HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on September 22, 2010. Claimant personally appeared and testified.

ISSUE

Did the Department of Human Services (the department) properly cancel claimant's Healthy Kids re-determination case based upon its' determination that claimant failed to provide verification information in a timely manner?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- (2) On January 12, 2010, the department caseworker sent claimant a Healthy Kids re-determination form at [REDACTED]. Claimant was to sign, date and provide information in the form within 10 days.
- (3) No information was provided to the department and the form was not returned.

- (4) On February 2, 2010, a second Healthy Kids re-determination was sent to the claimant. No information was returned to the department.
- (5) On April 19, 2010, the department caseworker entered a negative action to close the case because the re-determination information was never returned.
- (6) On April 19, 2010, the department caseworker sent claimant notice that her re-determination application would be denied for failure to provide verification information.
- (7) On April 29, 2010, claimant filed a request for a hearing to contest the department's negative action.

VERIFICATION AND COLLATERAL CONTACTS

DEPARTMENT POLICY

All Programs

Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements.

Obtain verification when:

- . required by policy. BEM items specify which factors and under what circumstances verification is required.
- . required as a local office option. The requirement **must** be applied the same for every client. Local requirements may **not** be imposed for MA, TMA-Plus or AMP without prior approval from central office.
- . information regarding an eligibility factor is unclear, inconsistent, incomplete or contradictory. The questionable information might be from the client or a third party. BAM, Item 130, p. 1.

Verification is usually required at application/redetermination **and** for a reported change affecting eligibility or benefit level. BAM, Item 130, p. 1.

Verification is **not** required:

- . when the client is clearly ineligible, or
- . for excluded income and assets **unless** needed to establish the exclusion. BAM, Item 130, p. 1.

Obtaining Verification

All Programs

Tell the client what verification is required, how to obtain it, and the due date (see “**Timeliness Standards**” in this item). Use the DHS-3503, Verification Check list, or for MA redeterminations, the DHS-1175, MA Determination Notice, to request verification. BAM, Item 130, p. 2.

The client must obtain required verification, but you must assist if they need and request help. BAM, Item 130, p. 2.

If neither the client nor you can obtain verification despite a reasonable effort, use the best available information. If **no** evidence is available, use your best judgment.

Exception: Alien information, blindness, disability, incapacity, inability to declare one's residence and, for FIP only, pregnancy must be verified. Citizenship and identity must be verified for clients claiming U.S. citizenship for applicants and recipients of FIP, SDA and MA. BAM, Item 130, p. 3.

Timeliness Standards

All Programs (except TMAP)

Allow the client 10 calendar days (**or** other time limit specified in policy) to provide the verification you request. If the client cannot provide the verification despite a reasonable effort, extend the time limit at least once. BAM, Item 130, p. 4.

Send a negative action notice when:

- . the client indicates refusal to provide a verification,
- or**
- . the time period given has elapsed and the client has not made a reasonable effort to provide it. BAM, Item 130, p. 4.

MA Only

Send a negative action notice when:

- . the client indicates refusal to provide a verification,
- or**
- . the time period given has elapsed. BAM, Item 130, p. 4.

Only **adequate** notice is required for an application denial. **Timely** notice is required to reduce or terminate benefits.

Exception: At redetermination, **FAP** clients have until the last day of the redetermination month **or** 10 days, whichever is later, to provide verification. See BAM 210. BAM, Item 130, p. 4.

TMAP

See BEM 647 regarding timeliness standards for TMA-Plus determinations. BAM, Item 130, p. 5.

In the instant case, claimant testified on the record that she did not receive the Healthy Kids re-determination information which was purportedly sent to her house. This Administrative Law Judge finds that the department did not receive the Healthy Kids re-determination. It was never sent to the department. Claimant testified that she did not have any real problems with her mail. The mail did not return to the department as undeliverable. Therefore, the Administrative Law Judge finds that the department has established by the necessary competent, material and substantial evidence on the record that it was acting in compliance with department policy when it cancelled claimant's Healthy Kids application based upon its determination that claimant failed to provide verification information.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, finds that the department has established by preponderance of the evidence that it was acting in compliance with department policy when it cancelled claimant's Healthy Kids Medical Assistance case based upon its determination that claimant failed to provide verification/re-determination information.

Accordingly, the department's decision is AFFIRMED.
