CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

Department policy states:

MA GROUP 2 INCOME ELIGIBILITY

Deductible

Deductible is a process which allows a client with excess income to become eligible for Group 2 MA if sufficient allowable medical expenses are incurred.

Active Deductible

Open an MA case **without ongoing Group 2 MA coverage** on CIMS as long as:

- . The fiscal group has excess income, **and**
- . At least one fiscal group member meets all other Group 2 MA eligibility factors.

Such cases are called active deductible cases. Periods of MA coverage are added on CIMS each time the group meets it deductible.

Deductible Period

Each calendar month is a separate spend-down period.

Deductible Amount

The fiscal group's monthly excess income is called a deductible amount. BEM 545, pp. 8-9.

Meeting a Deductible

Meeting a deductible means reporting and verifying allowable medical expenses (defined in “**EXHIBIT I**”) that equal or exceed the deductible amount for the calendar month tested. BEM, Item 545, p. 9.

The group must report expenses by the last day of the third month following the month for which it wants MA coverage. BAM 130 explains verification and timeliness standards. BEM, Item 545. p. 9.

The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA). BEM 105.

The State of Michigan has set guidelines for income, which determine if an MA group is eligible. Income eligibility exists for the calendar month tested when:

- . There is no excess income, **or**
- . Allowable medical expenses equal or exceed the excess income (under the Deductible Guidelines). BEM 545.

Net income (countable income minus allowable income deductions) must be at or below a certain income limit for eligibility to exist. BEM 105. Income eligibility exists when net income does **not** exceed the Group 2 needs in BEM 544. BEM 166. The protected income level is a set allowance for non-medical need items such as shelter, food and incidental expenses. PRT 240 lists the Group 2 MA protected income levels based on shelter area and fiscal group size. BEM 544. An eligible Medical Assistance group (Group 2 MA) has income the same as or less than the “protected income level” as set forth in the policy contained in the Program Reference Table (PRT). An individual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA.

However, a MA group may become eligible for assistance under the deductible program. The deductible program is a process, which allows a client with excess income to be eligible for MA, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group’s monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. BEM 545; 42 CFR 435.831.

A group may report additional expenses that were incurred prior to the MA eligibility begin date you calculated for that month. Do not alter the MA eligibility begin date if you have already authorized coverage on Bridges. However, any expenses the group

reports that were incurred from the first of such a month through the day before the MA eligibility begin date might be countable as old bills. BEM 545.

In this case, the claimant's representative does not dispute that the department properly followed policy. The claimant's grievance centers on dissatisfaction with the department's current policy. The claimant's request is not within the scope of authority delegated to this Administrative Law Judge pursuant to a written directive signed by the Department of Human Services Director, which states:

Administrative Law Judges have no authority to make decisions on constitutional grounds, overrule statutes, overrule promulgated regulations or overrule or make exceptions to the department policy set out in the program manuals.

Furthermore, administrative adjudication is an exercise of executive power rather than judicial power, and restricts the granting of equitable remedies. *Michigan Mutual Liability Co. v Baker*, 295 Mich 237; 294 NW 168 (1940). Thus, this Administrative Law Judge does not have any authority to overrule department policy.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department followed policy when applying the claimant's medical bills to her Medical Assistance (MA) deductible.

Accordingly, the department's determination is UPHELD. SO ORDERED.
