ADMINISTRATIVE LAW JUDGE: Steven M. Brown

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon Claimant's request for a hearing. After due notice, a telephone hearing was conducted from ██████████ on November 25, 2009.

ISSUE

Whether the Department properly denied Claimant's Food Assistance Program (FAP) application?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material and substantial evidence on the whole record, finds as material fact:

- (1) On September 9, 2009, Claimant applied for FAP benefits. (Exhibits 1-18)

(2) On October 7, 2009, the Department ran a FAP budget which resulted in excess income for FAP benefits. (Exhibits 21-23, 26-29)

(3) On October 7, 2009, the Department sent Claimant a Notice of Case Action informing her that her application for FAP benefits had been denied. (Hearing Summary, Exhibits 19)

(4) On October 19, 2009, the Department received Claimant's hearing request protesting the denial of her FAP application. (Hearing Summary)

(5) The Department acknowledged at hearing that Claimant's income was not properly computed.

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) (formerly known as the Food Stamp (FS) program, is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department), administers the FAP program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3001-3015. Departmental policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Bridges Reference Manual (BRM).

For FAP purposes, all earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for remuneration or profit. Unearned income means ALL income that is not earned and includes FIP, RSDI, SSI, child support and unemployment benefits. The amount counted may be more than the

client actually receives because the gross amount is used prior to any deductions.

BEM 500

The Department determines a client's eligibility for program benefits based on the client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected.

Prospective budgeting is the best estimate of the client's future income. BEM 505

All income is converted to a standard monthly amount. If the client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15.

BEM 505

In the instant case, the Department acknowledged that Claimant's income was not properly computed. With that said, I do not find that the Department established that it acted in accordance with policy in denying Claimant's FAP application.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, does not find that the Department acted in accordance with policy in denying Claimant's FAP application.

Accordingly, the Department's FAP eligibility determination is REVERSED, it is SO ORDERED. The Department shall:

- (1) Correct the income computational error and run a new FAP budget.
- (2) Issue Claimant supplemental benefits she is entitled to, if any.
- (3) Notify Claimant in writing of the Department's revised determination.

(4) Claimant retains the right to request a hearing if she would like to contest the Department's revised determination.
