Reg. No: 201115808

Issue No: 2009

[REDACTED] [REDACTED]  
Hearing Date: May 10, 2011  
Ingham County DHS

ADMINISTRATIVE LAW JUDGE: Janice G. Spodarek

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9; and MCL 400.37 upon claimant's request for a hearing. After due notice, an in-person hearing was held on May 10, 2011. Claimant was represented at the hearing by [REDACTED]. [REDACTED] Claimant did not appear for the administrative hearing.

**ISSUE**

Did the Department of Human Services (DHS) properly deny claimant's Medical Assistance (MA) application?

**FINDINGS OF FACT**

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. On March 26, 2010, claimant applied for MA with the Michigan Department of Human Services (DHS).
2. Claimant applied for 3 months of retro MA.
3. On April 13, 2010, the MRT denied.
4. On November 3, 2010, the DHS issued notice.
5. On January 25, 2011, claimant filed a hearing request.
6. It is unknown if claimant has an SSI application pending with the Social Security Administration (SSA).

7. On February 14, 2011, the State Hearing Review Team (SHRT) denied claimant.
8. Evidence on the record indicates that claimant began working in November 2010. Claimant is working at 30 hours per week at [REDACTED] per hour. Claimant indicated to his representative that he does not feel he is disabled.

### **CONCLUSIONS OF LAW**

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Program Administrative Manual (PAM), the Program Eligibility Manual (PEM) and the Program Reference Manual (PRM).

In order to receive MA benefits based upon disability or blindness, claimant must be disabled or blind as defined in Title XVI of the Social Security Act (20 CFR 416.901). DHS, being authorized to make such disability determinations, utilizes the SSI definition of disability when making medical decisions on MA applications. MA-P (disability), also is known as Medicaid, which is a program designated to help public assistance claimants pay their medical expenses. Michigan administers the federal Medicaid program. In assessing eligibility, Michigan utilizes the federal regulations.

Relevant federal guidelines provide in pertinent part:

"Disability" is:

...the inability to do any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months.... 20 CFR 416.905.

The federal regulations require that several considerations be analyzed in sequential order:

...We follow a set order to determine whether you are disabled. We review any current work activity, the severity of your impairment(s), your residual functional capacity, your past work, and your age, education and work experience. If we can find that you are disabled or not disabled at any point in the review, we do not review your claim further.... 20 CFR 416.920.

The regulations require that if disability can be ruled out at any step, analysis of the next step is not required. These steps are:

1. If you are working and the work you are doing is substantial gainful activity, we will find that you are not disabled regardless of your medical condition or your age, education, and work experience. 20 CFR 416.920(b). If no, the analysis continues to Step 2.

After careful review of the substantial and credible evidence on the whole record, this Administrative Law Judge finds that claimant does not meet statutory disability at Step 1 as claimant is engaged in substantial gainful activity. Statutory disability is not shown.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the department's actions were correct.

Accordingly, the department's determination in this matter is UPHELD.
