

STATE OF MICHIGAN
MICHIGAN ADMINISTRATIVE HEARING SYSTEM
ADMINISTRATIVE HEARINGS FOR THE
DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No: 201110720
Issue No: 2009/4031
Case No: [REDACTED]
Hearing Date: March 10, 2011
Genesee County DHS (District #6)

ADMINISTRATIVE LAW JUDGE: Janice G. Spodarek

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, a telephone hearing was held on March 10, 2011.

ISSUE

Did the Department of Human Services (DHS) properly deny claimant's Medical Assistance (MA-P) and State Disability Assistance (SDA) application?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. On October 15, 2010, claimant applied for MA-P and SDA with the Michigan DHS.
2. Claimant did not apply for retro MA.
3. On November 10, 2010, the MRT denied.
4. On November 24, 2010, the DHS issued notice.
5. On December 13, 2010, claimant filed a hearing request.
6. On January 13, 2011, the State Hearing Review Team (SHRT) denied claimant. Pursuant to claimant's request to hold the record open for the submission of new and additional medical documentation, on August 3, 2011, SHRT once again denied claimant.
7. An SOLQ from SSA indicates that claimant applied for SSI with SSA on September 29, 2010. Claimant was denied. Claimant did not file an appeal

within his appeal time period. Claimant's denial was within 12 months of his October 15, 2010 DHS application. Claimant alleges worsening conditions but fails to meet the exceptions showing that despite having received an adverse decision within 12 months he has appealed, or applied for reconsideration. Claimant has been denied SSI by the Social Security Administration (SSA). Claimant has had a final determination by SSA. None of the exceptions apply.

8. The January 13, 2011 and August 3, 2011 SHRT decisions are adopted and incorporated by reference herein.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

The State Disability Assistance (SDA) program which provides financial assistance for disabled persons is established by 2004 PA 344. The Department of Human Services (DHS or department) administers the SDA program pursuant to MCL 400.10, *et seq.*, and MAC R 400.3151-400.3180. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

Statutory authority for the SDA program states in part:

- (b) A person with a physical or mental impairment which meets federal SSI disability standards, except that the minimum duration of the disability shall be 90 days. Substance abuse alone is not defined as a basis for eligibility.

Prior to any substantive review, jurisdiction is paramount. Applicable to the case herein, policy states:

Final SSI Disability Determination

SSA's determination that disability or blindness does **not** exist for SSI purposes is **final** for MA if:

- . The determination was made after 1/1/90, **and**
- . No further appeals may be made at SSA, **or**

- . The client failed to file an appeal at any step within SSA's 60-day limit, **and**
- . The client is **not** claiming:
 - .. A totally different disabling condition than the condition SSA based its determination on, **or**
 - .. An additional impairment(s) or change or deterioration in his condition that SSA has **not** made a determination on.

Eligibility for MA based on disability or blindness does **not** exist once SSA's determination is **final**. PEM, Item 260, pp. 2-3.

Relevant federal regulations are found at 42 CFR Part 435. These regulations provide: "An SSA disability determination is binding on an agency until the determination is changed by the SSA." 42 CFR 435.541(a)(b)(i). These regulations further provide: "If the SSA determination is changed, the new determination is also binding on the agency." 42 CFR 435.541(a)(b)(ii).

In this case, claimant has received an adverse SSA decision on an SSI application. A review of 42 CFR 435.541 indicates that in such cases, an individual is barred from a state substantive review where the decision was rendered within 12 months of the DHS application. Certain exceptions apply. Claimant actually claimed an exception at the hearing stating that his conditions have worsened. However, under the law, in order for the exception to apply, claimant must comply with the requirements at 42 CFR 435.541(c)(4)(ii). That exception requires claimant in addition to alleging that a condition has worsened that he has applied to SSA for reconsideration. Claimant has not done so. Claimant's claim was considered by SSA and benefits denied. The determination was final. Claimant is alleging the same impairments. None of the exceptions apply.

For these reasons, under the above-cited policy and federal law, this Administrative Law Judge has no jurisdiction to proceed with a substantive review. The department's denial must be upheld.

As noted above, should the SSA change its determination, then the new determination would also be binding on the DHS.

In the alternative, should the sequential analysis be applied, the undersigned Administrative Law Judge would concur with the findings and conclusions of the SHRT decisions in finding claimant not disabled under federal law and state policy.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department's actions were correct.

Accordingly, the department's determination in this matter is UPHELD.
