DHS County: Wayne (82-41)

ADMINISTRATIVE LAW JUDGE: Jonathan W. Owens

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a hearing was held on March 16, 2011. Claimant failed to appear. Claimant's authorized representative appeared on his behalf and presented additional medical documentation for consideration.

ISSUE

Whether the Department of Human Services (DHS or Department) properly determined that Claimant is not "disabled" for purposes of the Medical Assistance (MA-P) and State Disability Assistance (SDA) programs?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. On July 2, 2009, Claimant applied for MA-P, SDA and retro MA-P.
2. On October 6, 2009, the Medical Review Team denied Claimant's request.
3. On December 2, 2009, Claimant submitted to the Department a request for hearing.
4. The State Hearing and Review Team (SHRT) denied Claimant's request.
5. Claimant is 54 years old.
6. Claimant completed education through high school.

7. Claimant has employment experience in construction according to an undated DHS 49, Department Exhibit 1, page 11.
8. Claimant suffers from coronary artery disease, hypertension and unstable angina.

CONCLUSIONS OF LAW

MA-P is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department administers MA-P pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The SDA program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in BAM, BEM and PRM.

The Department conforms to State statute in administering the SDA program.

2000 PA 294, Sec. 604, of the statute states:

Sec. 604. (1) The department shall operate a state disability assistance program. Except as provided in subsection (3), persons eligible for this program shall include needy citizens of the United States or aliens exempted from the supplemental security income citizenship requirement who are at least 18 years of age or emancipated minors meeting 1 or more of the following requirements:

- (a) A recipient of supplemental security income, social security, or medical assistance due to disability or 65 years of age or older.
- (b) A person with a physical or mental impairment which meets federal supplemental security income disability standards, except that the minimum duration of the disability shall be 90 days. Substance abuse alone is not defined as a basis for eligibility.

Pursuant to Federal Rule 42 CFR 435.540, the Department uses the Federal Supplemental Security Income (SSI) policy in determining eligibility for disability under MA-P. Under SSI, disability is defined as:

...the inability to do any substantial gainful activity by reason of any medically determinable physical or mental impairment

which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.... 20 CFR 416.905.

A set order is used to determine disability. Current work activity, severity of impairments, residual functional capacity, past work, age, or education and work experience are reviewed. If there is a finding that an individual is disabled or not disabled at any point in the review, there will be no further evaluation. 20 CFR 416.920.

Medical evidence may contain medical opinions. Medical opinions are statements from physicians and psychologists or other acceptable medical sources that reflect judgments about the nature and severity of the impairment(s), including symptoms, diagnosis and prognosis, what an individual can do despite impairment(s), and the physical or mental restrictions. 20 CFR 416.927(a)(2).

The Administrative Law Judge is responsible for making the determination or decision about whether the statutory definition of disability is met. The Administrative Law Judge reviews all medical findings and other evidence that support a medical source's statement of disability. 20 CFR 416.927(e).

For mental disorders, severity is assessed in terms of the functional limitations imposed by the impairment. Functional limitations are assessed using the criteria in paragraph (B) of the listings for mental disorders (descriptions of restrictions of activities of daily living, social functioning; concentration, persistence or pace; and ability to tolerate increased mental demands associated with competitive work). 20 CFR, Part 404, Subpart P, Appendix 1, 12.00(C).

The residual functional capacity is what an individual can do despite limitations. All impairments will be considered in addition to ability to meet certain demands of jobs in the national economy. Physical demands, mental demands, sensory requirements and other functions will be evaluated. 20 CFR 416.945(a).

To determine the physical demands (exertional requirements) of work in the national economy, we classify jobs as sedentary, light, medium and heavy. These terms have the same meaning as they have in the Dictionary of Occupational Titles, published by the Department of Labor. 20 CFR 416.967.

Pursuant to 20 CFR 416.920, a five-step sequential evaluation process is used to determine disability. An individual's current work activity, the severity of the impairment, the residual functional capacity, past work, age, education and work experience are evaluated. If an individual is found disabled or not disabled at any point, no further review is made.

The first factor to be considered is whether the claimant can perform Substantial Gainful Activity (SGA) defined in 20 CFR 416.920(b). In this case, Claimant failed to appear for his hearing. Exhibit 1, page 11 (DHS-49F), indicates Claimant last worked in 1995. This was signed by Claimant but is not dated. Given the application was submitted on

July 2, 2009, it would be reasonable to assume this was filled out around that time frame. No evidence was submitted to establish that Claimant has not worked from August 2009 to the date of this hearing.

It is the finding of the undersigned, based upon the evidence presented, that Claimant is not "disabled" at the first step. Claimant has not demonstrated his employment status for the time period in question.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that Claimant is not medically disabled.

Accordingly, the Department's decision is hereby UPHELD.

Jonathan W. Owens
Administrative Law Judge
for Maura Corrigan, Director
Department of Human Services

NOTICE: Administrative Hearings may order a rehearing or reconsideration on either its own motion or at the request of a party within 30 days of the mailing date of this Decision and Order. Administrative Hearings will not order a rehearing or reconsideration on the Department's motion where the final decision cannot be implemented within 90 days of the filing of the original request.

The Claimant may appeal the Decision and Order to Circuit Court within 30 days of the mailing of the Decision and Order or, if a timely request for rehearing was made, within 30 days of the receipt date of the rehearing decision.
