1, 2010 department's Medical Review Team determined that the claimant was not disabled for MA and SDA eligibility purposes.

3. On June 2, 2010 department sent the claimant an Application Eligibility Notice denying his MA and SDA application.

4. Claimant requested a hearing on June 14, 2010.

5. On June 25, 2010 department's State Hearing Review Team (SHRT) also determined that the claimant was not disabled.

6. Claimant presented additional medical information following the hearing. This information was forwarded to SHRT for additional review.

7. On July 23, 2010 SHRT advised that the claimant has been approved for Social Security disability benefits in July, 2010. SHRT therefore approved claimant's MA and retroactive MA application effective February, 2010, and also approved his SDA application.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (RFT).

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (RFT).

In Michigan, the SSA's determination of disability onset is established for MA and SDA eligibility purposes. In the present case, evidence of the favorable SSA decision established that the claimant met the federal disability standard necessary to qualify for MA and SDA pursuant to BEM 260 and 261.

The SSA determined claimant has been disabled since February, 2010. Consequently, the department must reverse its MA and SDA denial, and process claimant's disputed application in accordance with department policy.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department erred in determining claimant is not disabled.

Accordingly, department's action is REVERSED. Department shall:

1. Process claimant's disputed MA, retroactive MA for February, 2010 and SDA application and issue him any benefits he was entitled to but did not receive, based on March 12, 2010 application date, if he is otherwise eligible to receive them (i.e. meets all of the other required eligibility criteria).
2. Conduct a medical review of claimant's case in July, 2011 and check if the claimant is in current SSI payment status or not. If the claimant is in current payment status, no further action will be necessary. If the claimant is not in current payment status, updated application forms (DHS-49 forms) and updated medical records need to be obtained.
3. Notify the claimant of this determination in writing.

SO ORDERED.
