CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM). The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. The Medical Assistance program was designed to assist needy persons with medical expenses. The State of Michigan has set guidelines for income, which determines if a MA group falls within the needy classification. Under BEM Items 544 and 545, an eligible Medical Assistance group (Group II MA) has income the same as or less than the "protected income level" plus medical insurance premiums as set forth in the policy contained in the program reference table. An individual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA. However a MA group may become eligible for assistance under the deductible program. A deductible is a process, which allows a client with excess income to be eligible for MA, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group's monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. BEM 545; 42 CFR 435.831.)

Group 2 FIP-Related MA, Healthy Kids and SSI-Related MA--Child means an unmarried person under age 18. Adult means a person who is married or age 18 or older. BEM 211.

In the present case, Claimant is contesting the deductible amount for his MA benefits. In determining net income a standard deduction of \$20 is deducted for SSI-related Medical Assistance recipients (disabled). Claimant's RSDI benefit is \$1106 and his wife has \$500 self employment income, after subtracting \$20 and \$217.50 (500-282.50 for \$65 + ½ disregard) his net income is \$1303. Claimant's net income \$1303 exceeds the monthly protected income level of \$541 by \$762 per month. Claimant is consequently ineligible to receive Medical assistance. However under the deductible program, if the Claimant incurs medical expenses in excess of \$762 during the month he may then be eligible for Medical Assistance. This ALJ finds that the Department has acted in accordance with Department policy and law in denying ongoing Medical assistance and determining his deductible amount. Claimant argued at hearing that his adult daughter and her child should be included in the household for the purpose of determining eligibility. Department policy dictates that Adult children are not included in the Medical

Assistance group. BEM 211. Claimant's daughter can apply for MA benefits on her own for herself and her child.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law decides that the Department was correct in the determination of MA benefits, and it is ORDERED that the Department's decision in this regard be and is hereby AFFIRMED.
